To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—Acting under the provision of the City Code, requiring the City Controller, immediately upon the discovery of any default or delinquency, to report the same to Councils, it became my duty to submit to the Councils of 1899-1900, for their information and action, a letter received by me from Mr. E. M. Bigelow, Director of the Department of Public Works.

The Councils of 1899-1900 having adjourned *sine die* without final action being taken in the case, I deem it my duty to call the attention of your honorable bodies to the subject and to submit herewith for your information and action a copy of the letter to which I have referred.

Respectfully submitted,

J. E. LEWIS,
City Controller.

"B."

OFFICE OF
DEPARTMENT OF PUBLIC WORKS,
PITTSBURGH, March 6, 1900.

MR. JOSEPH E. LEWIS,
City Controller.

DEAR SIR:—It becomes my duty to report to you, as City Controller, the fact which has just come to my knowledge that Samuel T. Paisley, Superintendent of the Bureau of Highways and Sewers, has been putting upon the monthly pay-roll of that Bureau fictitious names and amounts; that he lifted the warrants, endorsed them and drew the money at the City Treasurer's office, appropriating it to his own use. This practice on the part of Mr. Paisley has been going on in a small way for several years.

I will forward you all the information in my possession and aid you in every way in my power to protect the interests of the city.

Mr. Paisley was one of my trusted assistants, and I am very sorry it becomes my duty to report him as a delinquent. A hasty examination seems to indicate the amount as about five thousand dollars. His bond, given for the faithful performance of his duties, during the years in which the fictitious names were used, more than cover the amount taken.

Very respectfully,

EDWARD M. BIGELOW,
Director of Department of Public Works.

Which was read and referred to the Committee on Finance.

And on motion

Council adjourned.

No. 38.

To the Honorable, the Select and Common Councils of the City of Pittsburgh.

GENTLEMEN:—The petition of Jonathan Clark & Sons Company, a corporation of the city of Chicago, State of Illinois, respectfully represents:

That in April, 1897, your petitioners were awarded by your honorable bodies the contract for the construction of what is known as Highland reservoir No. 2, in the City of Pittsburgh, the same to be constructed under the direction of the Superintendent of Public Works of the city, for a price approximating \$420,000.00, and your petitioner entered into a bond in the sum of \$500,000.00 with the Mercantile Trust Company of the City of Pittsburgh as surety therein for the faithful performance by your petitioner of the conditions of the contract.

The contract provides that your petitioner should commence work within ten days after the signing of it, and make such progress "that all the masonry, and at least one-half of the excavation, shall be finished not later than the first of September, 1897; that on the 31st day of October, 1897, work shall stop, to be resumed on the first day of April, 1898, and the reservoir shall be fully completed, ready to be put into service, on or before the first of November, 1898." This gave about 330 working days for the completion of the work, and that this time was considered sufficient is evidenced by the fact that Booth & Elin, Gillespie Brothers and other local and foreign contractors bid upon the work. It might be here stated that out of the 330 days it rained, during the years 1897 and 1898, about 120 days, or it was impossible to do any work because of the condition of the ground from rains.

Your petitioner, after the award of the contract, made a sub-contract with the firm of Walsh & Major for the excavation of the reservoir basin and the digging of a cut-off drain, called for by the contract, and work was promptly commenced by them. On June 8, 1897, your petitioner placed Mr. B. S. Crocker, an engineer by profession, in charge of the work. Mr. Crocker was for years assistant engineer of the Santa Fe Railroad, and under his personal direction hundreds of miles of railroad, together with buildings, yards, etc., were constructed, and he was fully equipped for the technical and practical work of constructing the reservoir, a fact which will be conceded by all the city engineer force who came in contact with him.

Upon arrival here Mr. Crocker found that although two months had elapsed from the signing of the contract, the work had not been staked off by the city engineers, there being nothing but some center stakes set. On June

13, 1897, three or four slope stakes, the first permanent ones on the work, were set, and it was not until June 19th that as little as one-third of the work was staked out, an amount scarcely worth mentioning in a work covering twenty-five acres of ground. In the meantime the work of excavating had been once stopped by the assistant engineer in charge, and your petitioner had been compelled to stop repeatedly because there was no place provided to deposit excavated material. The engineer in charge admitted on the ground, on June 21, that the delay in getting the work started was his fault, and that your petitioner was entitled, even then, to an extension of time.

Mr. Crocker, foreseeing that the completion of the masonry of the influent and effluent chambers was an important stipulation of the contract, asked, a few days after his arrival on the work, that they be staked out in order to begin the excavation, and this request was repeated frequently, but it was not until August 27, 1897, three days before the two chambers were to be completed under the contract, that one of them was even staked out, and that the effluent chamber. This delay was partly due to the fact that the plan of the reservoir was changed by the Department of Public Works after the contract was awarded and without any action of your honorable bodies thereon the embankment being pushed out three feet at every point, greatly increasing the cost of the work to the city, as extra work at the unit prices named in the contract was unavoidable. It might be here stated that the contract with the city is not for a lump sum, but is at unit prices for the various kinds of work that enter into the construction of the reservoir, such as masonry, excavating, puddle, &c., &c., prices being named for each class of work in the contract, and the amount receivable by your petitioner depending upon the amount of work done under each classification. This change necessitated the rehandling of a large amount of dirt for which compensation was refused on technical grounds. The season of 1897 closed with some masonry work done on the effluent chamber and a fair start made on the excavation of the reservoir. Before shutting down the work that season the department was again asked to have the influent chamber staked out, that work might be started upon it at the opening of the season of 1898, and the detailed plans were also asked for in order that the stone could be quarried for it. The staking out was done in time, but the first of the plans was not furnished until June, 1898, and the last of the plans about one year later, or two years after they should have been furnished and about eighteen months after the work on the chambers was to have been completed. This delay in staking out the influent and effluent chambers and furnishing the plans for them, accounts for the embankment not being carried up and completed on the northwest side of the reservoir, and was a cause of great annoyance and expense to your petitioner by reason of delay in the work on the embankment.

There was nothing in the plans or specifications to indicate that there was to be a slope in the finished surface of the reservoir bottom, and a considerable area of the reservoir was, in the season of 1897, leveled to the sub-grade given by the engineer in charge, and in October, 1898, a large area was prepared for the deposit of puddle. The engineer in charge was asked to give the levels for the finished surface, and when given it was found that the bottom of the reservoir was to be sloped so as to drain the basin to the 24 inch outlet in the effluent chamber. No notice whatever of this

change of plan had been given to your petitioner, and it will cost your petitioner about \$3,000 more than it can receive for doing the work.

In August, 1898, there was a radical change of plan by the engineer in charge, ordering your petitioner to excavate the inside slope of embankment between Stations 32 and 7, and to rebuild them as per a cross section then furnished. This greatly increased the amount of excavation and forced your petitioner to do expensive work not contemplated in the contract, and for which extra compensation was denied. It also limited the portion of the embankment to which puddle could be deposited to the space between Sections 21 and 32. The engineer in charge was notified that this change "practically disarranges our plans made from the beginning, and necessitates a new and different scheme of work. The character of the work is essentially different from any contemplated under the original plans and specifications, and the amount of additional time that this will require is also at this time impossible to state, on account of the amount and character of the work not being known." No answer was ever received to this letter.

Had this change not been made all the puddle work between Stations 32 and 12, on the upper slope, a distance of 1,300 feet, could have been done and the apron put on for the sum of money that your petitioner has expended in doing the work as it now stands unfinished. All of this work is now nine months behind where it would have been had the change not been made, to say nothing of the increased cost to your petitioner.

Another cause of delay in the completion of the work has been the action of the Director and the engineer in charge in regard to the rolling of the embankment. The specifications provided that the embankment should be rolled with a roller of between ten and twelve tons weight, having corrugated wheels, and the assistant engineer of the city who drew the specifications for the reservoir, twice designed wheels for the rollers, and on trial they failed to work and another design was adopted, and eventually a roller made in Harrisburg, and which weighed from three to five tons more than the contract called for, was used. No maker could be found to guarantee a corrugated wheel roller. Your petitioner also got a roller from Canton, Ohio, which your petitioner was permitted to use, "with the distinct understanding that it was not to be taken as a precedent," and was notified that any additional rollers must be as good as the Harrisburg roller. The Director was notified of the difficulty, that the rollers could only be used under the most favorable circumstances as to conditions of ground and weather, but no relief was given to your petitioner. The rollers broke down repeatedly, each break-down stopping the work of building embankments until repairs could be effected. A plain roller of seven or eight tons weight would be amply sufficient, in the opinion of your petitioner. The embankments of Highland Reservoir No. 1 were rolled with a horse roller and no complaint of the stability of the work has ever been heard. Your petitioner asserts and can show that two-thirds of the time lost on the construction of the embankment on such days as work could be done was caused by the breakage of or impossibility of using the rollers required, and designed by an assistant of the Department.

The stone work on the influent and effluent chambers was sub-contracted, with the consent of the Director, with a contractor named

by him, Joseph Gianini, on June 28, 1897, and under the supposition that the chambers would be staked out and the plans provided, your petitioner made arrangements for the broken stone for concrete. Permission was asked and granted to store the cement to be used on the work in the warehouse of George L. Peabody, in East Liberty, the tests of the cement required by the contract to be made there. On receipt of that permission some 500 barrels of cement were purchased and stored at Mr. Peabody's warehouse and the engineer in charge asked to test the material. Your petitioner was then notified that no cement would be tested except on the work, and your petitioner was compelled, first, to pay rent to Peabody; second, to pay for the extra hauling of the cement, and third, to build a house to store it in. This all made a delay of two weeks in getting the first test. On the test the whole 500 barrels were rejected, but at the instance of the manufacturer, and not of your petitioner, the cement was retested and accepted some seven months later, or in April, 1898, showing that there could have been no serious objection to it at the time it was first tested. The same thing occurred again in September, 1898, when 100 barrels of cement were rejected on technical grounds, and retested at the instance of the manufacturer and accepted on the 23d of the same month. As these were the only cements your petitioner had on hand, the work on the chambers and the embankment contiguous to them had to be stopped pending the tests.

The stone specified in the contract for the influent and effluent chambers is Beaver Valley sandstone, "free from any seams or other defects which in the judgment of the Director may impair its strength or durability." Under this clause stones that were to be buried where they never would be seen unless the reservoir were drained for the purpose of cleaning it, were rejected for blemishes or offenses to the eye alone, and, either by accident or design, the rejected stones were the largest and most difficult to quarry by reason of peculiar shapes, and frequently it took weeks to replace them. The masons were allowed to set stones that were subsequently rejected, and stones cut and lying on the ground for weeks in plain view of the inspectors were rejected after they had been lifted by the derrick and were about to be set. Your petitioner asked that notice of the contemplated rejection of stone be given, specifying the plan number and letter of the stone and the reason for its rejection, but this reasonable request was positively denied.

The specifications for puddle require that the material shall be the best the site affords, and that the Director shall decide which are the best materials; that the clay shall be ground to such fineness as directed. The engineer in charge first said that the clay should be ground to the fineness required for pressed brick manufacture. In September, 1897, the engineer in charge was asked to point out the clay that would be acceptable to the city. Your petitioner had recommended the disintegrated shale exposed by the excavation of the cut-off drain at Bunker Hill as being the best and most available material exposed on the ground. It is a well-known fact that ground shale makes the finest brick to be found in the market. The engineer in charge was shown the material exposed in the cut and also samples of borings taken at various points on the hill through which the cut passes. All of these samples he positively refused to accept and said that the Bunker Hill clay would not answer. It was decided that the puddle clay must be taken from the bot-

tom of the basin, and it was necessary that the storage should begin at once in order to save enough clay to make the vast amount of puddle required, some 60,000 cubic yards. The puddle plant was accordingly located at the base of supply of the raw material, some twelve hundred feet from Bunker Hill, and after it was so located and built your petitioner was notified that the Bunker Hill clay, recommended from the start, must be used and that no other clay would be allowed. The result is that from the location of the puddle plant your petitioner has a long haul for the clay from Bunker Hill to the plant, and then from the plant to the place where it is to be finally deposited, whereas, had the plant been located where requested there would have been practically but one haul, that of the finished material. The clay first selected by the Department to be used in making puddle has by this change been used for building embankments, and your petitioner has had to haul it from the bottom of the basin onto the embankment at a greatly increased cost, for which no extra compensation has been allowed. It has also retarded the work, as the puddle clay and storage pile stand on the bottom of the basin to be puddled.

After it was decided that your petitioner was to use clay from the bottom of the reservoir the question of the fineness to which it should be ground, that being left, under the contract, to the decision of the Director, came up, and it was decided by the engineer in charge that all gravel for puddle should pass through a screen with three meshes to the inch, nine perfora tions to the square inch; all sand for puddle should pass through a screen with twenty meshes to the inch, four hundred perforations to the square inch, and all ground clay for puddle should pass through a screen of sixty meshes to the inch, 3,600 perforations to the square inch, wire screen to be 35 Stubbs gauge. It is not necessary to point out the impracticability of grinding sufficient clay finer than flour is ground to make about 60,000 cubic yards of puddle. The cost of a plant to do this work would be more than any profit that could possibly be made on the work under the most favorable superintendence, and the area it would require would exceed the whole bottom of the reservoir basin—ten acres. The absurdity, impracticability and injustice of these requirements were repeatedly pointed out to the engineer in charge without avail, until the attempt to grind clay in the manner provided was shown to be an impossibility. More than one-half of the clay that it was attempted to pass through the screen traveled back and forth between the screen and drying pan and was eventually removed by your petitioner and put upon the embankment, it being utterly impossible to screen it. Puddle made in this way would cost \$5.00 a cubic yard and the contract price was only 80 cents. At the time, your petitioner was threatened by the Director that unless he provided a plant at once to meet the requirements the work would be taken off your petitioner's hands. The requirements as to the gravel screen wasted a large percentage of the best gravel, and the sand screen let through only the finest of sand, which was entirely unsuitable for the work of making puddle.

Your petitioner might enumerate many petty exactions and an honest attempt to comply with them. Work has been repeatedly done twice through the fault of the engineer in charge, and no extra allowance made for it. Your petitioner was forbidden to do hauling on the public streets, especially on Highland avenue, because it disturbed the sleep of the

Director, and after the representation that your petitioner had no control over the teamsters, who were sub-contractors and residents of Pittsburgh, to avoid further trouble the loads were hauled up another street, your petitioner providing, at his own expense, extra teams to get the wagons up the grades. Your petitioner was obliged to pay for curbstones on Bunker Hill street, alleged to have been broken by its teams in hauling, yet the curbstones were never removed and are still to be seen in place. In May, 1898, your petitioner was notified that unless an electric light plant was installed that day on the work, and thereafter a double force of masons was employed on the chambers and the puddle plant was increased to the capacity demanded,—although the capacity of the plant was then, and has always been, greater than needed, as is evidenced by the fact that there are seven thousand yards of puddle now stored awaiting use, and it has not been possible to use more than eighty per cent. (80 p. c.) of the puddle made,—the contract would be taken off his hands, a threat that was not executed.

The contract provides that once a month an estimate of the amount due the contractor shall be made and 85 per cent. of it paid to him and the balance retained until the completion of the work. All through 1897, 1898 and the spring of 1899 this condition was repeatedly violated. On May 5th, 1899, estimate No. 18, for the month of April, was given by your petitioner, showing that \$4,562.80 worth of work had been done. This estimate was not paid; and on May 24th a substitute estimate for \$1,395.70, for stone work exclusively, was given your petitioner and paid by the city to the sub-contractor. This left the city in debt to your petitioner \$3,167.10 for April work. On June 12 the May estimate was given, \$3,081.10, all of which was for stone work, and was paid directly to the sub-contractor, although during May your petitioner was working all its force. On July 3 an estimate of \$8,918.10 for June work was given, over one-half of which went to the sub-contractor for stone work. Your petitioner being unable to continue the work without payment of estimates, so notified the Director on the 14th day of July, whereupon the Director promised if your petitioner would continue work that a full estimate of the amount of work done to date, determined by a survey, would be made and paid, and that thereafter an estimate to cover labor would be made and paid each two weeks. Rather than have the work stop altogether your petitioner consented to this arrangement, and under it paid out \$28,365.36 for labor, and received from the city bi-weekly on the same account \$22,965.64, leaving a balance due your petitioner of \$5,399.72, payment of which was demanded of the Director and refused, and this in violation of his personal and official promise to pay the pay rolls bi-weekly. The promised survey was also made by the City Engineer corps, under the charge of your petitioner's superintendent, something probably never done before in the history of contracting. Had Mr. Crocker been dishonest a mistake of fifteen or twenty thousand yards might have been made in your petitioner's favor with small danger of detection. Estimates for the work, at the unit prices of the contract, as thus ascertained, since July 14th, were given by the Director and paid, amounting to \$22,965.64. The last estimate was paid on November 6th. The work was continued until December 16th, and your petitioner believes that an estimate was prepared by the engineer in charge after December 16th, but it was not paid. To carry on the work since July 14th necessitated an expense other than

for labor of about \$4,500, which sum exceeds any possible profit that could be made from the estimate of \$22,965.64, so that since July 14th your petitioner has been presenting to the city both its time and several thousand dollars in money in order that the work might not be stopped.

Since the cessation of work in November last your petitioner has repeatedly expressed to the Director a willingness to go on with the work, even under the exacting conditions of the contract, and this for the reason that while a loss in the completion of the work is unavoidable, your petitioner believes that it can be greatly reduced by reason of the experience acquired by your petitioner in the doing of the work so far. The Director has given no notice of any kind to your petitioner, but has publicly declared, if the newspapers are to be believed, that the contract has been taken off your petitioner's hands, and that your petitioner will be assessed the penalty of \$100.00 a day for delay since November 1, 1898.

Your petitioner gives willing testimony to the efficiency and zeal of the assistants put upon the work by the Director. They have been at all times vigilant in carrying out his orders and directions, while not always agreeing as to the practicability and desirability of them for the city. The Director, within the knowledge of your petitioner, has never been on the work but once, and then for a few minutes on horseback. He was invited repeatedly by Mr. Crocker to visit the work, and repeatedly promised to do so.

Your petitioner is advised that under the contract with the city and under the decision of the courts of the State of Pennsylvania, it has no redress for the harsh, oppressive and unbusinesslike treatment it has received at the hands of the Director, and that the only redress for the wrongs complained of is by an appeal to your honorable bodies.

Your petitioner therefore prays that your honorable bodies may refer this petition to an appropriate committee to investigate the charges made herein and make report thereon, and that your honorable bodies may take such action upon their report as to right and justice may belong.

In addition to the charges we make above, your petitioner is prepared to show:

1st. That the reservoir cannot be completed under the absurd specifications contained in the contract, and the Director's interpretation of them, in less than three years, and this under the most favorable circumstances, and at a cost which will vastly exceed the estimated cost, \$420,000.00.

2d. Your petitioner is advised that there is a doubt as to its liability for any damage that may be assessed against it by the Director and the consequent liability of its bondsmen, and that the money which must be inevitably expended in excess of the estimated contract price for the completion of the reservoir, probably \$150,000.00, cannot be recovered from either.

3d. The work remaining to be done is of such a nature, and the probability of damage by the elements is such, that no contractor would be willing to undertake the work for a stated sum.

4th. The entire construction of the reservoir should be modified and changed to conform to reservoir construction as heretofore practiced in this city and elsewhere.

5th. The contract being based on unit prices for the various kinds of work contemplated by it, the cost can be expanded by the Director at his will in ordering changes, and your petitioner avers that if a comprehensive, sensible plan of construction be adopted, the cost may yet be kept within the limits of the original estimate.

No. 76.

To the Hon. Wm. J. Diehl, Mayor, and the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—The undersigned citizens would respectfully call your attention to a very serious and constant nuisance which has existed at the junction of Grant and Fifth avenue ever since the Pittsburgh Traction Company has put down its rails.

At that place it laid a grooved rail, which continually acts as a trap for the corks of the shoes of horses as they pass along Grant street at right angles to the rails.

From the action of this trap rail, many horses have their shoes pulled off every day. They are frequently thrown down, their harness broken, and sometimes their hoofs are pulled off with their shoes.

The horses fall across the track and the cars are stopped and delayed for a long time nearly every day, thus interfering with public travel and with loss to the company.

The city is liable in every case for the injuries suffered by the horses and wagons, and any owner of them can hold her liable; particularly after she has this notice.

For some reason people have feared to complain heretofore, but the nuisance is of so grave and unnecessary character that we have conceived it to be our duty, from a humane interest, to call your attention to it, and to trust to you for its removal instead of calling it to the attention of a grand jury.

The safety of our streets is involved, and we ask your instructions to the Department of Safety to cause the abatement of the nuisance.

April 17, 1903.

Respectfully,

A. B. Augney,
R. L. McCully,
James P. Quinn,
Meta L. Richter,
James R. Bell,
David D. Bruce,

No. 109. Claim of John S. Robb, Sr., and C. A. Fagan for professional services in cases of Commonwealth vs. W. C. Moreland and W. H. House.

Also,

No. 110.

WHEREAS, The Select and Common Councils of the City of Pittsburgh duly passed C. C. Resolution 1632, September 30, 1895, to wit:

"Resolved, That the communication of the City Controller, embodying extracts from the reports of the Auditors as to the results of their partial examination of the books and accounts of the City Attorney's office, together with the Auditors' reports and the letter of the City Attorney, be referred to the Finance Committee, in conjunction with the City Controller, for investigation, with power to consult counsel, if necessary, and report to next meeting of Councils what action can and should be taken to assist and ensure a full and searching investigation by the Auditors"; and,

WHEREAS, Pursuant to the authority thus given, the Finance Committee appointed a sub-committee of three, namely, Messrs. Thorn, Bigham and Warmcastle, who, in conjunction with the City Controller, reported their findings to the general Committee, with the following recommendation:

"That Councils instruct the City Controller to lay these facts before the District Attorney, with the request that that officer commence criminal action against Wm. C. Moreland, City Attorney, and W. H. House, Assistant City Attorney, and proceed with the same to trial and determination as speedily as possible." And,

WHEREAS, Said report, together with the recommendation, was agreed to by the general committee, and ordered sent to Councils as the report of the Finance Committee; which report was received and approved by Select and Common Councils, October 14th, 1895; and,

WHEREAS, On Friday, October 25th, 1895, in the Committee on Finance, on motion of Mr. Holliday, the sub-committee on investigation of the office of City Attorney was authorized to employ one (1) attorney to assist the District attorney of the county in the prosecution of W. C. Moreland, City Attorney, and W. H. House, Assistant; which action was never presented to either branch of Councils; and,

WHEREAS, The late City Controller, under and by virtue of the power he believed was thus conferred upon him in his official capacity, engaged John S. Robb, Sr., and Charles A. Fagan to assist the District Attorney in the preparation and prosecution of the cases; and,

WHEREAS, A communication confirming these facts has been received from Messrs. Thorn and Bigham, who were at the time members of the sub-committee having the matter in charge; and,

WHEREAS, Messrs. Jno. S. Robb, Sr., and C. A. Fagan, under date of June 27th, 1899, submit a claim for professional services rendered in the cases stated, in the sum of ten thousand (10,000) dollars, as fully set forth in the bill of particulars hereto attached and made part hereof; and,

WHEREAS, It appears upon careful examination that employment of additional counsel in the case was neither authorized nor approved by Councils, and there being, therefore, no previous authority of law, the Controller is prevented from issuing his certificate for a warrant in settlement of this claim; and,

WHEREAS, In view of all the circumstances, there is a clear moral obligation on the part of the city to pay this claim; now, therefore, be it

Resolved, That the City Controller be and he is hereby authorized and directed to issue his certificate on the Mayor for a warrant in favor of John S. Robb, Sr., and C. A. Fagan, for professional services rendered in the cases of Commonwealth vs. W. C. Moreland and W. H. House, in the sum of ten thousand (10,000) dollars, and charge the same to Appropriation No. 42, Contingent Fund.

Which were referred to the Committee on Finance.

Mr. Bigham presented

No. 113.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—Your Committee on Finance return herewith, with an affirmative recommendation, the following papers referred to it for consideration, to wit:

S. C. No. 64. An Ordinance authorizing and directing the purchase from Eliza A. Bigham, of the tract of land in the Thirty-second ward, known as the Bigham Woods, containing 36 acres, more or less, and providing for the payment of purchase money therefor out of the proceeds of sale of bonds for park purposes.

C. C. No. 37. Resolution approving contract awarded to The Pittsburgh Printing Company, for printing and binding Controller's Annual Report, \$1.20 per page.

And the following papers were amended, as shown, and as amended, affirmatively recommended:

C. C. No. 16. An Ordinance authorizing and directing the purchase of a piece of land situate in the Seventeenth ward of the City of Pittsburgh, from Thomas M. Marshall, Jr.,

and providing for the payment of purchase money therefor out of the proceeds of sale of bonds for park purposes, and providing for the naming of the same.

C. C. No. 60. Resolution transferring \$7,500.00 from Bureau of Engineering and Surveys, Appropriation No. 29, to Bureau of Deed Registry.

Respectfully submitted,

No. 114.

April 23d, 1900.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—I have the honor to submit herewith for your approval plan of lots situated in the Fourteenth ward, laid out for H. L. Dean.

Very respectfully,

EDWARD M. BIGELOW,

Director of Department of Public Works.

Which was read, received and filed.

Also.

No. 115. H. L. Dean plan of lots, Fourteenth ward, Pittsburgh, Pa., and the dedication of the streets and alleys therein.

Which was read, accepted and approved.

BUSINESS FROM SELECT COUNCIL.

S. C. No. 70.

PITTSBURGH, April 5, 1900.

GENTLEMEN:—Your Committee on Public Safety has organized by the election of Mr. John Benz as Chairman, and will meet at the call of the Chair in the Committee room at the Department of Public Safety Building.

Very respectfully yours,

JOHN BENZ,
Chairman.

Attest:

F. J. MARTIN,
Clerk.

In Select Council April 9, 1900. Read, received and filed.

Which was read, received and filed.

S. C. No. 3.

PITTSBURGH, April 2, 1900.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—I desire to say, by way of explanation, that the lease presented to you for approval, hereto attached, from J. M. Arnold, for the premises known as No. 527 First avenue, the same being used as a stable. This stable is absolutely necessary and essential to the Department of Public Safety for the reason that No. 2 engine house has to be rebuilt for the purposes of a water tower and the Assistant Chief's headquarters, and it is necessary to remove the present fire company, known as No. 2, to the storehouse in Cherry alley. The storehouse in Cherry alley is well adapted for use as temporary quarters for this company, and its occupancy for this purpose necessitates the removal of the stable and storehouse to some other place within the city: this can be well and economically done by leasing this place for one year, as it will take from nine months to a year to complete the building of No. 2 house.

I believe this will be for the best interest of the city and the Bureau of Fire and save a large amount of money that would otherwise be necessary for the city to expend for headquarters that would be suitable to lease for fire engine company's purposes. I, therefore, respectfully ask your honorable bodies to approve this lease.

Respectfully yours,

J. O. BROWN,

Director Department of Public Safety.

In Select Council April 9, 1900. Read, received and filed.

Which was read, received and filed.

S. C. No. 4. *Resolved*. That the lease entered into, made and concluded the 31st day of March, A. D. 1900, by and between J. M. Arnold, of the City of Pittsburgh, party of the first part, and the City of Pittsburgh, by and through J. O. Brown, Director of the Department of Public Safety, party of the second part, for the premises known as No. 527 First avenue, which lease is hereto attached, shall

be and the same is hereby approved, accepted and assumed by the City of Pittsburgh.

In Select Council April 9, 1900. Passed.

Which was read.

And the rule having been suspended the resolution was read a second and third times and finally passed by the following vote:

AYES—Messrs.

S. C. No. 6.

PITTSBURGH, April 2, 1900.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—I submit for your consideration, information and approval and for the passage of proper resolutions contracts with Messrs. Kerr & Fox for Engine Houses Nos. 30 and 31 for the sum of \$42,978 for both houses; and also, contract with Messrs. Kerr & Fox for the erection of a water tower house and headquarters for Assistant Chief Engineer of the Bureau of Fire for the sum of \$39,928, together with the plans, drawings, specifications and all other matters connected therewith.

I beg leave to state that this includes the tearing down and rebuilding of Engine House No. 2 on Smithfield street, said building being an "L" shaped building, with that part fronting on Second avenue occupied by the Assistant Chief as headquarters. This building is very old and dilapidated, and has been condemned by the Superintendent of the Bureau of Building Inspection. The location and ground is admirably situated for the water tower contemplated in the improvements connected with the Bureau of Fire.

The money for the erection and completion of these four houses has been provided for in the bond issue, and the location of Nos. 30 and 31 Engine Houses has been approved by your honorable bodies.

I therefore submit the matters above referred to for your approval, and trusting that you will adopt and pass proper resolutions in reference thereto, I remain

Very truly yours

S. C. No. 71.

PITTSBURGH, April 4, 1900.

To the Select and Common Councils and the Committee on Public Safety of the City of Pittsburgh:

GENTLEMEN:—I, William Young Brady, architect for the City of Pittsburgh, duly appointed by J. O. Brown, Director of the Department of Public Safety, said appointment being approved by your honorable bodies and

the Mayor, qualified and acting, would respectfully represent and say that, as said architect, I prepared the plans and specifications for engine houses Nos. 80 and 81, situate on First and Second avenues, in said city; and, also prepared plans and specifications for that certain building designed by the Bureau of Fire, to be known as "Water Tower Company No. 1," situate on Smithfield street, on the site of Engine Company No. 2 and the Assistant Chief's headquarters, fronting and situate on Second avenue, adjoining the Homeopathic Hospital. All of these plans and specifications were designed and prepared by me, as said architect, and contracts duly awarded thereon by the Director of the Department of Public Safety and before your honorable bodies for approval.

I would report and represent that all of said plans and specifications are in strict conformity with the laws and ordinances of the City of Pittsburgh and the Act of Assembly of the Commonwealth of Pennsylvania, as to freedom of competition as to bidders and contractors, and free and open as to competition in regard to materials and machinery, and all other matters specified or mentioned therein. And that said plans and specifications are strictly in conformity with that certain Act of Assembly known as "The Wallace Act" of the Commonwealth of Pennsylvania.

And, as said architect, I would respectfully join in the petition of said J. O. Brown, Director of the Department of Public Safety, praying for the approval of said contracts.

Respectfully yours,

WILLIAM YOUNG BRADY,

Architect for the Department of Public Safety.

In Select Council April 9th, 1900. Read, received and filed.

Which was read, received and filed.

S. C. No. 8. *Resolved*, That the contract awarded to Kerr & Fox, of Pittsburgh, by J. O. Brown, Director Department of Public Safety, on March 31st, 1900, for the erection of water tower house No. 1, on Smithfield street and Second avenue, at the following prices, viz: Thirty-nine thousand three hundred twenty-eight dollars (\$39,328.00), together with the following prices for any extra work that may be required, viz: For extra excavations, three and 90-100 dollars (\$3.90) per cubic yard; extra concreting, ten and 50-100 dollars (\$10.50) per cubic yard; extra stone work, seven dollars (\$7) per perch, shall be and the same is hereby approved, together with the bond, plans and specifications attached thereto; and that the sum of thirty-nine thousand three hundred twenty-eight dollars (\$39,328.00) of the proceeds arising from the sale of bonds issued for the acquisition and purchase of real estate within the City of Pittsburgh for the uses of the Department of Public Safety, the erection and repair of buildings and improvements for said Department, the purchase of the necessary machinery, apparatus, equipment and furniture therefor, and for the erection and construction of the necessary buildings, improvements, equipments, furnishings, supplies and all other matters and things necessary for the completion, requirements and needs of municipal hospitals for isolated and contagious diseases, under and by virtue of an ordinance entitled "An Ordinance authorizing the issuing of bonds for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply, and providing and furnishing meters to be used in connection therewith; paying

Mr. Bigham asked and obtained leave to present

No. 116.

April 23, 1900.

To the Honorable, the Select and Common Councils of the City of Pittsburgh, Pa.

GENTLEMEN:—We are informed that a bill has been presented to said Common Councils for the purpose of authorizing the institution of proceedings in Court for the condemnation of land belonging to Mrs. Mary C. Delafield, situate in O'Hara township, upon which to erect a filtration plant for the City of Pittsburgh.

As attorneys for Mrs. Mary C. Delafield, we wish to call your attention, not only to the fact that the said land is very valuable, but also to the fact that Mrs. Delafield's injury and damage, by reason of the taking of that portion of her land which we understand it is proposed to take, will largely exceed the value of the land proposed to be taken. Such land we understand to be the river front, and the key to the whole tract which Mrs. Delafield there owns; and the taking of it would greatly depreciate the value of the remainder of said tract.

We therefore respectfully suggest that efforts be made to ascertain whether other land, just as suitable for the purpose aforesaid, could

not be obtained, for the taking of which the damages would not be so great. And upon behalf of our said client we respectfully remonstrate and protest against the passage of any such ordinance.

Very truly,

CHANTLER, MCGILL & CUNNINGHAM,
Attorneys for Mrs. Mary C. Delafield.

Which was read, received and filed.

Also,

No. 117. An Ordinance locating Washington avenue, south, from Boggs avenue to the city line, or Saw Mill run.

Which was read, received and filed.

Also.

C. C. No. 110.

WHEREAS, The Select and Common Councils of the City of Pittsburgh duly passed C. C. Resolution 1682, September 30, 1895, to wit:

"Resolved, That the communication of the City Controller, embodying extracts from the reports of the Auditors as to the results of their partial examination of the books and accounts of the City Attorney's office, together with the Auditors' reports and the letter of the City Attorney, be referred to the Finance Committee, in conjunction with the City Controller, for investigation, with power to consult counsel, if necessary, and report to next meeting of Councils what action can and should be taken to assist and ensure a full and searching investigation by the Auditors"; and,

WHEREAS, Pursuant to the authority thus given, the Finance Committee appointed a sub-committee of three, namely, Messrs. Thorn, Bigham and Warmcastle, who, in conjunction with the City Controller, reported their findings to the general Committee, with the following recommendation:

"That Councils instruct the City Controller

to lay these facts before the District Attorney, with the request that that officer commence criminal action against Wm. C. Moreland, City Attorney, and W. H. House, Assistant City Attorney, and proceed with the same to trial and determination as speedily as possible." And.

WHEREAS, Said report, together with the recommendation, was agreed to by the general committee, and ordered sent to Councils as the report of the Finance Committee; which report was received and approved by Select and Common Councils, October 14th, 1895; and,

WHEREAS, On Friday, October 25th, 1895, in the Committee on Finance, on motion of Mr. Holliday, the sub-committee on investigation of the office of City Attorney was authorized to employ one (1) attorney to assist the District attorney of the county in the prosecution of W. C. Moreland, City Attorney, and W. H. House, Assistant; which action was never presented to either branch of Councils; and,

WHEREAS, The late City Controller, under and by virtue of the power he believed was thus conferred upon him in his official capacity, engaged John S. Robb, Sr., and Charles A. Fagan to assist the District Attorney in the preparation and prosecution of the cases; and,

WHEREAS, A communication confirming these facts has been received from Messrs. Thorn and Bigham, who were at the time members of the sub-committee having the matter in charge; and,

WHEREAS, Messrs. Jno. S. Robb, Sr., and C. A. Fagan, under date of June 27th, 1895, submit a claim for professional services rendered in the cases stated, in the sum of ten thousand (10,000) dollars, as fully set forth in the bill of particulars hereto attached and made part hereof; and,

WHEREAS, It appears upon careful examination that employment of additional counsel in the case was neither authorized nor approved by Councils, and there being, therefore, no previous authority of law, the Controller is prevented from issuing his certificate for a warrant in settlement of this claim; and,

WHEREAS, In view of all the circumstances, there is a clear moral obligation on the part of the city to pay this claim; now, therefore, be it

Resolved, That the City Controller be and he is hereby authorized and directed to issue his certificate on the Mayor for a warrant in favor of John S. Robb, Sr. and C. A. Fagan, for professional services rendered in the cases of Commonwealth vs. W. C. Moreland and W. H. House, in the sum of ten thousand (10,000) dollars, and charge the same to Appropriation No. 42, Contingent Fund.

S. C. No. 76.

PITTSBURGH, April 18, 1900.

To Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—Your honorable bodies, in the appropriation ordinance, provided by Appropriation No. 27 a special fund of \$10,000 for the purpose of continuing the underground cable system for the Bureaus of Fire, Electricity and Police, in conformity with the general ordinance passed some years ago, requiring the wires on certain streets in certain sections of the city to be placed underground.

This special appropriation, No. 27, is now available, and the department proposes to proceed to comply with the aforesaid ordinance and resolution of Councils; and, as Director of the Department of Public Safety, I would respectfully petition the passage of a resolution authorizing the employment of four (4) additional electric linemen, for a period not exceeding five months, at a salary of \$90.00 per month, that being the salary now paid by the City of Pittsburgh for like linemen, qualified and experienced in electrical matters. These said employees to be under care, direction and charge of the Bureau of Electricity, so that this underground cable work may be done in as speedy a manner as possible, and with experienced electric skill.

There is no force available in my department for this work, and no employees have special qualifications; therefore, I would respectfully ask the passage of a resolution as herein stated.

Respectfully yours,

J. O. BROWN,

Director of the Department of Public Safety.

In Select Council April 30, 1900. Read, received and filed.

Which was read, received and filed.

S. C. No. 77. Resolved, That the Director of the Department of Public Safety shall be and he is hereby authorized, empowered and directed to appoint four (4) skilled and competent electricians and electric linemen in the Bureau of Electricity for a period of time not exceeding five (5) months, for the purposes of continuing the underground cable system for the Bureaus of Fire, Electricity and Police, in conformity with the general ordinance passed some years ago, requiring the wires on certain streets in certain sections of the city to be placed underground; the salaries to be paid these skilled and competent electricians and electric linemen to be ninety dollars (\$90.00) per month each, the same as is now paid by the City of Pittsburgh for like services.

In Select Council April 30, 1900. Passed.

Which was read.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN—I herewith submit, for your information and action, the report of F. A. Kimball, C. P. A., Auditor, as to his findings in the audit of the books and accounts of the City Wharfmaster.

Respectfully,

J. E. LEWIS,

"B."

Controller.

PITTSBURGH, PA., April 28, 1900.

Hon. Jos. E. Lewis, City Controller:

DEAR SIR—I have the honor of reporting to you that a careful audit of the books and records of City Wharfmaster has been made, from February 1, 1898, to January 31, 1900.

It is found that all money therein recorded, as due the city, has been returned to City Treasurer, except three hundred dollars (\$300) due from Mr. Joseph Shallenberger for rent at Allegheny Wharf, for the period of eighteen months ending December 31, 1899.

At January 31, 1900, the Wharfmaster is holding a note at ninety days from December 21, 1899, for said three hundred dollars (\$300).

Respectfully submitted,

F. A. KIMBALL, C. P. A.,

City Auditor.

Which was referred to the Committee on Finance.

Mr. Anderson presented

No. 204. An Ordinance changing the name of Grape street, between Hazelwood avenue and Flowers avenue to "Nansen street."

Which was referred to the Committee on Surveys.

Mr. Sparr presented

No. 205. An Ordinance authorizing the construction of a sewer on Webster avenue, from Jefferson street extension between Madison street and Ridge street, to connect with present sewer on Webster avenue east of Orion street.

Which was referred to the Committee on Public Works.

Mr. Mierzwa presented

No. 206. Petition for the grading and paving of Mitre alley, from Millvale avenue to Mathilda street.

Also,

No. 207. An Ordinance authorizing the grading and paving of Mitre alley, from Millvale avenue to Mathilda street.

Which were referred to the Committee on Public Works.

Mr. Stonerod presented

ARTICLES OF AGREEMENT

Made and entered into this — day of May, A. D. 1900, between the PENNSYLVANIA WATER COMPANY, a corporation of the State of Pennsylvania, hereinafter termed the party of the first part,

AND

THE CITY OF PITTSBURGH, hereinafter termed the party of the second part:

WHEREAS, North Homestead is a certain territory opposite the town of Homestead, Pennsylvania, and intersected by the eastern boundary line of the City of Pittsburgh, and is more particularly known as the Homestead Bank & Life Insurance Company's plan of lots (see plan recorded in the Recorder's office of Allegheny County, in Plan Book vol. 4, page 24), and a portion of North Homestead is within the Twenty-second ward of the City of Pittsburgh; and

WHEREAS North Homestead is at present an isolated territory, and cannot be connected with the pipe line system for water supply of the party of the second part, and

WHEREAS, The party of the second part desires to give the benefits of a water supply to the residents of that part of North Homestead which is within the Twenty-second ward, City of Pittsburgh; and

WHEREAS, The party of the first part has a pipe line adjacent thereto, and is willing to extend its line into the said territory.

Therefore, It is mutually covenanted and agreed:

1st. The party of the first part shall, within months from the date hereof, lay and complete in that part of North Homestead which is within the Twenty-second ward of the City of Pittsburgh, forty-three hundred and ninety (4390) feet of six inch water pipe, and twenty-three hundred and eighty (2380) feet of eight inch water pipe, furnish and erect sixteen fire hydrants, sixteen six-inch valves and ten eight-inch valves, in accordance with the requirements of the party of the second part.

2d. Said pipe line is to be laid with materials of the present standard and design of the party of the second part, and under the supervision and according to the direction and at the grades, to be furnished by the party of the second part. The party of the second part to furnish the grades and inspect the work without expense to the party of the first part.

3d. The party of the first part will furnish water to private consumers in the same manner, and at the same rates as charged in the Borough of Wilkensburg, and in the Thirty-seventh ward of the City of Pittsburgh, Pa.

4th. Party of the second part shall pay for fire hydrant service an annual rental of forty dollars (\$40) for each fire hydrant erected; the total number of fire hydrants to be sixteen (16). The party of the first part shall maintain con-

tinuously a water pressure on each and every fire hydrant of not less than fifty (50) pounds per square inch. The party of the second part to have the right to use water for all public purposes without additional charge.

5th. It is expressly covenanted and agreed that the party of the second part shall have the right at any time, upon six months' notice given to the party of the first part by the Director of the Department of Public Works of the City of Pittsburgh, to purchase all of the above named pipe line, including the pipes, valves, fire hydrants, etc., upon payment to the party of the first part of the actual cost of construction of the same, which is to be ascertained at the time the pipe line is laid, and the party of the first part agrees to furnish proper and satisfactory proof of said cost to the party of the second part at the time the pipe line is laid, but it is expressly agreed that the party of the second part shall in no event pay more than eighty five hundred dollars (\$8,500) for said pipe line, and that said sum is to be without interest.

6th. The party of the second part may require the party of the first part at any time to make any extensions of its pipe line for water supply in said territory, which the party of the second part may deem to be proper. The number of fire hydrants to be located in said extensions to be at the same average distance as in the pipe line above mentioned, and the same annual rental of forty dollars (\$40) per hydrant shall be paid and water pressure of fifty (50) pounds per square inch maintained on each hydrant, and the party of the second part to have the same right to use water for public purposes without additional charge; and in case of any extensions of said line it is expressly agreed that the party of the second part may purchase said extension of the pipe line at actual cost of same, without interest, proof of cost to be made by the party of the first part at the time the extensions are built and in the manner above stated, and the same notice to be given by the party of second part of its intention to purchase said extension.

7th. It is expressly agreed that whenever the party of the second part shall purchase the said pipe line and extensions, the party of the first part shall relinquish at once all claim and right whatsoever to enter said territory with its lines, and the party of the second part in making this contract relinquishes no rights whatsoever that it now possesses, or may hereafter possess. In making this contract the party of the first covenants expressly and in every particular for itself, its successors and assigns.

Executed in duplicate the day and year aforesaid.

C. C. No. 92.

To the Honorable, the Select and Common Councils of the City of Pittsburgh:

The petition of Emil Winter of the city of Pittsburgh, Pennsylvania, respectfully represents:

That your petitioner and one William Vankirk became sureties on the bond of William C. Moreland, in the penal sum of \$10,000, conditioned that the said Moreland should faithfully perform his duties as City Attorney and account for all moneys belonging to said city and coming into his hands between the first day of February, 1888, and the first day of February, 1892. That the term for which the said William C. Moreland had been elected City Attorney and for which your petitioner had become his surety expired on February 1, 1892, and within two weeks thereafter your petitioner went to Eustis S. Morrow, then Controller of the City of Pittsburgh, and stated to him that your petitioner did not propose to renew his bond or become surety for said William C. Moreland for the new term for which he had been recently elected, and your petitioner demanded that all of the accounts of the said William C. Moreland as City Attorney for the term for which he had become surety should be at once audited and settled, so that your petitioner might know the extent of his liability, if any, under the bond hereinbefore mentioned, and might protect himself against any such liability as might be ascertained. That the then Controller, Mr. Morrow, informed your petitioner that the accounts of William C. Moreland for

the term for which your petitioner was surety had been audited and settled in full, and were all right. Relying upon these statements, and knowing nothing to the contrary, your petitioner did nothing to secure the settlement of said accounts, or to obtain security for said William C. Moreland against his liability on his said bond which he then could have done, but which it is now impossible to obtain. That under the Ordinances of the City of Pittsburgh enacted in pursuance of the Acts of Assembly of the State of Pennsylvania establishing the office of Controller of said city, it was provided, among other things, that the City Controller should have supervision and control of the fiscal concerns of all officers of the city who shall collect, receive or disburse the public moneys, or who are charged with the management or custody thereof, and may at any time require from any and all of them an account in writing of any and all moneys belonging to the said city in their hands, or under their control, and he shall immediately upon the discovery of any default or delinquency report same to Councils. And under the Ordinances it was further provided that the said City Controller should prescribe the form and manner in which all accounts and account books of the several city officers should be kept and the form in which their official reports should be made to establish uniformity therein, and that he should examine the books and accounts of said officers at least once each year and oftener if necessary and see that they were properly kept and secured from loss or accident, and it was further provided that he should have the custody of all official bonds given by the city officers, and in support of these obligations, your petitioner refers your Honorable Bodies to Sections 3, 6 and 15, under the title "City Controller" in Thompson's Digest of the Laws and Ordinances relating to the City of Pittsburgh, edition of 1897.

Your petitioner says that the City Controller did none of these things, and especially that he did not audit the accounts of the said William C. Moreland once a year, nor did he audit them at the end of the official term ending February 1, 1892, but on the contrary thereof did represent to your petitioner that he had examined and audited and settled these accounts, and that they were all right.

And your petitioner further represents that it was the duty of the City of Pittsburgh, as it is the duty of any person, or corporation holding a bond upon which they are sureties, to give the surety prompt notice upon the discovery of any default or defalcation upon said bond, but your petitioner avers that the auditing department of the City of Pittsburgh or its auditors appointed by it, had discovered the defalcations and defaults, under the bond of William C. Moreland, during the term expiring February 1, 1892, several years before any notice was given to your petitioner thereof, and in fact your petitioner had no notice whatever of such defaults, or of any claim made under said bond against your petitioner, until the bringing of an action by the City of Pittsburgh against your petitioner and his co-surety in February, 1897, in the Court of Common Pleas No. 1 of Allegheny County, at No. 482 March Term, 1897, and before suit had been brought as aforesaid against your petitioner, his co-surety William Vankirk and the said principal, William C. Moreland, had become utterly insolvent, so that the entire liability upon said bond, if any, was thus cast upon your petitioner without any opportunity on his part to secure or protect himself in any manner.

And your petitioner further says that at No. 482 March Term, 1897, aforesaid, he filed his affidavit of defense substantially averring as a defense the matters hereinbefore recited, and made offer to prove the same upon the trial of said case, but the court being of the opinion that no matter how great the hardship might be upon your petitioner, he could not legally set up the said matters in defense, overruled the offer of your petitioner to make such proof, and your petitioner being without defense judgment was rendered against him and his co-surety and principal in the said action for the sum of \$10,000, the penalty of said bond, and your petitioner annexes hereto a copy of the testimony and the offers of the testimony taken at the said trial so that your Honorable Bodies may be fully informed that the facts are as hereinbefore recited.

And your petitioner further says that under the advice of counsel, after judgment was rendered in said action, he took his appeal to the Supreme Court of Pennsylvania, in order to test and determine whether or not a good and valid defense existed in his favor by reason of said recited facts which said appeal is yet pending and undetermined.

Your petitioner further says that he believes that said defense is good in law, but that he prefers, if possible, to make a compromise with the City of Pittsburgh as to his liability. That in view of the fact that the question as to whether or not your petitioner is liable at all under his bond is extremely doubtful, and especially in view of the fact that whatever liability rests upon him is by reason of the negligence and failure on the part of the lawfully constituted officers of the City of Pittsburgh to perform their duties, your petitioner prays your Honorable Bodies to pass An Ordinance to authorize the City Attorney to satisfy said judgment above referred to as your petitioner upon his paying one-half of the said judgment, with costs of said suit. And he will ever pray, etc.

EMIL WINTER.

Which was read, received and filed.

Also.

C. C. No. 93. Resolved, By the Select and Common Councils of the City of Pittsburgh, That the City Attorney be and he is hereby authorized and instructed, upon the payment of five thousand (5,000) dollars, to enter satisfaction of record in full settlement of the claim of the City of Pittsburgh against Emil Winter, at No. 482 March Term, 1897, Court of Common Pleas No. 1, Allegheny County, Pa., in the suit of the said city against the said Emil Winter, as bondsman of the late City Attorney W. C. Moreland.

BUSINESS FROM SELECT COUNCIL.

S. C. No. 163.

PITTSBURGH, April 30, 1900.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—Your Honorable Councils, by an ordinance approved the 24th day of March,

1900, recorded in Ordinance Book 13, page 136, authorized and empowered the Director of the Department of Public Safety to purchase two lots of ground in the Second ward of the city of Pittsburgh, fronting on First and Second avenues, respectively, for use and purposes of the Bureau of Fire. Said lots or pieces of ground, therein described, were purchased in accordance with said ordinance, and in the examination of title some apparent defect occurring back in 1850 was discovered, the nature and character of which is more specifically set out in a letter of Clarence Burleigh, Esq., City Attorney, dated April 23, 1900, addressed to the Hon. Joseph E. Lewis, City Controller; a copy of said letter is hereto attached and made part of this communication.

In view of this apparent defect of title the said Joseph E. Lewis, City Controller, thought it expedient and best to introduce a proposition to you under an ordinance in the nature of a remedial ordinance, specifically directing the city to take said title. The said letter of the City Attorney specifically states that under all of the circumstances the city would acquire a perfect title to the ground, notwithstanding the break, or apparent break, in the chain of title, as is disclosed by record.

Plans and specifications have been prepared and are ready to submit to your honorable bodies for buildings on this said property, and I would respectfully join with the City Attorney and City Controller in the request that your honorable bodies pass the remedial legislation, so that this property may be acquired for the purposes stated in the original ordinance aforesaid.

Respectfully submitted,

J. O. BROWN,

(Copy.)

April 23, 1900.

JOSEPH E. LEWIS, Esq.,

City Controller, City.

DEAR SIR:—Replying to yours of April 21, 1900, in re title to certain real estate on Second avenue and First avenue, in the city of Pittsburgh, about to be purchased for the use of the Bureau of Fire, allow me to say:

The report to you, already made in writing by James C. Gray, Assistant City Attorney, gives full and specific information as to the title in this case. While it is true, as stated in said report, and also in your letter, that there is an outstanding title, occasioned by reason of the deed of trust from Wm. M. Lyon to the firm of Lyon, Shorb & Co., yet it is also true, as stated in Mr. Gray's report, that the present owners of the ground claim to have actual possession of the property for more than 21 years, and under such circumstances as gives them a perfect title to the ground, notwithstanding the break in the chain of title as disclosed by the record.

If said owners—those who are about to make title to the city—have had such possession for over 21 years, it makes a good and valid title to the property in question.

This is a question of fact, to be determined by the evidence if a contest is ever made, and as an indemnity against the expenses of such contest, and also against the defeat of the city in court, you have the bond of Joshua Rhodes in the sum of \$100,000, and in addition to the general warranty of the present owners, the National Tube Company.

This is all the information in regard to the title we can give you, and it now becomes your duty to decide whether you will accept

the deed and pay the purchase money therefor.

Yours respectfully,

CLARENCE BURLEIGH,
City Attorney.

In Select Council May 14, 1900. Read, received and filed.

Mr. **Bigham** presented

No. 280. WHEREAS, By an Ordinance approved May 15th, 1899, the consent of the City of Pittsburgh was granted to the Sycamore Street Railway Company to construct a line of street railway within the City of Pittsburgh; and

WHEREAS, The said company is by law required to commence the construction of its road within one year from the said date, and to have the same completed within two years from said date, unless the time shall be extended by Councils; and

WHEREAS, Proceedings are pending in the Court of Common Pleas of Dauphin county to revoke the charter of the said company and thereby prevent the building of the said road, and the said company is desirous of having the time for the building of the said road extended so that it may not be required to build the same until the litigation shall be ended; now, therefore, be it

Resolved, That the date for commencing the construction of the railway of the Sycamore Street Railway Company be and is hereby extended to May 15th, 1901, and the date

for the completion of said road be extended to the 15th day of May, 1902.

S. C. No. 220.

OFFICE OF
DEPARTMENT OF PUBLIC WORKS,
PITTSBURGH, May 14, 1900. }

To the Presidents and Members of Select and Common Councils.

GENTLEMEN:—On May 13, 1897, a contract was made by the City of Pittsburgh with Jonathan Clark Sons & Co., of Chicago, Ill., for the construction of a reservoir in Highland Park, amounting to about \$425,000.00. After repeated notices from me to complete their contract, and they having practically abandoned their work, I was compelled to give them notice to cease all work, and that I would complete the same under the authority vested in me by the terms and conditions of the contract.

This contract was made and security given for its faithful performance under the laws and ordinances of the city in force at the time the contract was let. Since that time an ordinance has been passed by your honorable bodies changing the tribunal for the final decision of all questions or disputes arising under the contract, from the Director of Public Works to the Mayor of the city.

I have been advised by the City Attorney, Clarence Burleigh, Esq., and by my personal counsel, D. T. Watson, Esq., that unless Councils repeal this ordinance so far as it is applicable to the Jonathan Clark Sons & Co. contract, their sureties will be relieved and discharged from any further liability. The bond given by them is for the sum of \$500,000.00, with proper sureties, and by which the city is fully protected for the completion of the contract.

I herewith submit an ordinance drawn by the City Attorney, and I would respectfully request that it receive your favorable consideration.

Very respectfully,

EDWARD M. BIGELOW,

Director of Department of Public Works.

Which was received and filed.

The City Attorney being present was asked to give his opinion on the bill.

The City Attorney (Clarence Burleigh) said:

GENTLEMEN:—In my judgment this bill ought to pass as amended. The City of Pittsburgh looks to the Trust Company, surety of the Clark Company, for the completion of the reservoir.

He said that a suit against the city by the Clark Company is threatened in the United States court. The city also will likely sue the Clark Company for failing to carry out the contract. Director Bigelow has annulled the contract with the Clark Company, and to prevent the sureties from being relieved of their liability the contract must be relet under the same conditions as the former contract was made. The city could then hold the surety for the difference between what the work cost the city and the amount it should have cost had the contract been carried out as originally made.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

C. C. No. 72. Joint Resolution authorizing the Director of the Department of Public Works to employ an engineer in the Department of Public Works.

Resolved, By the Select and Common Councils, that the Director of the Department of Public Works be and is hereby authorized and empowered to employ an engineer in the Department of Public Works at a salary not to exceed four thousand dollars (\$4,000.00) per annum; and be it further

Resolved, That that portion of Section 31 of an Ordinance entitled "An Ordinance to carry into effect an Act of Assembly entitled 'An Act in relation to the government of cities of the second class,' approved June 14th, 1887, establishing the Department of Public Safety, Public Works, Charities, Awards and of Law; creating and fixing bureaus and the titles thereof, and subordinate offices and officers, prescribing the number of officers in the various departments and bureaus, the mode of their election and appointment, defining the duties and powers of all such, fixing the amount of bonds to be given, allotting the various bureaus and other officers to the proper departments, fixing salaries and compensation to be paid, defining the duties of the Board of Assessors, fixing the salaries thereof, and that of the City Clerks," ap-

proved December 17th, 1887, which requires that all employees shall have resided in the city at least six months prior to their appointment, shall be and the same is hereby revoked so far as it relates to the appointment of the engineer hereinbefore mentioned.

Which was read.

Mr. Bigham moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the resolution was read a second time.

Mr. W. A. Magee moved

To amend the resolution by striking out the second clause of the resolution, which relates to the revoking of part of Section 31 of the Charter Ordinance which requires that all employees shall have resided in the city at least six months prior to their appointment.

Which motion prevailed.

And the resolution as read a second time and amended was agreed to.

And the resolution was read a third time and finally passed by the following vote:

C. C. No. 136. Resolution approving contract awarded to Wolfe, Walker & Co., by the Department of Public Works, for the furnishing of brooms and brushes.

Which was read.

And the rule having been suspended the resolution was read a second time.

Mr. Bigham moved

That further action upon the resolution be indefinitely postponed.

(Stating that the Improved Street Sweeper Company claimed and seemed to be the lowest bidder on street brooms, and that there was a representative of that company here and asked the unanimous consent of Council that he might have the floor.

Which was granted.

At this time the Chair presented.

No. 405.

PITTSBURGH, PA., May 28, 1900.

To the President and Honorable Members of Common Councils of Pittsburgh, Pa.:

GENTLEMEN:—We wish to call your attention to the fact that notwithstanding that we are the lowest bidders on nearly all items in contract prices bid for furnishing brooms to the city, it has been recommended that the

entire contract (with one exception) be awarded to the Wolfe, Walker Co.

We do not think we are getting justice in this matter. We made our bid in good faith and furnished the necessary bond for faithful performance of contract, and yet we are turned down in favor of a higher bidder and without reasonable cause.

A peculiar feature of the case is that we were awarded contract for one item of brooms and upon investigation we find that it is for a class of brooms that are seldom, if ever, used by the city.

Director Bigelow, in his recommendation, states that the brooms now being furnished by Wolfe, Walker & Co. are satisfactory. We will furnish an exact duplicate of the brooms now used by the city and also use the same quality of material in refilling the machine sweeper brooms.

It has been understood by some that our company was a Chicago firm. This is incorrect. This company is incorporated under the State laws of Pennsylvania, and all stockholders are residents of Allegheny County and our only office is in Pittsburgh, Pa.

We, therefore, appeal to your honorable body to see that justice is done in this matter. There is no valid reason why we should not be awarded the contract. We respectfully ask for a hearing in the matter.

Yours truly.

Improved Street Sweeper Co.

Jos. C. KANE,

Secretary.

Which was read, received and filed.

Mr. Jos. C. Kane took the floor and stated that their firm had bid on the street brooms and that their bid was much under that of the firm of Wolfe, Walker & Company, and asked that they be given justice in the matter.

On motion the Chair directed the Clerk to notify Mr. Bigelow that Council would like to hear him in the matter.

And the Clerk so notified Mr. Bigelow.

And Mr. Bigelow appeared before Council and stated that it was not a matter of cheap brooms but a matter of the best, and he believed that the award made was for the best interest of the city.

And on the motion to indefinitely postpone, Mr. Bigham demanded a call of the ayes and noes and the demand not being sustained the motion was put and lost.

And the resolution was read a third time and finally passed by the following vote:

AYES—Messrs.

S. C. No. 210.

PITTSBURGH, May 14, 1900.

To Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—The contract attached hereto for a new self-propelling engine is a new addition to the apparatus department of the bureau of fire. I have given much time and attention to the merits of this style of a propelling engine, and believe that at large fires in the down town district it will be of great service to the bureau of fire.

For your further information I attach hereto, and make part of this communication, its approval by the Board of Fire Underwriters of the city of Pittsburgh, endorsing and urging that the city secure an engine of this type at an early date. I, therefore, urge upon your honorable bodies to approve the contract hereto attached.

Very truly yours,

J. O. BROWN,

Director Department of Public Safety.

BOARD OF FIRE UNDERWRITERS,
PITTSBURGH, May 2, 1900. }

J. O. BROWN, Esq.,

Director of Department Public Safety,
Pittsburgh, Pa.

DEAR SIR:—We believe the new self-propelling engine with its increased power to throw great volumes of water will prove of great service in protecting property and subduing conflagrations. The severe test given the new engine in Boston proves their great efficiency. We are glad to know that you propose to add one of these new and powerful engines to the Fire Department in our city: and used in connection with the new water tower which you have already ordered, your firemen will be able to give protection to the occupants of the upper floors of our modern sky-scrapers, which under previous and present conditions seems almost impossible. In our judgment the new self-propelling engine will be far more useful than two fire boats in our harbor. The only thing we fear is that with the present small water mains, and limited pressure below Grant street, the best results would not be obtained from the new

engine. Our Board of Fire Underwriters through its committee have had numerous interviews with the Director of Public Works on this subject, as well as that of additional fire plugs in the lower or congested part of the city, but have never realized results from the many and repeated promises. If the 26-inch water main now laid as far west as Brady street could be extended to the Court House it would be of great value when a strong pressure is necessary, as in the case of a big fire. We venture to hope that the wise men in Council will some day soon see the propriety of changing the present plan so that the fire plugs and water mains in the lower portion of the city at least shall be placed under the control of the department charged with the protection from the waste of fire of the large buildings and their contents of great value. If such were the case the responsibility for great losses would be more definitely fixed and the blame, if any, be placed.

We take this opportunity to express the thanks of the Board of Fire Underwriters for the disposition you have always shown to comply with the requests we have made of you as Director of Department of Public Safety. The splendid additions you have and are making to the Fire Department will add greatly to the present equipment of the very excellent department.

Yours truly,

WM. P. HERBERT,

Vice President and Chairman of Committee,
In Select Council June 4 1900. Read, received and filed.

Which was received and filed.
S. C. No. 211.

McCandless, President.

Absent—Mr. Magee, W. A.

On motion of Mr. Leslie the reading of the minutes of the previous meeting was dispensed with.

The Chair requested that all persons retire not having privilege of the floor of Council.

Mr. Siebert asked if privilege of the floor was not given to ex-members of Councils.

The Chair read Section 4 of Rule 1 of the rules of Councils, as follows: "No person shall be admitted to the floor of Councils but the members, officers of Councils, the Mayor, City Controller, heads of departments, reporters of the press and persons assigned to duty by the President."

Mr. Siebert moved

That privilege of the floor be granted to ex-members of Councils.

Which motion prevailed.

Mr. Leslie presented

No. 419. An Ordinance authorizing the construction of a sewer on Gardners

alley, Forty-fourth street and Sherman street, from Forty-fifth street to School alley.

Which was referred to the Committee on Public Works.

Also

No. 420. Resolved, That the Mayor be and he is hereby requested to return to Common Council, without action thereon, for further consideration, S. C. No 182.

Resolved, That the contract entered into on May 14th, 1900, by and between F. J. Osterling, architect, and the City of Pittsburgh, by and through George W. Wilson, Director of Department of Charities, shall be and the same is hereby approved.

Which was read.

Mr. Leslie moved

A suspension of the rule that the resolution may be considered.

Which motion prevailed.

Mr. Leslie moved

That the resolution be adopted.

Which motion prevailed.

Also

C. C. No. 421. Resolved, That the Mayor be and he is hereby requested to return to Common Council, without action thereon, for further consideration, S. C. No. 214.

Resolved, That the Articles of agreement entered into by and between Fred J. Osterling, of the City of Pittsburgh, and the City of Pittsburgh, by and through J. O. Brown, Director Department of Public Safety, dated May 12th, A. D. 1900, for architectural services, which articles of agreement are hereto attached, shall be and the same is hereby approved, accepted and assumed by the City of Pittsburgh.

Which was read.

Mr. Leslie moved

A suspension of the rule that the resolution may be considered,

Which motion prevailed.

Mr. Leslie moved

That the resolution be adopted.

Which motion prevailed.

Mr. Wightman presented

No. 422. An ordinance authorizing the construction of a sewer on Bryson street and through the private properties of A. H. Burchfield, Wm. Heyl et al. and Alex. Murdock, from 700 feet east of Wightman street to

a connection with present sewer 310 feet west of Wightman street.

Which was referred to the Committee on Public Works.

Mr. Stonerod presented

No. 423. An Ordinance authorizing the grading, paving and curbing of Euclid street, from Penn avenue southwardly to Mellon's plan of Baum Grove property.

Which was referred to the Committee on Public Works

Mr. Bigham presented

No. 424. *Resolved*, That the City Controller be and he is hereby authorized and directed to issue his certificate on the Mayor for a warrant in favor of E. J. Donnelly for one hundred and twenty-six 40-100 dollars (\$126.40) for stenographic services rendered committee appointed to inquire into accounts of the Bureau of Highways and Sewers, and charge the same to Appropriation No. 42, Finance.

Which was referred to the Committee on Finance

Also

No. 425. Communication from the Director of Department of Public Works transmitting sundry contracts for approval.

Which was read, received and filed.

Also

No. 426. Resolution approving contract awarded to Clement Niggel by the Department of Public Works for furnishing and delivering stone monuments (200, more or less) at the rate of \$2.44 each.

Which was referred to the Committee on Public Works.

Also

No. 427. Resolution approving contract awarded to J. G. Weir & Son by the Department of Public Works for furnishing dirt wagons (4, more or less) for Highland Park, for the sum of \$123.00 each.

Also

No. 428. Resolution approving contract awarded to E. A. Brill & Co. by the Department of Public Works for furnishing one top buggy for Highland Park, for the sum of \$170.00.

Which were referred to the Committee on Parks.

Also

No. 429. *Resolved*, That the agreement entered into, made and concluded by and between the Allegheny County Light Company, of the City of Pittsburgh, and Edward M. Bigelow, Director of the Department of Public Works, for lighting the South side market house, first floor, for a period of one year from April 1, 1900, which agreement is hereby attached, shall be and the same is hereby approved, accepted and assumed by the City of Pittsburgh.

Which was referred to the Committee on Public Works.

The Clerk of Select Council having been introduced announced that that body had passed the following resolution:

S. C. No. 267. *Resolved*, That Common Council of the City of Pittsburgh is hereby requested to forthwith meet with Select Council of the City of Pittsburgh in joint-session for the purpose of considering, acting upon and deciding the resolution heretofore offered, to wit:

Resolved That Edward M. Bigelow be and he is hereby removed from the office of Director of the Department of Public Works of the City of Pittsburgh, and the said office of Director of the Department of Public Works is hereby declared to be now vacant.

Which was read.

Mr. W. A. Magee, Jr., presented

No. 430. *Resolved*, That Common Council meet with Select Council forthwith, for the purpose of considering a resolution introduced in Select Council providing for the removal of Edward M. Bigelow from the office of Director of the Department of Public Works, and providing for declaring said office of Director of the Department of Public Works vacant.

Which was read.

Mr. W. A. Magee, Jr., moved

The adoption of the resolution.

Mr. Douglass arose to a point of order.

Mr. DOUGLAS—I rise to a point of order. The motion presented to-day by the member from the Twenty-third ward is not in accordance with Rule 8 in regard to joint sessions, as follows:

RULE VIII.

JOINT SESSION.

Section 1.

Councils may, on motion made and carried in both branches, meet in joint session, for debate and action on any ordinance or resolution pending in either branch. In such joint session a vote by Council may be called for by any seven members, in which case the concurrent affirmative vote of both branches shall be necessary for the passage of any motion, resolution or ordinance.

Now, Mr. President, when an ordinance or resolution is presented it must be referred to a committee, and consequently this resolution is not in order in conferring with Select Council on the matter.

PRESIDENT McCANDLESS—I only know that Select Council is ready for joint session, from the statement of its Clerk, and rule that it is in order.

Mr. DOUGLAS—Do you know when the resolution was presented and when adopted?

The CHAIR—I don't know that.

Mr. DOUGLAS—Could it not be found out?

The CHAIR—I rule that the joint session is in order.

Mr. DOUGLAS—I appeal from the decision of the Chair.

The appeal having been sustained, **Mr. MCNEIL**, of the Twenty-first ward, seconding, **PRESIDENT McCANDLESS** called **Mr. LESLIE** to the Chair.

Mr. LESLIE—The contention is that we cannot hold a joint session on a resolution not offered prior to the meeting now being held, the question being on sustaining the Chair, and I will put the question.

Mr. DOUGLAS—Mr. Chairman, my contention in regard to this matter is based not on my own opinion or on a forced impression of any parliamentary law, but on the reading of the rules adopted for the guidance of this Council: "All ordinances for the appropriation of money or for entering into a contract whereby the city may be liable for money, shall be read in three different meetings of Council, unless by a three-quarters vote of the members present." In connection with that I want to read from Rule IV., Section 3, page 37:

RULE IV.

Section 3. No ordinance shall be passed except by bill, and no bill shall be so altered or amended on its passage as to change its original purpose.

No bill shall be considered unless referred to a committee, returned therefrom and printed for the use of the members, and when a bill is returned from committee with a negative recommendation, said bill shall be printed only upon order of either branch of Councils.

No bill shall be passed containing more than one subject, which shall be clearly expressed in its title.

Now, gentlemen, here is a resolution, and it is not necessary for me to enter into an extended discussion of it. It was not intended to have any other meeting of this or the Select branch, and I say to you that this is wrong, illegal, and that it cannot be tested by this disregard of the rules you have adopted to control and guide you in the conduct of city business in this branch.

Taking this latter rule in connection with the other rule, it shall be referred to a committee. You can refer it to a committee today, but to come in here and ask a body of reasonable, intelligent men, men looked up to, from the least to the greatest, by the citizens of Pittsburgh, to come in here and stultify themselves by voting for a resolution which is wrong on its face, I leave it to your calm judgment that if you will take the trouble to read the rules I have read you will agree with me that this resolution, as presented by the gentleman from the Twenty-third ward, is out of order.

PRESIDENT MCCANDLESS—In the first sections read it is very plain as to what is the duty of Councils in a resolution of this character. On page 42, Rule VIII, Section 1, "Councils may, on motion made and carried in both branches, meet in joint session, for debate and action on any ordinance or resolution pending in either branch."

Now, since we have this message from Select Council that this resolution is in Select Council and pending, it is a question of the highest privilege that when a message of that character comes from either branch, that it would be nothing but right and courteous that we should accede to their request. In regard to Rule IV., Section 3, on page 37, this resolution, I claim, does not come under the construction of that clause at all. It has nothing to do with it.

The CHAIR (Mr. Leslie) put the question:—"Shall the ruling of the Chair be sustained?"

And the Chair was sustained by the following vote:

AYES—Messrs.

Anderson	Jones	Schwarzwaelder
Armstrong	Kramer	Sheehan
Bigham	Leslie	Sparr
Crawford, J. L.	Lewis	Splane
Culbertson	Magee, W. A. Jr.	Stockdale
Delaney	Mierzwa	Stonerod
Donley	Moore	Sweeney
Douthett	McLain	Vaux
Hedderich	Rodgers	Wellinger
Hogue	Rusch	Zollinger

NOES—Messrs.

Beckert	Hughes	Sterrett
Cavett	Jack	Walls
Crawford, C. S.	Lang	Wightman

Dieterle	McNeil	Zacharias
Douglas	Siebert	Zeuger
Dubarry		

AYES—30.

NOES—16.

Mr. DOUGLAS—I rise to a point of order. This is not according to the regular stated order of business for this meeting (Rule II., Section 2).

PRESIDENT MCCANDLESS—The Chair is the representative of this Council.

Mr. DOUGLAS—It has not been raised.

The CHAIR—It has been ruled and I so rule.

Mr. DOUGLAS—What parliamentary authority have you?

The CHAIR—You have raised the question. I stated the point of order that this is not the wrong order of business. We have a message from the other branch of Councils requesting us to meet with them in joint session, and I hold it is right that we should. Does anybody raise the question?

Mr. DOUGLAS—You are raising the question.

The CHAIR—The Chair rules that the gentleman is out of order. The question now is as to the adoption of the resolution.

The Chair putting the question, the motion prevailed and the resolution was adopted.

And the Clerk was directed to notify Select Council that Common Council was now ready to meet with that body in joint session, for the purpose of considering the resolution introduced in Select Council, providing for the removal of Edward M. Bigelow from the office of Director of the Department of Public Works and providing for declaring said office of Director of the Department of Public Works vacant.

Which was done.

Mr. Bigham presented

No. 431.

To Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—Your Committee on Finance respectfully transmit herewith the report of the sub-committee, appointed by it under C. C. Resolution No. 39, passed by your body April 9, 1900, directing an investigation of the accounts of the Bureau of Highways and Sewers, together with the accompanying schedules, and the testimony taken by them, and they respectfully recommend that the report and schedules, together with the testimony taken by the sub-committee, be sent to the City Attorney, with direction to take such action in the premises as in his judgment the interest of the city demands.

Respectfully submitted,

Attest: K. Q. BIGHAM.

J. E. LEWIS,

Chairman.

Clerk.

Which was read, received and filed.

No. 432.

REPORT OF THE SUB-COMMITTEE APPOINTED TO INVESTIGATE THE ACCOUNTS OF THE BUREAU OF HIGHWAYS AND SEWERS.

Your sub-committee reports as follows:

That immediately upon their appointment, on March 7, 1900, the undersigned members organized and began the inquiry into the accounts of the Bureau of Highways and Sewers,

with reference to the peculations of Samuel T. Paisley, superintendent of said bureau, in the public funds, and the inquiry has been prosecuted daily since, and with the greatest expedition possible consistent with thoroughness and accuracy.

Your committee, at the outset, ventures to call your attention to the apparent fact that it has labored under the greatest difficulties and obstacles. Beyond the general statement of the Director of the Department of Public Works, made on March 9th, 1900 (see copy attached hereto and marked Exhibit B), the committee has received no extraneous aid whatever. Practically the whole amount of the fraudulent transactions reported herewith have been discovered by F. A. Kimball, City Auditor, and Joseph E. Lewis, City Controller, working under the direction of the committee, and the committee desires, at this place, to testify to the painstaking and conscientious efforts of Messrs. Kimball and Lewis in that behalf.

The committee hoped, in the early stages of its deliberations, to receive assistance and information from the Department of Public Works, and outside sources, and particularly from the persons who assisted said S. T. Paisley in the matters above named, but, unfortunately for this view of the matter, the press at that time published articles asserting the criminal liability of all parties having in any manner participated in said transactions, or even having any knowledge of same; and immediately thereafter the committee learned that that source of information was closed thenceforth. The committee, thrown back upon its own resources, was then compelled to formulate a theory, from the scant knowledge of the methods pursued by said S. T. Paisley, in order that it might work intelligently, and, groping in the dark, as it were, with little or no assistance, but always hoping to receive some information from the persons who were disinclined to testify, it was not able to take the public into its confidence, and was compelled to conduct its investigations behind closed doors.

From the very necessity of the case the committee was unable to state its reasons for this action, and while much criticism was aroused from the unthinking and the prejudiced, the committee followed the usual course of all investigating bodies under the same circumstances, by disregarding its critics, the members relying upon their belief that the result of their investigations would fully justify such a course, in which belief they were reassured from day to day as the work progressed.

From the little information available it was discovered very soon that the methods of said S. T. Paisley in abstracting the public moneys were exceedingly simple. At the end of each month he added to the payroll in his office, with the connivance and assistance of certain of his employees, the names of certain existing persons, who were at the time, or formerly, employed by the city, in his bureau, or else the names of fictitious persons, commonly called "dummies," with the amounts alleged to be due. The payroll so made up was sworn to by himself and the Director of the Department, and delivered to the Controller. He received a warrant for each of the names so added, for the amount set opposite the respective names, which warrants he presented and had cashed, either at the City Treasury or at some bank or place of business, sometimes endorsing the name of the payee "per S. T. Paisley," and sometimes

forging the name of the payee, either by disguising his writing or, in many cases, without attempting any concealment whatever.

The whole process, plainly, was so simple, so crude, so easy of discovery and used so often (nearly one thousand times), that it is apparent that the slightest supervision would have detected the practice at any time during the twelve years of its continuance.

On March 9, 1900, the Director of the Department of Public Works furnished the following written statement to the committee, without dates or other specific details, viz:

"James Roberts.....	\$1,234 52
"James Jones.....	424 50
"William Smith	731 26
"William Hill.....	1,307 26
"Joseph Brown.....	1,545 75
"Samuel Taylor.....	852 01
"— Wagener, Erb & Bruehlhide	348 75
"Charles Kelly and John Blair	1,663 50

And informed the committee that all of the above, except Joseph Brown, James Roberts, Wagener, Erb and Bruehlhide were fictitious persons, and that Joseph Brown was said S. T. Paisley's coachman, and James Roberts was his butler, and the other names were the names of city carpenters, who had built a stable for the private use of said S. T. Paisley; that the amounts set opposite their names had been fraudulently taken from the city treasury by said S. T. Paisley, on the false pretense that said sums had been earned by the persons named in the service of the city as employees in said bureau.

The committee, believing that investigation would develop more names, and details, determined to call in all the foremen and time-keepers, which was done from day to day, after some delay. Each person so called was asked to identify all the names of his own district on the payroll, from the date of the beginning of his employment down until March 1st, 1900. All unidentified names being noted, a reference to the warrants issued in such names became necessary to discover what endorsements appeared on the warrants and to trace the proceeds thereof.

This work being necessarily slow and tedious, consumed from March 16th to March 26th, 1900, the time from March 26, 1900, to May 28, 1900, was spent in going over and sorting out and examining the warrants required, some 250,000 being handled for the purpose.

During the progress of this work it gradually was perceived that the system followed by S. T. Paisley was as above described, and that the proper course to follow to make the audit thorough and complete was to examine the endorsement of every warrant issued in the bureau from March, 1888, the date of said S. T. Paisley's appointment as superintendent, down to March, 1900, the date of his resignation, and all the warrants issued to employees and team contractors in the third district (the East End district), from 1887 until 1898, during which time he had charge of said district; also for all the warrants during the time last named, for work done in Highland Park, of which he then had charge.

The results were startling, but bore out the results of the committee. Documentary evidence was discovered, which, unless explained away, showed a fraudulent misappropriation of \$52,879.33. Out of about 80,000 warrants issued for said bureau it was revealed that said S. T. Paisley had endorsed about 1,000 warrants during the twelve years investi-

gated, using the names of about two hundred persons, some existing, some fictitious, some teamsters, for large sums, but most laborers, for smaller amounts.

The result was then tabulated with the greatest dispatch, and appear in the alphabetical list returned herewith, covering ninety-eight typewritten pages, and showing a total of the amount misappropriated of \$52,913.33.

The committee, recognizing perhaps some of the items contained in this statement might be shown to have been paid over to the persons in whose names the warrants were issued, immediately called upon the parties concerned and certain employees of the department for their testimony. This was met by a ready response on the part of all who could be found, with the exception of the Director of the Department. The great majority of the witnesses desired were the persons who were named as payees in the warrants endorsed by said S. T. Paisley, as above described. The result of a diligent search was, that most of the persons desired could not be located.

Out of about one hundred names of payees sought for but five were produced. The committee held nightly sessions in the Controller's office, from May 28 till June 6, 1906. A stenographer was employed, whose notes of testimony taken at said meetings. The committee desires to be considered as a part of this report and returns the same herewith.

The items reported by the Director of the Department (see Exhibit B) aggregate \$8,107.55. This should be charged against the department as an admitted amount. The work of the Auditor shows the total sums reported to be approximately correct, and it is therefore reported at the Director's own figures. The payroll for the Pike street fire, reported by the Director as wholly fraudulent, amounts to \$1,066.12.

The committee received evidence proving satisfactorily that the sum of sixty-six dollars (\$66) was actually paid by said S. T. Paisley to certain persons for amounts actually earned by the payees named in the warrants, and in addition it was testified that a further sum of between six hundred and seven hundred dollars was paid by said S. T. Paisley to certain persons, whose names are unidentified, but who actually rendered service to the city, but the latter sum being so indefinite in amount, and the testimony being so vague as to the persons to whom it was distributed, the committee does not deem it proper to allow any credit for it, until the pay roll, said to have been receipted at that time, be produced, and the credits definitely shown. The following amounts paid for hauling, viz:

John Dickson,	
From March 5, 1887, to October 7, 1889	\$ 5,174 89
William Glew,	
From August 5, 1887, to March 22, 1893	14,353 00
George L. Peabody,	
From May 3, 1890, to March 22, 1893	6,079 88
And Fred Vallowe, for rent.	20 25
Aggregating	\$26,228 02

are shown to be wholly fraudulent.

Every one of the warrants, the amounts for which aggregate the above sums, were endorsed and cashed by said S. T. Paisley. The

persons above named all appeared and testified that said S. T. Paisley never paid said amounts to them and that the city was not indebted to them in said sums. The remaining items shown on said alphabetical list have not been accounted for, and in the absence of satisfactory proof or a proper charge against the department. All these warrants were endorsed and cashed by said S. T. Paisley, and the money, having thus been traced into his hands, and no evidence having been received that he paid it out, nor that the sums named therein were due from the city, the committee charges him with the full sum.

Thus the matter stands as follows, viz:

Director's list	\$ 8,107 55
Pike street pay roll	\$1,066 12
Credit	66 00 1,030 12
Hauling, etc.	26,228 02
Other items	17,548 21 \$52,913 93

Accompanying this report, and the notes of testimony, will be found, as above stated, a detailed schedule in alphabetical form, showing names of payees, warrant number, date of payment and amount of each of these fraudulent vouchers.

The investigation, so far as made, has been limited to the payrolls, and did not extend to the supply and material accounts, as to have covered the whole field would involve a large amount of time and labor, and prolong indefinitely the work of the committee.

This sub-committee, as will readily be perceived from the resolution authorizing it (a copy of which is attached, see Exhibit C), is directed to investigate the accounts of the Bureau, for the conduct of which the Director is responsible, and it is not called upon to prosecute anybody, but feels that it is right and proper to report the degree of culpability attaching to each of the parties implicated, for the information and guidance of Councils and the proper officers in determining what further steps should be taken.

S. T. Paisley is shown, beyond a doubt, to have caused a number of fictitious names to be placed upon the time books, to have received the warrants issued, endorsed the same and had them cashed; also, to have forged the name of Wm. Glew, and other living persons, by writing their names across the back of warrants made to their order, and obtained the proceeds.

Albert Crawford was time-keeper and general foreman of the third district. He seems to have carried on the time books of the district, during all these years, the various fictitious names and the private servants employed by Paisley, and falsified the time of the teams. The instances of his misconduct are so numerous as to preclude recital, but are shown by the notes on the alphabetical list.

R. H. Negley, Jr., as clerk in the third district, seems to have entered on the time books, in 1892 and 1893, a number of the supposed fictitious names, including George Barber, P. Conroy, Geo. Grant, Jas. Hopkins, Robt. McNally, R. Rumbaugh, Ed. Schriber, Sam'l. Stewart et al. When called before the committee he professed to be unable to recognize his own handwriting, and made an exceedingly unfavorable impression.

John S. Gillespie, as time-keeper and superintendent of the first district, carried the names of John Blair and Charles Kelly, fictitious persons, upon his time-rolls, receiving from Paisley each month a statement of the time to be allowed them.

John H. Pender, time-keeper in the first district, also carried the names of John Blair and Charles Kelly on his time books, under instructions from Gillespie, and made up false time books for the Pike street fire, under Paisley's instructions, and swore to the payroll.

It does not appear, however, so far as your committee can ascertain, that any of these subordinates profited in any way by these frauds, and your committee believes that none of them had any dishonest intent, but simply acted as directed by Paisley, without a proper realization of what they were doing.

In regard to E. M. Bigelow, Director of the Department of Public Works, the committee reports as follows:

By virtue of the resolution creating it, the committee called upon the Director, at the beginning of its deliberations, for his assistance and all the information in his possession. Beyond appearing at the first and second meetings, and making a general statement of the subject matter under investigation, he furnished the committee no assistance or information whatever. He did not enter into any detail in his explanation, nor did he allow the information given to be put into written form. He stated that he had received an anonymous communication several months previous to the month of March, 1900, notifying him that said S. T. Paisley was carrying the names of fictitious persons upon the payroll of said Bureau, to which communication he paid no attention; that on Saturday morning, March 3, 1900, he received a second communication of a similar character, and being led thereby he, on the same day, questioned George W. Layng, chief clerk of said Bureau, and was informed by said George W. Layng that said charges were true; that he gave no credence to nor attempted to make any investigation of said charges previous to March 3, 1900, and that he was induced to make the same by receipt of said communication. The Director did not then, nor at any other time, exhibit to the committee the communication which he asserted he had received.

Your committee finds and concludes from the evidence received by it that said statement was untrue; that said E. M. Bigelow knew of the peculations of said S. T. Paisley previous to the time stated by him; that he began to procure evidence relating thereto two days previous to the third of March, 1900, and your committee further concludes that he received his information at some other time and in some other manner than stated by him.

Your committee reports further that said Director thenceforth furnished no assistance nor gave any further information to the committee, but, on the contrary, delayed the investigation and harassed the committee. Having volunteered to procure the attendance of certain employees to give testimony, he delayed their appearance for a considerable time; having been requested to furnish the time-books kept by the bureau, he delivered copies of the same, except in a few instances, when he furnished the originals.

On May 28, 1900, your sub-committee requested the said E. M. Bigelow to appear before it to furnish evidence as to certain facts known to him, and to give further assistance to the committee. He did not appear, and on May 29, 1900, at the request of the committee, the Hon. Wm. J. Diehl, Mayor of Pittsburgh, issued a subpoena directing him to appear before the committee on May

31, 1900, which subpoena was served upon him; that he did not appear in response to said request and subpoena, neither did he reply to same, nor take any notice thereof, except to express, from day to day, in the public press, opinions in derogation and disparagement of the committee, and of its members, in the most violent and extreme language, thereby attempting to bring discredit upon the work of the committee and to annoy and harass the members thereof in their investigations.

The committee believes that said E. M. Bigelow had a great knowledge of the matter under investigation, which he feared might indicate that he was privy to the peculations of said S. T. Paisley, for a long time prior to the announcement of same, or, at least might show gross negligence and carelessness on his own part in the management of his department, and that he pursued the course above described in the attempt to divert attention from himself and his conduct of said department, and in order that he might not be compelled to divulge and admit his knowledge of the actions of said S. T. Paisley, or his own negligence in not having sooner discovered it.

The committee reports, further, that the said E. M. Bigelow, on some occasions, knowingly signed and made affidavit to blank sheets of paper, upon which payrolls were afterwards made up, and that the payrolls so made up were never inspected by him, and that thus the said S. T. Paisley was enabled, without the slightest risk, to place upon said payrolls the names of persons who were not in the employ of the city.

Your committee, finally, finds and concludes that the said E. M. Bigelow, as Director of said Department, exercised such little control and supervision of said Bureau, and was so grossly negligent and careless in his conduct of same, that said S. T. Paisley was able, during the whole period of the incumbency of said E. M. Bigelow, to defraud the city with absolute impunity, in the manner and to the extent above described. The methods followed by said S. T. Paisley in defrauding the city, as above described, were so simple and so easy of detection, and were continued in for such a great space of time, that it must be conceded that the responsibility of explaining same must rest upon his superior officer, the Director of the Department.

All which is respectfully submitted.

KIRK Q. BIGHAM,

JAS. W. PIATT,

WILLIAM A. MAGEE, Jr.

OFFICE OF
DEPARTMENT OF PUBLIC WORKS,
PITTSBURGH, March 6, 1900.

MR. JOSEPH E. LEWIS,

City Controller,

DRAR SIR:—It becomes my duty to report to you as City Controller the fact which has just come to my knowledge that Samuel T. Paisley, Superintendent of the Bureau of Highways and Sewers, has been putting upon the monthly payroll of that bureau fictitious names and amounts; that he lifted the warrants, endorsed them, and drew the money at the City Treasurer's office, appropriating it to his own use. This practice on the part of Mr. Paisley has been going on in a small way for several years.

I will forward you all the information in my possession and aid you in every way in my power to protect the interests of the city.

Mr. Paisley was one of my trusted assistants, and I am very sorry it becomes my duty to report him as delinquent. A hasty examination seems to indicate the amount as about five thousand dollars. His bond, given for the faithful performance of his duties during the years in which the fictitious names were used more than covers the amount taken.

Very respectfully,

EDWARD M. BIGELOW,
Director of Department of Public Works.

EXHIBIT B.

March 9, 1900.

To the Sub-Finance Committee:

GENTLEMEN:—In compliance with your request, I herewith hand you a statement of the names of men appearing on the regular payroll as employees of the City of Pittsburgh, in the Bureau of Highways and Sewers, and the amounts set opposite their names, which I obtained from the Assistant Superintendents under Mr. Paisley, and which Mr. Paisley, I believe, drew and appropriated to his own use. Also a special payroll for removing debris of a fire on Pike street. I believe all the names on this payroll are fictitious.

Very respectfully,

EDWARD M. BIGELOW,
Director of Department of Public Works.

Mr. Bigham moved

That the reports of the Committee on the accounts of the Bureau of Highways and Sewers be referred to the City Attorney.

Which motion prevailed.

And Select Council having appeared, and Councils being so met in

JOINT-SESSION

For the purpose of considering

S. C. No. 265. Resolution removing Edward M. Bigelow, Director of the Department of Public Works, of the city of Pittsburgh, and declaring said office vacant.

Resolved, By Select and Common Councils of the city of Pittsburgh, that Edward M. Bigelow be and he is hereby removed from the office of Director of the Department of Public Works of the city of Pittsburgh, and the said office of Director of the Department of Public Works is hereby declared to be now vacant.

The *Chair* (President Lambie) having read the resolution,

Mr. *Upperman* moved

The adoption of the resolution.

Mr. *Clark* presented

No. 435. *Resolved*, That Edward M. Bigelow, the present Director of the Department of Public Works of the city of Pittsburgh, be notified of the presentation of the

resolution heretofore offered in Select Council of the city of Pittsburgh, to wit:

"*Resolved*, That Edward M. Bigelow be and he is hereby removed from the office of Director of the Department of Public Works of the city of Pittsburgh, and the office of Director of the Department of Public Works is hereby declared to be now vacant."

That the joint-session of both branches of Councils has been duly and regularly called for the purpose of considering, acting upon and deciding the said resolution; that said joint-session is now sitting for that purpose; that he, the said Edward M. Bigelow, now Director of the Department of Public Works of the city of Pittsburgh, is invited to be present with the said joint-session, and that he is given all the courtesies of the floor, with full and free permission to make any and all statements before the said joint-session which he may desire to make.

Which was read.

Mr. *Clark* moved

The adoption of the resolution and the appointment of a committee to carry the invitation to the Director.

Which motion prevailed.

The *Chair* appointed Mr. *Clark*, of Select Council, and Mr. *Douglas*, of Common Council.

Mr. *Douglas* declined to serve on the committee.

Mr. *Upperman* arose, and said: Mr. President, let us make the record clear. I suggest that you send the Clerk.

Whereupon the President ordered the Clerk of Common Council to convey the invitation to the Director.

And the Clerk having returned, said that the Director was not in either of his offices, and was informed by his clerk, Mr. Fulton, that he was not in the building.

Mr. Lang moved

That further action upon the resolution be postponed for two weeks in order that the Director might be heard in the matter.

Upon which motion Mr. Barry demanded a call of the ayes and noes, and the demand having been sustained the ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

Beckert	Dubarry	McNeill
Cavett	Hedderich	Siebert

AYES—24.

NOES—60.

So the motion did not prevail.

Mr. Douglas presented

No. 436. Resolution adopted at a meeting of the citizens of Pittsburgh, held in the Common Council Chamber, May 11th, 1900, T. D. Keller presiding:

Resolved, That the sentiment of the citizens of Pittsburgh is that before E. M. Bigelow, Director of the Department of Public Works, shall be condemned and deposed by our Councils, charges, if there are any, shall be made against him and he be allowed the right to face his accusers and answer such charges, thus giving him the right that is allowed to any American citizen to be heard before he is condemned.

Which was read, received and filed.

And the question being on the motion of Mr. Upperman on the adoption of resolution S. C. No. 285,

The ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

And there being a majority of the votes of each Council in the affirmative the resolution passed finally.

Mr. Clark moved

That the joint-session do now adjourn, Which motion prevailed, and Select Council returned to its own chamber.

Mr. W. A. Magee, Jr., presented

No. 437. *Resolved*, That the Common Council of the City of Pittsburgh does hereby ratify the action of the joint-session of Select and Common Councils of the City of Pittsburgh this day held, adopting the following resolution, to wit:

Resolved, That Edward M. Bigelow be and he is hereby removed from the office of Director of the Department of Public Works of the City of Pittsburgh, and the said office of Director of the Department of Public Works is hereby declared to be now vacant." Which resolution has this day been adopted by the concurrent affirmative vote of both said branches of Councils of the City of Pittsburgh in joint-session.

Which was read and adopted by the following vote:

AYES—Messrs.

Anderson	Jones	Sheehan
Armstrong	Kramer	Sparr

Mr. C. S. Crawford moved

That Council do now adjourn.

Which motion did not prevail.

The Chair presented

No. 437½.

PITTSBURGH, June 11, 1900.

To the Presidents and Members of Select and Common Councils:

Gentlemen:—I beg leave to return to your honorable bodies without my approval a resolution (C. C. No. 289) approving a contract awarded to the Pennsylvania Asphalt Paving Company on May 29, 1900, by the Department of Public Works, for the grading, paving, curbing and laying of sidewalks of Forty-fifth street, from Penn avenue northwardly about 1,632 feet to end of present pavement.

The specifications under which this contract was awarded are, in my opinion, open to the most serious objections, and I cannot believe that they were drawn with the interest of the city or the taxpayers in view. In former years the specifications under which such contracts were awarded by the Department of Public Works provided as follows:

"First.—Said pavement to be of Trinidad lake asphalt, with a total thickness of 8½ inches, composed of concrete foundation 5 inches, binder 1½ inches, asphalt surface 2 inches, total 8½ inches. All asphalt used in this pavement will be dug or taken directly from the asphalt lake owned by the Government in the Island of Trinidad, on account of its well-known and uniform good quality, and this asphalt will not be mixed or adulterated in any manner with the products of coal tar or of asphalt obtained from other localities in the Island of Trinidad or elsewhere, or of other inferior bituminous materials of any kind."

It will be seen from this that at the time these specifications were in force Trinidad lake asphalt was considered the only standard asphalt fit to be used in pavements in the City of Pittsburgh, and all other asphalts were excluded. In the specifications which succeeded to ones above mentioned it was provided that:

"The asphaltum used shall be known as pitch lake Trinidad, Bermudez, Kentucky or that produced in the State of California, and must be equal in quality to that mined from pitch lake on the Island of Trinidad."

Again in these specifications Trinidad lake asphalt was made the standard, and all asphaltums outside of Trinidad pitch lake, Bermudez, Kentucky and California were excluded, and even the Bermudez, Kentucky and California asphaltums were required to be equal in quality to that mined from the pitch lake on the Island of Trinidad. Thus it will be seen that Trinidad lake asphaltum was the standard asphaltum for Pittsburgh streets, and anything below that was evidently regarded as undesirable and improper material with which to pave a street of this city. These further provisions are also to be found in these specifications:

"The bidder must deposit with the Director of the Department of Public Works, four (4) days before the time of making his bid, samples of materials he intends to use, together with certificates and statement as follows:

"1. Specimens of asphaltum, with a certificate stating where the asphaltum was mined.

"2. A specimen of the asphaltic cement, with a statement of the elements of the composition of the bituminous cements used in the composition of the paving surface.

"3. Specimens of the sand intended to be used.

"4. Specimens of pulverized carbonate of lime, granite or quartz intended to be used.

"5. Specimens of the asphaltic rock, with a certificate or other evidence that it is of even fabric and a product of the first quality and from the mines hereinafter designated.

"6. A statement of the location and the capacity (in square yards per day) of the works or factory where the paving material is prepared."

You will see, therefore, that these specifications also included the very important and highly necessary condition that the bidder

who bids to furnish any one of four kinds of asphalt must, at least four days before the time of making his bid, deposit with the Director of the Department of Public Works samples of the materials he intended to use, together with the certificates and statements mentioned above. This enabled the Director of the Department of Public Works, as well as Councils, the Mayor and all city authorities, to know exactly just what the contractor was bidding upon and proposed to furnish, before the bids were even made or opened, and thereby the interests of the city and the taxpayers were amply protected.

Now we come to the specifications under which the contract in question was awarded. They were recently drawn to govern the bids on this particular contract as well as the bids on twenty-five (25) other similar contracts which were awarded at the same time by the Department of Public Works, and for which resolutions approving the contracts were passed by your honorable bodies and are now before me, namely: C. C. No. 291, C. C. No. 292, C. C. No. 296, C. C. No. 298, C. C. No. 299, C. C. No. 300, C. C. No. 302, C. C. No. 303, C. C. No. 304, C. C. No. 306, C. C. No. 307, C. C. No. 310, C. C. No. 312, C. C. No. 313, C. C. No. 315, C. C. No. 344, C. C. No. 352, C. C. No. 354, C. C. No. 355, C. C. No. 356, C. C. No. 359, C. C. No. 361, C. C. No. 363, C. C. No. 365, C. C. No. 366.

These new specifications contain the following:

"340. The asphalt shall be such as has been used for making the wearing surface of sheet asphalt pavements for a period of at least five years, and which has during this period shown itself to satisfactorily withstand the actions of travel and the elements, and no asphalt will be permitted to be used until satisfactory evidence as to its merits has been furnished to the Director.

"369. The contractor shall furnish, free of charge, to the Director, as often as he may require, samples of the refined asphalt, heavy petroleum oil, asphaltic cement, and of all other ingredients entering into the manufacture of the mixture, as well as of the mixture itself, in suitable cans and boxes."

Under these new specifications a bidder may bid to furnish sand asphalt, or any of the objectionable and worthless asphalts attempted to be used in this country, and which under the former specifications above quoted were barred from our city, and neither the Director of the Department of Public Works, Councils, the Mayor or any of the city authorities can ascertain until after the formal execution of the contract what kind or quality of asphalt he proposes to use. All asphalts, however worthless, in fact, are comprehended within these new specifications. You will notice that the bidder is not required to furnish any stipulation whatever before the execution of a contract which binds the city, neither has any stipulation been furnished in the case of the particular contract in question. Under the express terms of these specifications the contractor is not required to furnish specimens or samples of the asphalt to be used until after the contract is executed, and should he then furnish specimens or samples, in the judgment of all parties unfit to be used for paving the streets of our city, it would be too late to object, because they would be fairly comprehended within the terms of the specifications, and the contract would already have been formally signed and sealed between him and the city.

In the late case of Loughrey and others versus the City of Pittsburgh and others, a

Bill in Equity filed in the Court of Common Pleas No. 1, of Allegheny county, at No. 221 March Term, 1895, which was a proceeding relating entirely to the pavement used upon Shady avenue, in this city, the Director of the Department of Public Works, and a multitude of other witnesses, testified that Trinidad land asphalt, and several other asphalts mentioned in the testimony, were absolutely unfit to be used in the paving of public streets. The Director's testimony upon this point was positive and decided, one question and answer being as follows:

"Q. In your opinion, would it have been proper to have paved Shady avenue with land asphalt?"

"A. No, sir."

The entire testimony of the said Director, and of the other witnesses, was that land asphalt would, in course of time, disintegrate and ruin the pavement, it not running regularly, and being, therefore, a substance wholly unfit to be used in such work. Other asphalts were condemned in positive language, and the testimony was, and the Court so decided, that Trinidad pitch lake asphalt was the only standard pavement, and that all pavements should be laid with Trinidad pitch lake asphalt, or some other asphalt equal to it in every respect.

The courts having so decided, and at the same time decided that the specifications formerly in force were proper and good, and sufficient in every respect, I cannot see my way clear to approve specifications which are in direct opposition to the former specifications, and which permit the bidding and subsequent placing upon the highways of this city of asphalts proven and decided in the above mentioned case to be unfit for such use.

Then, again, the bids exclude fair competition, for the reason that no contractor really knows what he is bidding on, or for or against. It is clearly manifest that the contractor bidding for the proper material, namely, Trinidad pitch lake asphalt, or some other asphalt equal to it, must of necessity be compelled to put in a much higher bid than the contractor who bids for some less fit or some absolutely worthless asphalt. Neither of them is compelled to stipulate which quality of asphalt he is bidding upon, and no city official can tell by an inspection of the bid which quality he is to furnish, what quality the city is to get, or which bid, therefore, is the lowest and best bid for the city.

I can also see how the collection from the property-holders of the municipal liens for the paving of streets might be rendered impossible should a poor quality of asphalt be used, and the street, therefore, improperly paved. No property-holder, I believe, in law, could under such circumstances be compelled to pay his assessment. The large sums of money which have been lost to the city by reason of technicalities connected with street paving should be an inducement to compel the Chief executive to veto any measure which even tended to jeopardize any further the city's finances, and make it the duty of the proper officer to so frame specifications that no question whatever could be raised concerning them.

Yours most respectfully,

W. J. DIEHL,

Mayor.

C. C. No. 221. Articles of Agreement to be made and entered into between the Pennsylvania Water Company and the City of Pittsburgh for furnishing a water supply by said company to that portion of the Twenty-second ward, known as North Homestead, as follows:

ARTICLES OF AGREEMENT

Made and entered into this ——— day of May, A. D. 1900, between the PENNSYLVANIA WATER COMPANY, a corporation of the State of Pennsylvania, hereinafter termed the party of the first part,

AND

THE CITY OF PITTSBURGH, hereinafter termed the party of the second part:

WHEREAS, North Homestead is a certain territory opposite the town of Homestead, Pennsylvania, and intersected by the eastern boundary line of the City of Pittsburgh, and is more particularly known as the Homestead Bank & Life Insurance Company's plan of lots (see plan recorded in the Recorder's office of Allegheny County, in Plan Book vol. 4, page 224), and a portion of North Homestead is within the Twenty-second ward of the City of Pittsburgh; and

WHEREAS North Homestead is at present an isolated territory, and cannot be connected with the pipe line system for water supply of the party of the second part, and

WHEREAS, The party of the second part desires to give the benefits of a water supply to the residents of that part of North Homestead which is within the Twenty-second ward, City of Pittsburgh; and

WHEREAS, The party of the first part has a pipe line adjacent thereto, and is willing to extend its line into the said territory.

Therefore, It is mutually covenanted and agreed:

1st. The party of the first part shall, within months from the date hereof, lay and complete in that part of North Homestead which is within the Twenty-second ward of the City of Pittsburgh, forty-three hundred and ninety (430) feet of six inch water pipe, and twenty-three hundred and eighty (230) feet of eight inch water pipe, furnish and erect sixteen fire hydrants, sixteen six-inch valves and ten eight-inch valves, in accordance with the requirements of the party of the second part.

2d. Said pipe line is to be laid with materials of the present standard and design of the party of the second part, and under the supervision and according to the direction and at the grades, to be furnished by the party of the second part. The party of the second part to furnish the grades and inspect the work without expense to the party of the first part.

3d. The party of the first part will furnish water to private consumers in the same manner, and at the same rates as charged in the Borough of Wilkinsburg, and in the Thirty-seventh ward of the City of Pittsburgh, Pa.

4th. Party of the second part shall pay for fire hydrant service an annual rental of forty dollars (\$40) for each fire hydrant erected; the

total number of fire hydrants to be sixteen (16). The party of the first part shall maintain continuously a water pressure on each and every fire hydrant of not less than fifty (50) pounds per square inch. The party of the second part to have the right to use water for all public purposes without additional charge.

5th. It is expressly covenanted and agreed that the party of the second part shall have the right at any time, upon six months' notice given to the party of the first part by the Director of the Department of Public Works of the City of Pittsburgh, to purchase all of the above named pipe line, including the pipes, valves, fire hydrants, etc., upon payment to the party of the first part of the actual cost of construction of the same, which is to be ascertained at the time the pipe line is laid, and the party of the first part agrees to furnish proper and satisfactory proof of said cost to the party of the second part at the time the pipe line is laid, but it is expressly agreed that the party of the second part shall in no event pay more than eighty five hundred dollars (\$8,500) for said pipe line, and that said sum is to be without interest.

6th. The party of the second part may require the party of the first part at any time to make any extensions of its pipe line for water supply in said territory, which the party of the second part may deem to be proper. The number of fire hydrants to be located in said extensions to be at the same average distance as in the pipe line above mentioned, and the same annual rental of forty dollars (\$40) per hydrant shall be paid and water pressure of fifty (50) pounds per square inch maintained on each hydrant, and the party of the second part to have the same right to use water for public purposes without additional charge; and in case of any extensions of said line it is expressly agreed that the party of the second part may purchase said extension of the pipe line at actual cost of same, without interest, proof of cost to be made by the party of the first part at the time the extensions are built and in the manner above stated, and the same notice to be given by the party of second part of its intention to purchase said extension.

7th. It is expressly agreed that whenever the party of the second part shall purchase the said pipe line and extensions, the party of the first part shall relinquish at once all claim and right whatsoever to enter said territory with its lines, and the party of the second part in making this contract relinquishes no rights whatsoever that it now possesses, or may hereafter possess. In making this contract the party of the first covenants expressly and in every particular for itself, its successors and assigns.

Executed in duplicate the day and year aforesaid.

Attest:

C. C. No. 71. Resolved, That a lease made and entered into by and between Christopher Magee, of the City of Pittsburgh, and Edward M. Bigelow, Director of the Department of Public Works for the City of Pittsburgh, for a certain lot or piece of ground situate on Tunnel street, Fifth ward, City of Pittsburgh, for a term of eight (8) years for

the use of the Department of Public Works, which lease is hereto attached, shall be and the same is hereby approved, accepted and assumed by the City of Pittsburgh.

This lease, made the 1st day of March, A. D. one thousand nine hundred (1900), between Christopher Magee, attorney-at-law, of the Twenty-second ward of the City of Pittsburgh, County of Allegheny, Pennsylvania, party of the first part, and the City of Pittsburgh, party of the second part.

Witnesseth, That the said party of the first part doth hereby lease and demise unto the said party of the second part, all that certain lot or piece of ground situate in the Fifth ward of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, and bounded and described as follows, to wit: Beginning at a point on the western side of Tunnel street at the distance of two hundred and forty (40) feet southwardly from Wyllie avenue; thence southwardly along Tunnel street twenty (20) feet to a four-foot alley; thence westwardly and parallel with Wyllie avenue twenty-two (22) feet and nine (9) inches; thence northwestwardly and parallel with Fifth avenue forty-four (44) feet and five-eighths (5/8) inches to lot now leased to City of Pittsburgh by the said C. Magee; thence along the same eastwardly and parallel with Wyllie avenue sixty-one (61) feet and eleven and one-eighth (11/8) inches to Tunnel street at the place of beginning.

To have and to hold the same, with the appurtenances, for and during the term of eight (8) years from the 1st day of April, A. D. one thousand nine hundred, for use of Department of Public Works.

Yielding and paying therefor the yearly rent of one hundred seventy-five dollars, to be paid monthly from the 1st day of April, A. D. one thousand nine hundred; to be paid out of appropriation for Highways and Sewers, D. P. W.

In consideration whereof, the said party of the second part covenants and agrees, for itself and successors, executors, administrators and assigns, that the hereinbefore rent shall be truly paid to the said party of the first part, in the manner above appointed.

And it is further agreed between the parties, that all buildings erected on the premises may be rented at the time first above limited for the duration of the term; provided, that the covenants and agreements on the part of the said party of the second part be well and truly kept and performed, and the rent in full to the expiration of the time first above limited, for the duration of the term, at which time the premises shall be peaceably surrendered, without further notice.

In witness whereof, the said parties have hereunto set their hands and seals, the day and year first above written.

CHRISTOPHER MAGEE.

No. 506. That

WHEREAS, The Councils of the City of Pittsburgh have been advised that a proposition has been made by the officers of the United States Government to raise the bridges connecting this city with the city of Allegheny to a height of 50 feet above pool level, making elevations in the case of the respective bridges of 15 to 20 feet above their present elevations; and

WHEREAS, Such additional elevations will necessitate approaches in several of the principal streets of this city leading to the Allegheny river, which approaches will change the grade of said streets so that the grade of said streets will be very much increased, and by reason of such change of grade real estate abutting on such streets will be damaged to the extent of several millions of dollars and property upon cross streets running parallel to said river will be damaged by reason of change of grade, and much of the property upon said cross streets will be rendered practically inaccessible; and

WHEREAS, Said proposed changes, if made, would benefit but a small class of the community, and, on the other hand, would damage greatly this city as a whole, we, therefore, protest against said proposed changes, and respectfully remonstrate to the honorable Secretary of War against such changes being made.

Resolved, That a certified copy of this resolution be sent to the Secretary of War, and that a committee of three, one from Select Council and two from Common Council, and also the City Attorney, be appointed by the respective Presidents thereof to appear before the Secretary of War, at such time as may be fixed by him for hearing, and upon behalf of the City of Pittsburgh to oppose such changes.

The Chair presented

No. 620.

OFFICE OF
DEPARTMENT OF PUBLIC WORKS,
PITTSBURGH, July 9, 1900.

To the Presidents and Members of Select
and Common Councils:

GENTLEMEN:—In asking you to authorize the transfer of the amount mentioned in the accompanying resolution, from Appropriation No. 201 (Extension of Pipe Lines) to Appropriation No. 32 (General Operating Expenses of the Bureau of Water Supply and Distribution), I desire to state in explanation that the first bids for material purchased for pipe line extension work, which were presented early in the year, were charged up to Appropriation No. 32 by mistake, owing to the fact that heretofore the appropriation for such work has always been incorporated in Appropriation No. 32. This year the appropriation for such work was made separately and given a different number, and the cost of the purchase of this material should be charged to that appropriation, namely, No. 201.

Yours respectfully,

GEO. W. WILSON,

Director of Department of Public Works.

Also

No. 621. *Resolved*, That the City Controller shall be and he is hereby authorized and directed to transfer the sum of three thousand seven hundred twelve and 26/100 (\$3,712.26) dollars from Appropriation No. 201, for the Extension of Pipe Lines, to Appropriation No. 32, for the General Operating Expenses of the Bureau of Water Supply and Distribution.

S. C. No. 208. *Resolved*, That the City Attorney be and he is hereby authorized and directed to satisfy of record the assessment made against property of William Ruchaupt, for the construction of a sewer on South Eighteenth street; said property having been assessed full benefits for the construction of a sewer on Shamokin street, as per communication from L. L. Dilworth, Chief Clerk of the Boards of Viewers, attached and made part hereof.

BUREAU OF VIEWERS.

PITTSBURGH, PA., April 26, 1900.

T. D. CARNAHAN, Esq.,

First Assistant City Attorney.

DEAR SIR:—The bearer, William Ruchaupt, was assessed on the Shamokin street sewer full benefits, and the viewers on the South Eighteenth street sewer made an assessment also against the same property. At the time of making this last assessment the records were produced showing that this property had been assessed, but they failed to mark it out as one not to be assessed.

I would recommend that a resolution relieving him of this assessment be presented to Council.

Yours very truly,

L. L. DILWORTH,

Chief Clerk of the Bureau of Viewers.

C. C. No. 476.

WHEREAS, It is absolutely necessary for the City of Pittsburgh to lay water pipes upon

the property heretofore owned and occupied by S. P. Sadler and W. G. Evans, partners as Sadler & Evans, being the Espey plan of lots, Twenty-third ward, Pittsburgh, which plan has been duly approved by the city, because the streets are about to be graded and paved and sidewalks laid, and because said pipe can be laid much cheaper now than in the future, especially when, if laid in the future, said paving would have to be partially torn up, and especially as a large number of houses are erected and are being erected on said plan of lots.

WHEREAS, It appears no sufficient appropriation has been made for the fiscal year of 1900 to enable the City of Pittsburgh to itself lay said pipe; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to S. P. Sadler and W. G. Evans, partners as Sadler & Evans, and the said S. P. Sadler and W. G. Evans, partners as Sadler & Evans, are hereby expressly authorized and empowered to lay the said pipes under the direction and supervision of the Director of the Department of Public Works of said city, and at a cost to be approved by him, the said Director.

Provided, That the City of Pittsburgh shall have the right and option at its election to purchase from the said S. P. Sadler and W. G. Evans, partners as Sadler & Evans, all of the said pipes, plugs and appurtenances laid or established under this agreement at any time in the future it sees fit so to do, for a price not exceeding the actual cost of the laying and establishing of said pipes, plugs and appurtenances, together with six per cent. (6 p. c.) interest thereon from the date of so laying and establishing to the date of the purchase by the said City of Pittsburgh; and

Provided further, That the cost of laying and establishing said pipes, plugs and appurtenances shall not in any event exceed the sum of ten thousand dollars (\$10,000).

S. P. SADLER,
W. G. EVANS.

No. 639.

To the Honorable, the Select and Common Councils of the City of Pittsburgh:

The petition of the Consolidated Gas Company, of the city of Pittsburgh, respectfully represents:

That it is a corporation of the Commonwealth of Pennsylvania, incorporated by the Act of Assembly approved May 19th, 1871, P. L. (1872) 1309, for the general purpose of manufacturing and selling gas.

That under the provisions of Section 5 of the Act of Assembly approved April 17th, 1874,

the said Consolidated Gas Company, of the city of Pittsburgh, on June 15th, 1898, purchased all of the franchises and property, real, personal and mixed, of the Pittsburgh Gas Company, which said company thereafter ceased to exist, and the said franchises and property were vested in your petitioner.

That the said Pittsburgh Gas Company was a corporation of the Commonwealth of Pennsylvania, incorporated by the Act of Assembly approved March 16th, 1848, (P. L. 213), for the purpose of supplying with gas-light the cities of Pittsburgh and Allegheny, and such individuals residing therein as may desire a supply of the same, and for distributing and selling gas, coke, tar and other products of distillation from coal, and for making and erecting the necessary apparatus for manufacturing, distributing and introducing the same, and constructing the requisite buildings and machinery, and purchasing or preparing the necessary materials, and for no other purpose whatsoever; and the said company was thereby authorized to supply Lawrenceville, Birmingham and other surrounding places, including the city districts.

That upon the records in the office of the Prothonotary of Allegheny county there are certain taxes entered, which are liens upon the property against which they are entered, as follows:

1st. No. 13 December Term, 1895, entered November 22d, 1895, against Pittsburgh Gas Company, for the year 1894, amounting to \$1,024.36, upon property in the Third ward of the city of Pittsburgh, viz.: Lot 36x100, Sixth avenue, corner Foster alley, two-story brick house. Lot 60x61, Foster alley, between Sixth avenue and Strawberry alley, three-story brick shop.

2d. No. 34 December Term, 1896, entered November 16th, 1896, against Pittsburgh Gas Company, for the year 1895, amounting to \$891.16, upon property in the Third ward of the city of Pittsburgh, viz.: Beginning at the northwesterly corner of Sixth avenue and Garland alley; thence along Sixth avenue, toward Cherry alley, 36 feet to the line of property now or formerly of H. Sampson; thence extending back, and preserving the same width, 100 feet to line of property now or formerly of Pittsburgh Gas Company. Having thereon erected a large brick and stone office building. Beginning on the westerly side of Foster or Garland alley, at a point distant 100 feet from Sixth avenue; thence along Garland or Foster alley, toward Strawberry alley, 60 feet to line of property now or formerly of Clara Lee Rudolph; thence westwardly along said line 61 feet to line of property now or formerly of city of Pitts-

burgh; thence southwardly along said line 30 feet; thence westwardly along said line 2 feet; thence southwardly along said line 30 feet; thence eastwardly 63 feet to Garland or Foster alley, the place of beginning. Having thereon erected a 3 story brick shop.

3d. No. 21 December Term, 1897, entered November 15th, 1897, against Pittsburgh Gas Company, for the year 1896, amounting to \$891.66, upon property in the Third ward of the city of Pittsburgh, being the same property described in lien filed at No. 34 December Term 1896, and herein noted as "2d."

4th. No. 24 December Term, 1898, entered November 22d, 1898, against Pittsburgh Gas Company, for the year 1897, amounting to \$961.76, upon property in the Third ward of the city of Pittsburgh, being the same property described in lien filed at No. 34 December Term, 1896, and herein noted as "2d."

5th. No. 58 December Term, 1895, entered November 22d, 1895, against Pittsburgh Gas Company No. 1, for the year 1891, amounting to \$1,798.46, upon property in the Sixth ward of the city of Pittsburgh, viz.: Lot 24x110, Second avenue, corner of Gas alley. 15th. No. 777 December Term, 1896, entered November 19th, 1896, against Pittsburgh Gas Company, for the year 1895, amounting to \$351.70, upon property in the Twentieth ward of the City of Pittsburgh, viz.: Beginning on the south side of Penn avenue; thence by the east line of a 12-foot alley, 200 feet to a 30-foot street, called Shakespeare street; thence by the same east 50 feet to a post; thence north 200 feet to Penn avenue, and thence by the same west 50 feet to the place of beginning. Being part of lot No. 13, in Alexander Thompson's plan. Having thereon erected frame shop and addition, frame stable, two-story brick house, two-story stone and brick office building, No. 6306.

16th. No. 671 December Term, 1897, entered November 18th, 1897, against Pittsburgh Gas Company, for the year 1896, amounting to \$361.12, upon property in the Twentieth ward of the City of Pittsburgh, being the same property described in lien filed at No. 777 December Term, 1896, and herein noted as "15th."

17th. No. 754 December Term, 1898, entered November 28th, 1898, against Pittsburgh Gas Company, for the year 1897, amounting to \$387.46, upon property in the Twentieth ward of the City of Pittsburgh, being the same property described in lien filed at No. 777 December Term, 1896, and herein noted as "15th."

That the Consolidated Gas Company of the City of Pittsburgh, is now the owner of all the real estate hereinbefore described, and upon which the above recited tax liens are entered.

That it is a public corporation, created for the purposes, and is engaged in the business,

of supplying artificial gas for light within the city of Pittsburgh.

That the above described real estate is a part of the plant of this company, and is used for manufacturing such gas; that said real estate is represented by the capital stock of the said company, and is subject to taxation by the Commonwealth.

That said real estate is indispensable to the performance of the purposes for which said corporation is created, and is exclusively used by the said company therefor, and so much thereof as was formerly the property of the Pittsburgh Gas was indispensable to the performance of the purposes for which said company was created, and was so exclusively used by said company; excepting that the third story of the building on Sixth avenue, in the Third ward of the city of Pittsburgh, was used as a public hall or meeting place, and the Gas Company received rent therefor, and therefore should pay a tax upon a proportionate amount of the value of the said property; and excepting, also, on the lot fifty feet by one hundred and eighty-five feet, Caroline street, between Niagara street and Hamlet street, in the Fourteenth ward of the city of Pittsburgh, the two-story brick dwelling house, which was used by the superintendent of the company as a residence, and therefore a proportionate amount of the liens filed, and noted herein as "10th," "11th," "12th" and "13th," should be paid; and excepting, also, the two-story brick house in the Twentieth ward of the city of Pittsburgh, and therefore a proportionate amount of the liens filed, and noted herein as "14th," "15th," "16th" and "17th," should be paid; excepting, also, the second story of the two-story brick house referred to at No. 5, which was rented, and a proportionate share, therefore, of the liens referred to at Nos. 3, 6, 7 and 8 should be paid.

Your petitioner is advised by its counsel, and therefore avers, that the whole of said real estate, with the exceptions above noted, is by law exempt from said taxes, and prays that an exoneration may be allowed by your honorable body and the liens satisfied of record.

And it will ever pray, etc.

CONSOLIDATED GAS COMPANY,
OF THE CITY OF PITTSBURGH.

C. C. No. 429. Resolved, That the agreement entered into, made and concluded by and between the Allegheny County Light Company, of the City of Pittsburgh, and Edward M. Bigelow, Director of the Department

of Public Works, for lighting the South Side market house, first floor, for a period of one year from April 1, 1900, which agreement is hereby attached, shall be and the same is hereby approved, accepted and assumed by the City of Pittsburgh.

ARTICLES OF AGREEMENT

Made and concluded this first day of April, A. D. 1900, by and between the Allegheny County Light Co., a corporation created by, and existing under the laws of the Commonwealth of Pennsylvania, and doing business in the City of Pittsburgh, party of the first part, and the City of Pittsburgh, a municipal corporation of the Commonwealth aforesaid, party of the second part,

WITNESSETH: Edward M. Bigelow, Director of Public Works of said city, did, on the 9th day of November, 1896, by virtue of the power conferred upon him, award to the Allegheny County Light Co., party of the first part hereto, the contract for lighting the South Side Market House, first floor, in said city, with electric light for a period of one year, at the rate of forty (40) cents per month for each 16 C. P. lamp, or the equivalent thereof installed, and furnish renewal of lamps, as per specifications, as will more fully appear in copy of said award hereto attached, which said award was duly approved by Mayor of said city on the 27th day of January, 1897; and

WHEREAS, The said contract has been continued from year to year without change or without renewal of said contract; and

WHEREAS, It is deemed expedient to continue said contract for the period of one year at same rate.

Now, therefore, the said Allegheny County Light Company hereby agree and binds itself, its successors and assigns, to light the South Side Market House with electric light for a period of one year from the 1st day of April, A. D. 1900, under the direction and to the entire satisfaction of the Director of the Department of Public Works, to furnish and supply all renewals which shall be needed or required, in strict conformity with the provisions of the bid, proposal, specifications and bond of said company, which are made hereof.

All stubs, however shall be returned to said company by said city.

In consideration whereof the said City of Pittsburgh hereby agrees and binds itself, to pay or cause to be paid unto the said party of the first part, its successors or assigns, at the rate of forty (40) cents per month for each 16 C. P. lamp or the equivalent thereof installed during the continuance of this agreement, which shall be paid monthly.

In witness whereof, the Allegheny County Light Company, has caused these to be signed by its President, and the corporate seal thereof, duly attached, to be affixed hereto, and the City of Pittsburgh has the same to be signed by Edward M. Bigelow, Director of the Department of Public Works, the day and year aforesaid.

(Signed) Allegheny County Co.,

JAMES D. CALLERY,
President.

[Seal]

Attest: JOSEPH F. GUFFY.

(Signed) The City of Pittsburgh,

EDWARD M. BIGELOW.

Director of Department of Public Works.

Mr. **Armstrong** presented

From the Committee on Bridges with an affirmative recommendation.

C. C. No. 506. That

WHEREAS, The Councils of the City of Pittsburgh have been advised that a proposition has been made by the officers of the United States Government to raise the bridges connecting this city with the city of Allegheny to a height of 50 feet above pool level, making elevations in the case of the respective bridges of 15 to 20 feet above their present elevations; and

WHEREAS, Such additional elevations will necessitate approaches in several of the principal streets of this city leading to the Allegheny river, which approaches will change the grade of said streets so that the grade of said streets will be very much increased, and by reason of such change of grade real estate abutting on such streets will be damaged to the extent of several millions of dollars and property upon cross streets running parallel to said river will be damaged by reason of change of grade, and much of the property upon said cross streets will be rendered practically inaccessible; and

WHEREAS, Said proposed changes, if made, would benefit but a small class of the community, and, on the other hand, would damage greatly this city as a whole, we, therefore, protest against said proposed changes, and respectfully remonstrate to the honorable Secretary of War against such changes being made.

Resolved, That a certified copy of this resolution be sent to the Secretary of War, and that a committee of three, one from Select Council and two from Common Council, and also the City Attorney, be appointed by the respective Presidents thereof to appear before the Secretary of War, at such time as may be fixed by him for hearing, and upon behalf of the City of Pittsburgh to oppose such changes.

C. C. No. 468. A Joint Resolution relating to employment of architect for preparing plans and specifications for the erection of isolated municipal hospitals for contagious diseases.

Resolved, That the Director of the Department of Public Safety shall be and is hereby authorized, empowered and directed to secure the services of F. J. Osterling, architect, for preparing plans and specifications for the erection of isolated municipal hospitals for contagious diseases and superintending the erection thereof (his compensation for all said employment to be five (5 per cent.) per centum of the amount of the contract prices of the erection of said hospitals), as provided for by bond issue as authorized by an election held on September 19th, A. D. 1900, notwithstanding the fact that the said F. J. Osterling is not a resident of the City of Pittsburgh; and that the provisions of Section 31 of an ordinance entitled, "An ordinance to carry into effect an act of assembly entitled, 'An Act in relation to the government of cities of the second class,' approved January 14th, 1887, establishing the Departments of Public Safety, Public Works, Charities, Awards and of Law; creating and fixing bureaus and the titles thereof, and subordinate offices and officers, prescribing the number of officers in the various departments and bureaus, the mode of their election and appointment, defining the duties and powers of all such, fixing the amount of bond to be given, allotting the various bureaus and other officers to the proper department, fixing salaries and compensation

to be paid, defining the duties of the Board of Assessors, fixing the salaries thereof, and also that of the City Clerks," approved December 17th, 1887, which said provisions require that employees be residents of the City of Pittsburgh, shall be and is hereby abrogated and revoked so far as it relates to the employment of the aforesaid F. J. Osterling for the purposes of preparing plans and specifications and superintending the erection of the aforesaid isolated municipal hospitals for contagious diseases.

Mr. Beckert presented

No. 658.

July 16, 1900.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—I transmit herewith for your approval the following plans:

Plan of lots laid out by Robert H., William and Margaret Charlton, situated in the Eighteenth ward.

Plan of lots situated in Thirty-fifth ward, laid out for the Denny estate.

Yours respectfully,

GEO. W. WILSON,

Director of Department of Public Works.

Which was read, received and filed.

Also

No. 659. Plan of lots laid out by Robt. H. Charlton, William Charlton and Margaret J. Charlton in the Eighteenth ward, Pittsburgh.

Also

No. 660. Plan of lots in the Thirty-fifth ward, Pittsburgh, Pa., laid out for the Denny estate.

Which were referred to the Committee on Surveys.

Mr. Wightman presented

No. 661.

To the Members of Common Council:

Your petitioner, L. T. Yoder, respectfully represents:

That the estate of Elizabeth M. Yoder is the owner of property abutting on Murray Hill avenue, Twenty-second ward, Pittsburgh, in front of which the city has laid a sewer and made assessments therefor to the amount of six hundred and sixty-five and sixty-six hundredths dollars (\$665.66) for a frontage of three hundred and sixty (360) feet.

That said Murray Hill avenue was laid out, graded and paved by the Yoder Land Company, and a sewer draining the property towards Fifth avenue was put in under the direction and with the authority of the said city, and afterwards the city approved the plan of lots laid out by the Yoder Land Company and known as the Ardshiel Terrace plan, and recorded in the Recorder's office of Allegheny county, in Plan Book vol. 10, page 18, and accepted the said Murray Hill avenue.

That said sewer put in by the Land Company extends for a distance of one hundred and eighty (180) feet along and in front of the property assessed for the city sewer, and by some mistake or oversight of the engineer the city sewer, for which the aforesaid assessment of six hundred and sixty-five and sixty-six hundredths dollars (\$665.66) is made, overlaps said sewer put down by the Land Company some one hundred and eighty (180) feet, or fully one-half the frontage, which was entirely unnecessary for the enjoyment of the said 180 feet and of no benefit whatever.

That your petitioner avers that said estate did not receive any notice whatever of the meeting of the Board of Viewers and has had no opportunity of having redress. That the only notice received by your petitioner, or said estate, was the notice from the City Treasurer, dated May 31st, 1900, to pay said assessment within thirty days.

Wherefore, your petitioner prays your honorable body to grant said estate relief in this matter and authorize the City Solicitor to accept the sum of three hundred and thirty-two and eighty-three hundredths dollars (\$332.83), with interest, in full for the assessment for the sewer on Murray Hill avenue.

L. T. YODER,

Agent for E. M. Yoder Estate.

Allegheny County, ss.:

Personally appeared before me L. T. Yoder, who, being duly sworn, says the statements made in the foregoing petition are true and correct, to the best of his knowledge, information and belief.

L. T. YODER.

Sworn and subscribed before me, this 12th day of July, 1900.

The Chair presented

C. C. No. 666.

PITTSBURGH, July 23, 1900.

To the Presidents and Members of Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—I beg leave to return to your honorable bodies without my approval an ordinance (C. C. No. 504) "Fixing the salary of the Examining Officer in the Department of Charities."

The officer of the Department of Charities whom it is sought to benefit by this ordinance

has rendered good, faithful and efficient service to the city for several years past, proving himself a most capable and worthy officer, and is without doubt fairly entitled to an increase in his salary for the important work which he is doing. But however deserving of better compensation that officer may be, and I sincerely believe that he is, I consider this the wrong way by which to accomplish that end.

There is a special committee of Councils charged with the duty of revising and fixing the salaries in all departments of the Municipal Government, and the entire question of salaries properly belongs with that committee. The business-like way of proceeding is for that committee to take up and fix as a whole the salary list of each department. In that way the whole question can be disposed of by a single ordinance, instead of piecemeal, by having ordinances for increase of salary coming up at almost every session of Councils. At the same time justice would be done all those employees of the city who are really deserving of more compensation for the work they perform.

Yours most respectfully,

W. J. DIEHL.

Mayor.

Which was read, received and filed.

C. C. Bill No. 504. An Ordinance entitled "An Ordinance fixing the salary of the Examining Officer in the Department of Charities."

Which was read.

And on the question, "Shall the bill become a law, notwithstanding the objections of the Mayor?"

The ayes and nays were taken agreeably to law, and were:

AYES—Messrs.

Anderson	Dubarry	Rodgers
Armstrong	Jones	Seminelrock
Beckert	Kramer	Sparr
Culbertson	Leslie	Splane
Dieterle	Lewis	Stonerod
Donley	Mierzwa	Vaux
Douthett	McLain	Zollinger

McCandless, President.

NOES—Messrs.

Delaney	Hughes	Sheehan
Hedderich	Jack	Sweeney
Hogue	Moore	Walls

AYES—22.

NOES—9.

And there not being three-fifths of the votes of Common Council in the affirmative, the objections of the Mayor were sustained.

Mr. Leslie asked and obtained leave to present

No. 667. Resolution authorizing the issuing of a warrant in favor of American Bridge Company, Schultz Bridge and Iron Company branch, for the sum of \$564.48 for repairs to South Tenth street bridge, and charge Appropriation No. 105.

S. C. 268. Resolution authorizing the sale, transfer and assignment of certain municipal claims to J. A. B. Melvin and William P. Smith.

WHEREAS, The City of Pittsburgh has claims aggregating the sum of \$3,600.00 against lot fronting 270 feet on the south side of Kelly street, Twenty-first ward, City of Pittsburgh, and extending back 135 feet, more or less, to an alley, of which S. V. Evans is the owner, or reputed owner, which said claims are as follows:

- 1st. Susquehanna street et al. sewer, M. L. D. 474, September T., 1894, entered August 16, 1894, for the sum of \$720.53, and interest from March 23, 1894.
- 2d. Grading Kelly street, M. L. D. 79, August T., 1897, entered July 7, 1897, for \$545.88, and interest from March 13, 1897.
- 3d. Paving and curbing of Kelly street, M. L. D. 43, May T., 1898, entered April 5, 1898, for \$1,625.37, and interest from November 29, 1897.
- 4th City taxes for years 1894, 1895, 1896, 1897, 1898, 1899, amounting, with cost of liens, to \$352.20, and,

WHEREAS, J. A. B. Melvin and William P. Smith hold a purchase money mortgage on said ground, given by H. H. Wunderlich et ux., to said J. A. B. Melvin and William P. Smith, dated December 17, 1892, recorded December 23, 1892, in Mortgage Book, volume 633, page 383, on which there is now due the sum of \$2,700, and

WHEREAS, The City of Pittsburgh has offered said property for sale at M. L. D. 79 August T., 1897, without success, the property not being worth the amount of said liens and mortgage, and the descriptions in said liens being vague, and the lien for the Susquehanna street sewer being entered in a name which does not appear in the chain of title; and,

WHEREAS, J. A. B. Melvin and William P. Smith offer to pay the sum of \$1,500.00, in cash, for an assignment of the municipal liens above; now, therefore, be it

Resolved, By the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby resolved that the city of Pittsburgh does hereby sell, assign, transfer and set over to J. A. B. Melvin and William P. Smith, their heirs and assigns, the said liens at M. L. D. 474, September T., 1894, M. L. D. 79, August T., 1897, and M. L. D. 43, May T., 1898, including all the moneys due thereon and all the rights of priority of lien, payment and collection of the same; the said sale and assignment to take effect upon payment of \$1,500.00, in cash, to the City Treasurer by the said J. A. B. Melvin and William P. Smith, and the payment of all unpaid city tax liens.

That the City Attorney, upon said payment being made, is hereby authorized and directed to enter assignments upon said liens to J. A. B. Melvin and William P. Smith upon the records thereof in the Prothonotary's office of Allegheny county, Pennsylvania, and to assign of record to them the unpaid record costs, upon payment by them of said costs to the Prothonotary of Allegheny county.

No. 676.

Whereas, Upon the 16th day of November, 1889, the Union Trust Company, of Pittsburgh, was, by ordinance of the City of Pittsburgh, authorized to register in its office, the Certificates of Loan to be used by the City of Pittsburgh, under date of April 2, 1900, generally known as the "Loan of 1900;" and

Whereas, By said ordinance, the Pittsburg Trust Company was also authorized to make all transfers of the records of ownership of such Certificates of Loan, as may arise in the course of business; and, furthermore, to pay the semi-annual interest on said bonds, and redeem the same at maturity, upon the City of Pittsburgh, placing in the hands of the said Pittsburg Trust Company sufficient funds for that purpose; and,

Whereas, By said ordinance the Controller of said City was duly authorized and directed, with the approval of the Finance Committee, to enter into a contract with the said Trust Companies for the registration and transfer of said bonds; and,

Whereas, In compliance with the duties assigned to the City Controller, efforts were made on his part, in behalf of the City of Pittsburgh, to arrange for contracts with said Trust Companies, for a basis of compensation, for the payment of all of the services herein-after mentioned, with the following results, to wit:

The said, The Pittsburg Trust Company, entered into its written agreement, to waive and set aside all previous agreements, relating to compensation for such services upon its part, and consents and agrees to accept the following compensation for services as Transfer Agent, and for the payment of semi-annual interest, and the redemption of bonds at maturity, to wit:

The sum of One Thousand (1,000.00) Dollars per annum, and Twenty-five (25) cents per thousand, per annum, for each thousand dollars of said bonds in its charge, payable, as follows, to wit:

Five hundred (500.00) dollars upon the first days of July and January, of each and every year hereafter, until the maturity of said bonds, and the sum of twelve and one-half (12½) cents per thousand, payable on the first days of April and October of each year hereafter, until the maturity of said bonds.

For the same services, in relation to certain bonds of the City of Pittsburgh, issued in the year 1895, the sum of Twelve and one-half (12½) cents per thousand dollars, payable upon the first days of May and November, of each and every year hereafter, until the maturity of said bonds of 1895.

And for the same services in relation to certain bonds of the said City of Pittsburgh, issued in the year 1888, and known as the "Refunded Water Extension Bonds," the sum of Twelve and one-half (12½) cents per thousand dollars, payable on the first days of April and October, of each and every year hereafter, until the maturity of said bonds of 1888.

The Union Trust Company, of Pittsburgh, entered into its written agreement, to waive and set aside all previous agreements, relating to compensation for such services upon its part, and consents and agrees to accept the following compensation for services as Registrar:

The sum of Two hundred and fifty (250.00) dollars per annum, during all of the years the said Union Trust Company may be required to so register said bonds, as aforesaid, and six and one fourth (6¼) cents per thousand, for

each thousand dollars of said bonds, registered, as aforesaid; said compensation to be payable, as follows, to wit:

One hundred and twenty-five (125.00) dollars on the first days of July and January, of each and every year hereafter and three and one-eighth (3⅛) cents per thousand dollars, on the first days of April and October, of each year hereafter, during the term of this agreement.

For the bonds of the City of Pittsburgh, issued in 1895, three and one-eighth (3⅛) cents per thousand dollars, on the first days of May and November, of each and every year hereafter, during the term of this agreement, until the maturity of said bonds.

For the bonds of the City of Pittsburgh, issued in 1888, known as "Refunded Water Extension Bonds," the sum of three and one-eighth (3⅛) cents per thousand, on the first days of April and October, of each and every year, until the maturity of said bonds.

A copy of which said contracts are hereto attached, and made part of this resolution.

Now, therefore, be it resolved, by Select and Common Councils of the City of Pittsburgh, that the form of the contracts hereinbefore referred to, and attached to this resolution, be and the same are hereby ratified and approved; and the Controller of the said City of Pittsburgh is hereby ordered and directed to execute the same in behalf of said City; and after the same shall be so executed, that the City Controller be and he is hereby authorized and directed to issue his certificate on the Mayor for a warrant, or warrants, in payment of such bills, as may be rendered to him, from time to time, under the terms and conditions of said contracts, upon the same being found to be proper and correct; and all such warrants shall be drawn upon, and paid out of Finance Fund, Appropriation No. 43, of said City.

ARTICLES OF AGREEMENT,

Made and concluded this day of July, A. D. 1900, by and between the City of Pittsburgh, a Municipal Corporation of the State of Pennsylvania, party of the first part,

AND

The Union Trust Company, a Corporation, doing business in the said City of Pittsburgh, party of the second part.

Whereas, the said party of the second part, by virtue of an ordinance of said City, approved the 16th day of November, A. D. 1889, was designated as the Agent of said City, to register in its office the Certificates of Loan, or Bonds, to be used by said City, under date of April 2d, 1900, generally known as the "Loan of 1900;" and no compensation to the said Trust Company being mentioned or specified in said ordinance;

Now, therefore, these presents witnesseth: That the said party of the second part hereby promises, covenants and agrees, to and with the said City of Pittsburgh, that it, the said Union Trust Company, of Pittsburgh, shall and will, from the date of the issue of said bonds, up until the time of the complete redemption of the same, do and perform all of the duties and services, and furnish all the labor, stationery, books, etc., incident to the registering of all the bonds, or certificates of loan, issued by said City of Pittsburgh, on or about April 2d, 1900, or embraced within the series or numbers of bonds known as the "City of Pittsburgh Loan of 1900;" and shall and will, from time to time, and at all

times during said term, properly register and keep registered, all of said bonds, strictly and accurately according to law.

And the said party of the first part hereby promises and agrees, to pay the said party of the second part, in full, for all of its services, as aforesaid, the following compensation, to wit:

The sum of two hundred and fifty (250.00) dollars per annum, during all of the years the said party of the second part may be required to so register said bonds, as aforesaid, and six and one-quarter (6¼) cents per thousand, for each thousand dollars of said loan, registered as aforesaid; said compensation to be paid as follows, to wit:

One Hundred and twenty-five (125.00) dollars, on the first days of July and January, of each and every year hereafter; three and one-eighth (3⅛) cents per thousand dollars, on the first days of April and October, of each and every year hereafter, during the term of this agreement.

For the bonds of the City of Pittsburgh, issued in 1895, three and one-eighth (3⅛) cents per thousand dollars, on the first days of May and November, of each and every year hereafter, during the term of this agreement, until the maturity of said bonds.

For the bonds of the City of Pittsburgh, issued in 1898, known as "Refunded Water Extension Bonds," the sum of three and one-eighth (3⅛) cents per thousand dollars, on the first days of April and October, of each and every year hereafter, until the maturity of said bonds.

And it is further agreed, by and between the parties hereto, that all other agreements and contracts, relating to the payment of compensation to said party of the second part, for the registration of any of the bonds of the City of Pittsburgh, issued in 1895, 1898 or 1900, and especially the agreement or contract of November 17th, 1895, relating thereto, shall be and the same are hereby made null, void and of no effect whatever.

In witness thereof, the said parties to these presents have hereunto set their hands and seals, the day and year first above written.

ARTICLES OF AGREEMENT,

Made and concluded this day of July, A. D. 1900, by and between the City of Pittsburgh, a Municipal Corporation, of the State of Pennsylvania, party of the first part,

AND

The Pittsburg Trust Company, a Corporation doing business in the said City of Pittsburgh, party of the second part.

Whereas, the said party of the second part was, by ordinance of the City of Pittsburgh, approved the 16th day of November, 1899, designated as the Agent of the City of Pittsburgh to make all transfers of the records of ownership of certain bonds, fully set forth in said ordinance, pay the semi-annual interest thereon, and to redeem the same at maturity, and no compensation to the said party of the second part was specified or determined in said ordinance;

Now, therefore, this indenture witnesseth: That the said, The Pittsburg Trust Company, hereby covenants, promises and agrees, to and with the said City of Pittsburgh, to do and perform all the services necessary to make all transfers of the records of ownership of said bonds, or certificates of loan, as may arise in the course of business; and furthermore, to pay all semi-annual interest upon said bonds, and to redeem the same at maturity, upon the City placing in the hands of it, the said, The Pittsburg Trust Company, sufficient funds for that purpose, and to furnish all the labor, books, papers, stationery, etc., necessary to that end.

In consideration of which said services, the said City of Pittsburgh hereby covenants, promises and agrees, to pay to the said Pittsburg Trust Company, as compensation thereof, the sum of one thousand (1,000.00) dollars per annum, and twenty-five (25) cents per thousand dollars per annum, for each thousand dollars of said loan in its charge, payable, as follows, to wit:

Five hundred (500.00) dollars upon the first days of July and January, of each and every year hereafter, until the maturity of said bonds; and the sum of twelve and one-half (12½) cents per thousand dollars, payable on the first days of April and October, of each year hereafter, until the maturity of said bonds.

For the same services, in relation to certain bonds of the City of Pittsburgh, issued in the year 1895, the sum of Twelve and one-half (12½) cents per thousand dollars, payable upon the first days of May and November, of each and every year hereafter, until the maturity of said bonds of 1895.

And for the same services in relation to certain bonds of the said City of Pittsburgh, issued in the year 1898, and known as the "Refunded Water Extension Bonds," the sum of Twelve and one-half (12½) cents per thousand dollars, payable on the first days of April and October, of each and every year hereafter, until the maturity of said bonds of 1898.

And it is further agreed, by and between the parties hereto, that all other agreements and contracts, relating to the payment of compensation to the said party of the second part, for the transfer of any of the bonds of the City of Pittsburgh, issued in 1895, 1898 or 1900, and especially the agreement or contract of November 17th, 1895, relating thereto, shall be and the same are hereby made null, void and of no effect whatever.

In witness whereof, the said parties to these presents have hereunto set their hands and seals, the day and year first above written.

No. 781.

PITTSBURGH, PA., October 8, 1900.

Clarence Burleigh, Esq., City Attorney, Pittsburgh, Pa.

DEAR SIR:—Our clients authorize us to offer, in settlement of the claims of the city arising out of the alleged defalcations of the late Superintendent of the Bureau of Highways and Sewers, to pay the full amount of defalcations as reported by the City Auditors since the first day of March, 1893, covering the whole period within the Statute of Limitations applicable to such cases, less the amount paid into the City Treasury by the said Superintendent on account of such shortage. This offer is made upon the following conditions:

First—That the City of Pittsburgh, upon the making of said payment, shall release the late Director of the Department of Public Works from all further or other liabilities of any kind.

Second—That such settlement with the city shall not, in any manner, affect the right of the late Director of the Department of Public Works to recover from the sureties of the said Superintendent of Highways and Sewers upon the several bonds given by him for the faithful performance of duty; and, if necessary, the city shall assign its rights, if any, in the said bonds to E. M. Bigelow.

Yours very truly,

WATSON & McCLEAVE,
Attorneys for E. M. Bigelow.

No. 834.

PITTSBURGH, PA., Oct. 20, 1900.

J. O. Brown, Esq., Director Department of Public Safety, Pittsburgh, Pa.:

DEAR SIR:—We would respectfully ask that our time for completing the Water Tower Building No. 1 be extended to December 20, 1900, for the following reasons, viz:

The foundations of the tower building are considerable below the foundations of all the adjoining property. In order to put in our foundations we had to shore up, underpin and brace all the abutting property owing to the condition of the surrounding buildings and the nature of the work; it was very slow, as we had to use the utmost care to prevent accidents and damages to the said buildings. All the work had to be done in short sections and was necessarily slow; we, however, accomplished it without any damages whatsoever.

Owing to the construction of the building—"it being of concrete construction"—we have not deemed it advisable to force the drying or setting of the concrete, as the less we force it the better it will be.

We did not know at the time of our bidding on the work that we would encounter the obstacles which we did, so that we would respectfully ask that you take the same into consideration; also, that we have been delayed on account of strikes and other contingencies beyond our control. We intend to finish the building now in the least possible

time and will give it to you at an early a date as possible consistent with good workmanship.

We sincerely hope that you will understand and take into consideration the difficulties which we have had to overcome in the erection of the above mentioned building and grant us the extension asked for.

We are most respectfully,
KERR & FOX.

Also

No. 835. *Resolved*, That the petition of Messrs. Kerr & Fox, of Pittsburgh, contractors for the erection of Water Tower House No. 1, Smithfield street and Second avenue, for an extension of the time of completion of said building from November 1st, 1900, to December 29th, 1900, which petition is hereto attached, shall be and the same is hereby approved, permitted and granted; and that the Director of the Department of Public Safety shall be and he is hereby authorized, empowered and directed not to enforce the liquidated damage clause in the contract between the said Messrs. Kerr & Fox and the City of Pittsburgh for the erection of said Water Tower House No. 1, for any time which the said City of Pittsburgh has not possession and does not occupy said building prior to the said date, viz: December 29th, 1900.

Also

No. 836.

PITTSBURGH, PA., Oct. 20, 1900.

J. O. Brown, Esq., Director Department Public Safety, Pittsburgh, Pa.:

DEAR SIR:—We hereby respectfully ask that our time for completing Engine House No. 29 be extended to December 1, 1900, for the following reasons, viz.:

The contract being awarded to us about the middle of January of this year, owing to the condition of the weather and on account of the streets being unpaved we were unable to do any work for a period of three months; when the weather was fit to work our subcontractor for the excavating, Mr. Charles Zollinger, of the Thirty-seventh ward, was unable to make any headway, as he could not pull through the mud, and when the ground was frozen hard enough it was too cold for his men to work; this went on for the above mentioned period. When we got ready for the concrete and stone work the weather was so severe and cold that the architect, Mr. Fair, and the Inspector on the work refused to let us work, as, of course, we could not do satisfactory work, and it was only when it was not freezing that we could do any work, "as per the orders of the architect." Then, again, the adjoining house had to be underpinned and shored up before we could do any work on the upper side of the building; this took about three weeks; we could not get the owner of the said property to do anything until we were finally compelled to put the matter into the hands of the city Building Inspector, who took immediate action, and we got an order to go ahead and protect the property, which we did. All the above, taken together, we were delayed for the above mentioned time. After we got the building plastered, and after a consultation with the architect, in order to have a good and perfect job of interior woodwork we decided to let the work stand until it was thoroughly dry of its own accord, that is, not to force the drying in any way; this was a delay of another month; this was necessary on account of finishing the in-

terior of the building in oak. We, in order to do a perfect job of interior work, have not pushed it, as you know to do work well and lasting it takes time; however, we have not been negligent in any way, as we have always had a good force of men working and nothing but the very best of mechanics. We have also been delayed by trades strikes and other contingencies beyond our control. First, the bricklayers' strike, and then the plumbers' strike; and, of course on account of it being public work we could not work any but union men, as we could not afford to antagonize the trades union.

We have been especially anxious to do a good piece of work, and we think that the building shows for itself, and we sincerely hope that you will take all the above into consideration and grant us the extension asked for. Of course, it may not take all the time asked for; we intend to finish and complete the work just as soon as we can now consistent with good workmanship, and we will give you the building just as quickly as it is possible to do so.

Hoping that the above mentioned facts will be a sufficient reason for granting us the extension asked for,

We are very respectfully,
KERR & FOX.

P. S.—At the present time, unless something unforeseen happens, we will be able to give you engine houses Nos. 30 and 31 in advance of the time specified for completion in our contract. We intend to give you same just as soon as possible.

Also

No. 837. *Resolved*, That the petition of Messrs. Kerr & Fox, of Pittsburgh, contractors for the erection of Engine House No. 29, corner Hamilton and Braddock avenues, for an extension of the time of completion of said building from August 11th, 1900, to December 1st, 1900, which petition is hereto attached, shall be and the same is hereby approved, permitted and granted; and that the Director of the Department of Public Safety shall be and he is hereby authorized, empowered and directed not to enforce the liquidated damage clause in the contract between the said Messrs. Kerr & Fox and the City of Pittsburgh for the erection of said Engine House No. 29, for any time which the said City of Pittsburgh has not possession and does not occupy said building prior to the said date, viz: December 1st, 1900.

Which was referred to the Committee on
Public Works

Mr. Bigham presented

No. 870.

OCTOBER 20, 1900.

To the Select and Common Councils of the City of
Pittsburgh:

Your petitioner, H. E. Holman, of the City
of Pittsburgh, respectfully represents:

That the City of Pittsburgh caused to be
sold by the Sheriff of Allegheny County on a
municipal lien entered to No. 10 August
Term, 1897, three certain lots of ground on
Dearborn street, in the Nineteenth ward of
said city, known as lots Nos. 31, 32 and 33 in
F. A. O'Hara's plan.

That as shown by the records of Allegheny
County the City of Pittsburgh had made sev-
eral ineffectual efforts to collect the taxes on
this property by issuing execution, and no
sales were made for want of bidders.

That said three lots were formerly the
property of John Corr, who obtained them by
purchase from Francis A. O'Hara in the year
1873, and that the deed of said John Corr was
duly registered in the proper office of said
City of Pittsburgh. That said City of Pitts-
burgh thereafter levied taxes on said lots in
the name of John Corr. That the sale on the
M. L. D. entered at No. 10 August Term, 1897,
was in the name of John Corr with notice to
John Corr, and that at the time of said sale
a representative of said city attended and
bid on said property.

That your petitioner inquired if the bid of
said city covered all taxes that were a lien on
said lots, and being assured by said repre-
sentative that it did, he thereupon bid
\$1,134.00 for said property, and it was knocked

down to him and a deed therefor made and
delivered to him by the said Sheriff.

That the Sheriff of Allegheny County, as
shown by his special return filed in the case,
distributed all of said \$1,134.00 to the City of
Pittsburgh and the County of Allegheny for
taxes and costs.

That the property so sold was unimproved
real estate apparently abandoned by the
former owner, and that the taxes as entered
show a great variation in the assessment and
that the amount received by said city if
equally distributed over the years for which
taxes had been allowed to become delinquent
represent all the taxes that would have been
due on a just, equitable and even assess-
ment.

That the said city has caused certain taxes
to be entered in the Prothonotary's office of
Allegheny County (a schedule whereof is
hereunto attached and made a part hereof)
which still remain open and unsatisfied and
are a cloud upon petitioner's title.

That your petitioner is informed and be-
lieves that said taxes are not a lien on his said
property and are totally lost and uncollecta-
ble. He therefore prays that the Treasurer of
said city be exonerated from the collection of
the same, and that a certificate of such ex-
oneration be furnished the Controller of said
city, with authority to satisfy the same of
record.

That the facts set forth in the foregoing pe-
tition are correct and true as your petitioner
verily believes.

Sworn and subscribed be-
fore me this 2d day of Oc- } H. E. HOLMAN.
ber, A. D. 1900.

W. C. GEARING,

Asst. City Clerk.

Schedule of taxes open and unsatisfied, as-
sessed on lots 31, 32 and 33 in F. A. O'Hara's
plan, Nineteenth ward of the City of Pitts-
burgh, as shown by the records of Allegheny
County:

Also

No. 871.

WHEREAS, H. E. Holman, of the Nineteenth ward of the City of Pittsburgh, has presented his petition to the Councils in accordance with the ordinances of said city in such case made and provided, and

WHEREAS, Said petition sets forth that certain taxes for the years 1878 to 1886 inclusive were assessed against three certain lots in the Nineteenth ward of said city, being lots Nos. 31, 32 and 33 in P. A. O'Hara's plan, in the name of John Carr, said taxes aggregating the sum of \$201.01, and

WHEREAS, The records of said city show that John Carr and not John Carr was the due and legally registered owner of said lots, and

WHEREAS, Said city caused an execution to be issued at No. 10 August Term, 1897, on a municipal lien against said lots and they were sold by the Sheriff of Allegheny County, Pa., to said Harry E. Holman for the sum of eleven hundred and thirty-four dollars (\$1,134), he being the highest and best bidder for the same, and the entire amount of said sum was applied by the said Sheriff to the payment of taxes and municipal claims of said city and to taxes to the County of Allegheny, and

WHEREAS, It is made to appear in and by said petition that the said taxes for the years 1878 to 1886, both inclusive, are wholly lost and uncollectable; now, therefore, be it

Resolved, That the Collector of Delinquent Taxes of said city be exonerated from the collection of the said taxes, entered in the Prothonotary's office of Allegheny County as follows, viz:

42 Dec. Term, 1880, scl. fa. to 177 Dec. Term, 1899.	
Tax for year 1877.....	\$ 19.19
71 Sept. Term, 1881, scl. fa. to 406 Dec. Term, 1899.	
Tax for the year 1878.....	20.65
37 March Term, 1883, scl. fa. to 1218 Dec. Term, 1899.	
Tax for 1879.....	30.31
35 Sept. Term, 1882, scl. fa. to 1280 Dec. Term, 1899.	
Tax for 1880 and 1881.....	36.84
37 Sept. Term, 1884, scl. fa. to 1774 Dec. Term, 1899.	
Tax for 1882 and 1883.....	41.77
846 Dec. Term, 1885, scl. fa. to 409 Dec. Term, 1899.	
Tax for 1884.....	23.61
1049 Dec. Term, 1886, scl. fa. to 2190 Dec. Term, 1899.	
Tax for 1885.....	17.50
945 June Term, 1887, scl. fa. to 965 Dec. Term, 1899.	
Tax for 1886.....	11.55
Total.....	\$201.01

And the said Collector of Delinquent Taxes be and he hereby is authorized and directed to enter satisfaction on the record of the same and charge the cost thereof to the City of Pittsburgh.

Which were referred to the Committee on Finance.

And on motion

Which were severally referred to the Committee on Finance.

Also, No. 880.

November 12th, 1900.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—I have the honor to transmit herewith report of F. A. Kimball, C. P. A., relative to his findings in the audit of the books and accounts of the South Side Market, Bureau of City Property, to August 31st, 1900.

The suggestions therein submitted have been taken up, and forms indicated to comply with the same.

Respectfully submitted,

J. E. LEWIS, Controller.

PITTSBURGH, PA., November 7, 1900.

HON. JOS. E. LEWIS,

City Controller.

DEAR SIR:—I have the honor of reporting to you that we have audited the stub-books and

books of South Side Market from February 1, 1893, to August 31, 1900, and find them correct, with the exception of a few trivial errors, resulting in a balance of 53 cents due city, for which please find receipt attached for the payment thereof.

The receipts given to parties paying money at the Markets would suit your purpose better if numbered and their respective stubs numbered to correspond therewith. Also, no lease book has ever been kept of the stalls of this Market, and, while its superintendent is very careful with his books and records, it would seem desirable to introduce regularly

written or printed leases, properly approved, as against oral ones.

A "Charge-Book," which is a Stall Register on the columnar plan, has been introduced of late years, it makes a record of stalls vacant as well as stalls occupied, and relieves the vagueness which existed on the ledgers in years gone by when stalls were vacant.

This Market and its accounts appear to have received careful attention as far back as it has been my privilege to examine its records.

Respectfully submitted,

F. A. KIMBALL, C. P. A., Auditor.

No 881.

November 12, 1900.

To the Select and Common Councils of the City
of Pittsburgh:

GENTLEMEN:—I have the honor to transmit herewith, report of F. A. Kimball, C. P. A., relative to his findings in the audit of the books and accounts of the Diamond, Wharf, Adams and Fifth Avenue Market, Bureau of City Property, to August 31, 1900.

Regarding the Stub Books, reported as lost, I have directed diligent search to be made, in the hope that they may yet be recovered.

Your attention is called to the *addendum* herewith attached, relative to the Old City Hall Lease, held by Mr. A. H. Brockett. Under his management, it is gratifying to announce the increase of revenue for the years 1896, '7, '8 and '9 is over 100 per cent. more than that from the same source for 1893, '4 and '5.

The subject of improving the accounting therefore, has been taken up and will be given immediate attention.

Respectfully submitted,

J. E. LEWIS,
Controller.

PITTSBURGH, November 8, 1900.

HON. JOS. E. LEWIS,
City Controller.

DEAR SIR:—I have the honor of reporting to you that we have audited the stub-books (except as hereinafter noted), and books of Diamond, Wharf, Adams and Fifth Avenue Markets, from February 1, 1893, to August 31, 1900, and find them correct, except a few trivial errors, resulting in a balance of \$1.75 due city, for which please find receipt attached for the payment thereof.

In Daily Vendors' stub-books many receipts are noted on the stubs as "lost." It would be better to construct a book of material strong

enough to hold together until used, and also to number each receipt, and also let its corresponding stub have the same number.

Lease-book, 1896, stub No. 293, for stall No. 120, reads: "Terms, 4 years from April 1, 1896, \$1,200," while the books show that \$1,320 was collected.

Lease No. 293, 1898, Stall No. 123, was leased to Jno. Mengel for four years at \$900 per annum. It was subsequently assigned to F. Pasquella by said Mengel. The city only received \$595 that year for this stall. The "Charge-Book" (Stall Register) notes this stall as vacant two months.

The stub-books referred to at the beginning hereof as lost are as follows:

Quarterlies, Diamond Market, October, 1895.

Quarterlies, Diamond Market, January and April, 1896.

Quarterlies, Diamond Market, July and October, 1896.

Quarterlies, Diamond Market, January, 1897.

Daily Vendors, Wharf Market, October and November, 1897.

Daily Vendors, Wharf Market, November, 1899.

These books were delivered to the Bureau of City Property by the Superintendent of Markets and receipt taken therefor. But notwithstanding the fact that the Superintendent of the Bureau of City Property has made diligent search therefor, so far he has been unable to discover them.

It has been my privilege to examine the accounts of these markets for a period of many years, and I find that the Superintendent thereof is very careful and attentive in the discharge of his duty.

Respectfully submitted,

F. A. KIMBALL, C. P. A.,
Auditor.

Which motion prevailed.

PITTSBURGH, PA., November 10, 1900.

Hon. Jos. E. Lewis, City Controller:

DEAR SIR:—I have the honor of submitting to you as a separate matter the account of "Old City Hall," after the expiration of its lease to Mozart Club at \$1,000 per annum.

This data is included in Diamond Market returns, but after the expiration of the lease of the Mozart Club, Old City Hall is placed with Mr. A. H. Brockett on a commission basis, and in

1896 we have net.....	\$3,237 65
1897 " "	1,920 15
1898 " "	1,779 90
1899 " "	1,748 88

Or a total of.....\$8,686 58

A yearly average of.....\$2,171 64

Or over \$1,000 more than the income from this source for 1893, 1894 or 1895, and is to be considered in studying the income from Diamond Market.

Mr. Brockett should keep a receipt-book, cash book and ledger as a basis for his reports to the City, and also in order that his business can be audited speedily and satisfactorily.

The ledger is suggested for the purpose of keeping a record of any possible running accounts, or where, owing to an accident, the amount due had not been discharged in cash.

Respectfully submitted,

F. A. KIMBALL, C. P. A.,

Auditor.

WHEREAS, In arranging and classifying the records of the City of Pittsburgh, preparatory to placing same on file in the Book Room, prepared for that purpose, a large number of Municipal Records, embracing the records of Councils for several years, and also a number of Thompson's Digests, 1884-1886, authorized December 1, 1884, have been found stored upon the fifth floor of the Municipal Building; and,

WHEREAS, The filing of said records, as found, would only occupy valuable space, and be productive of no benefit; therefore, be it

Resolved, That the City Controller be and he is hereby authorized and directed to distribute said Municipal Records and Digests to such citizens of the City of Pittsburgh as may

desire the same; preserving one copy for the purpose of filing in said Book Room; and, be it further

Resolved, That in the event of there being no demand for said records, that the Controller be and he is hereby authorized and directed to dispose of the same as, in his judgment, may be deemed wise and proper.

No. 919. An Ordinance providing for the management and control of the City Scales and Weigh Scales throughout the city, and regulating the price to be charged for weighing coal, etc.

Which were referred to the Committee on Finance.

Also.

No. 920.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—I have the honor to transmit herewith the report of F. A. Kimball, C. P. A. Auditor, relative to his examination of the accounts of the several Weighmasters.

While it is gratifying to note the fact that all moneys due the city from the respective scales have been paid into the treasury, I feel it my duty to call your attention to a condition which imperatively demands some action on the part of your honorable bodies.

After the passage of the present City Charter, the control and direction of the Weigh Scales was assumed by the Director of the Department of Public Works. He appointing the Weighmasters, and fixing the percentage of gross receipts to be retained by the appointees as compensation for the management of the scales. The report of the auditor shows the percentage thus fixed to be varied, running at 50, 55, 65, 75 and 85 per cent.

Under date of September 5, 1900, the Director of the Department of Public Works raised the question as to his authority in the premises, and investigation fails to show any assignment of direction or authority over the weigh scales to the director.

Under the provisions of the city code, it appears the control of the weigh scales is vested entirely in the Committee on Finance, which, if put into operation, would be a step backward, for in the adoption of the City Charter, the purpose intended and believed to be wise, was the separating of the executive function from the legislative.

I would ask, therefore, the passage of such regulations as would place the Director of the Department of Public Works, in charge of the several weigh scales, located throughout the city.

Numbers of verbal complaints, both by the weighmasters and those requiring the use of the City Scales, have been made, with reference to the schedule of rates now in operation. One complaint in particular, because most frequently made, I here note:

Sand, each load, one ton or less 5c
Each additional ton or fractional part thereof 3c

The schedule does not include *stone*, and it therefore comes under general weighing, with the following result:

Each draft, less than one ton 15c
Each additional ton or fractional part 10c

The adjusting and revision of the present schedule of rates I believe to be necessary, and your attention is respectfully called thereto.

Your attention is finally called to the revenue derived by the city from the business done by the weighmasters. In a number of instances, the scales appear to entail expense and yield no revenue. The notable exception being the Tenth Street Scales; and in that case Mr. Wm. Sipple informs me that he cannot afford, on the basis of 50 per cent., to continue the management of said scales, protesting the last payment made by him of \$271.28, and claiming the change had been authorized from a 50 to a 75 per cent. fee. Finding no record of this, and being unable to obtain any evidence to that effect, the claim was disallowed and the money paid.

Should this reduction be made in the future, it is a question if the cost of building scales, and maintenance thereof, will not exceed the revenues derived.

In conclusion, to meet the features to which your attention has been especially called, I have prepared an ordinance, which is respectfully presented herewith, with the request that it be considered by your honorable bodies, and passed, if it be found proper and right.

Respectfully Submitted,

J. E. LEWIS,
Controller.

Which was read, received and filed.

The Superintendent of City Property furnishes the following list of weigh scales as those belonging to the city:

Duquesne Way.

Dyke street.

Hazelwood avenue.

Tenth street.

Seventeenth ward.

Twentieth ward, Moreland.

Twentieth ward, Shadyside.

Twenty-first ward.

Twenty-sixth ward.

Thirty-first ward.

Thirty-second ward.

Thirty-fourth ward.

And Thirty-second street.

From "Twentieth ward, Moreland," and "Thirty-second street," you will observe that this audit, reaching back to February 1, 1898, finds no money returned from either to the city; also we are informed by your superintendent, before mentioned, that "Twentieth ward, Shadyside," has no property in the site or foundation. The city owns only the scales.

Attached hereto please find statement of "gross earnings" of weigh scales, also statement showing the "expenditures" thereon for the years of 1895, 1896, 1897, 1898 and 1899.

Those scales upon which no money has been expended within the years named had been put in good order a short time before this.

While I am well aware that you have put many reforms into the weighmasters' methods of doing business, I cannot forego asking you to have them add their stub books and arrange their monthly totals on the blank side of the stubs and copy their report therefrom. This would enable your auditors to show them readily where any difference occurs and also to audit their stub books without taking the time to handle their reports.

Respectfully Submitted,

F. A. KIMBALL, C. P. A.,

Auditor.

No. 931.

PITTSBURGH, November 26, 1900.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—I herewith transmit to your honorable bodies a communication received from the hands of Mr. Andrew Carnegie, under date of November 15, 1900. In this letter Mr. Carnegie proposes that if the City of Pittsburgh will furnish a suitable site, he will provide all the money for a polytechnical institute. He will also endow it with \$1,000,000 five per cent. gold bonds, yielding a revenue of \$50,000 a year. The management of the school and its endowment, Mr. Carnegie desires, should be undertaken by the Board of Trustees now having charge of the Carnegie Institute, comprising the library, art gallery, museum and music hall. The proposition of Mr. Carnegie is hereby submitted for such action as Councils may deem proper.

In this connection I desire to say that the offer of Mr. Carnegie is one the value of which is beyond measure. We have continually before us the evidence of the great good that has and is being accomplished by the generous gift he has already made to this city, the Carnegie Institute. The means of enjoying art, music, science and literature, with their educating influences, have been brought within reach of every citizen of Pittsburgh. They have been a great benefit to the present generation, and it is beyond question that they will exert a powerful and beneficent influence over the generations to come.

A polytechnical institute, such as Mr. Carnegie proposes to establish in Pittsburgh, will be of unbounded benefit. To a manufacturing center such as this its worth cannot be estimated. The Central Board of Education has recognized the need of such an institute, and the magnificent position of Mr. Carnegie places within reach of the city at a bound what it would take a long time to obtain by the ordinary method of providing for the cost in the tax rate. Mr. Carnegie's only condition is that the city provide a suitable site, with ample room for future extension to meet the certain growth of Pittsburgh. I trust Councils will accept this splendid gift.

Respectfully yours,

W. J. DIEHL,
Mayor.

HON. WM. J. DIEHL,
Mayor, City of Pittsburgh.

HONORED SIR:—I learned with deep interest that the Central Board of Education had asked the City of Pittsburgh for \$100,000 to begin a Technical School, no doubt to obtain for the bright youth of the High School the essential advantages which technical education in our day affords.

For many years I have nursed the pleasing thought that I might be the fortunate giver of a Technical Institute to our city fashioned upon the best models, for I know of no institution which Pittsburgh, as an industrial center, so much needs. I postponed moving in the matter because I wished the Carnegie Institute to be fairly launched upon its new developments before drawing the attention of Pittsburgh to the Technical Institute. The action of the Educational Board, however, impels me to step forward now and ask that I may be allowed to do what I have long wished to do for Pittsburgh.

I have given much attention to Technical Schools both in the United States and Great Britain during the past few years. The work now being done by the Technical Institutes in Boston and Worcester, the Drexel Institute in Philadelphia, the Pratt Institute in Brooklyn, the Armour Institute in Chicago, is most encouraging.

In Great Britain the Keithley Institute and the Halifax Institute, which I visited in September last to distribute the prizes to the students, gave me quite a surprise; nearly one-half of the 1,100 students in the former, and fully one-half of the 1,400 in the latter were young men and women workers, during the day, improving themselves in various studies pertaining to their crafts in the evening classes of these institutions. I told these students that this fact impressed me more than any other. It recalled an essay written

by my grandfather to Cobbet's Register, which that great man pronounced the most valuable communication ever published in the Register. It was entitled "Handicraft versus Headicraft;" in that article my grandfather thanked God that in his youth he had learned to make and mend shoes.

It is really astonishing how many of the world's foremost men have begun as manual laborers. The greatest of all, Shakespeare, was a wool-carder; Burns, a plowman; Columbus, a sailor; Hannibal, a blacksmith; Lincoln, a rail-splitter; Grant, a tanner. I know of no better foundation from which to ascend than manual labor in youth.

We have two notable examples of this in our own community, whose fame is world wide. George Westinghouse was a mechanic; Prof. B. Shear a millwright.

I believe that a first-class technical school, probably as large as that of Worcester, would develop latent talent around us to such extent as to surprise the most sanguine.

If the City of Pittsburgh will furnish a site, which I hope will be of ample size for future extensions, I shall be delighted to provide the money for such a school, taking care to provide room for additions to the buildings, to meet the certain growth of Pittsburgh.

I would endow it with \$1,000,000 five per cent. gold bonds, yielding a revenue of \$50,000 per year.

The rare ability with which the Trustees of the Carnegie Institute have managed it, and the results which have so surprised and gratified me, naturally lead me to beg these gentlemen to take charge of the Technical Institute and its endowment. I had only to plead that their increased labors were for the good of Pittsburgh, to be assured by everyone that I have so far had an opportunity of consulting, that they would gladly assume the enlarged responsibility.

I propose, therefore, Mr. Mayor, to include the Technical School with the Institute, and have therefore made its endowment equal to the latter.

There are many questions to decide, involving investigation, careful study and much labor; among these, whether fees should be charged, as at the Armour, Drexel, Worcester and Boston Institutes, and, in fact, I might say all the technical schools, or whether we can take a new departure and arrange that the students of the High School, for instance, should have the doors of the Technical School open to them free. This and many other questions must be left to the Commission. But I am in a position to assure you that the Commission is prepared to face the problem, and that my heart is in the work.

Very respectfully yours,

ANDREW CARNEGIE.

PITTSBURGH, November 26, 1890.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—I desire to call the attention of your honorable bodies to the fact that the first of January next will usher in a new century. In many cities of the country the municipal authorities, as shown by the newspapers, are arranging to greet the new century with some fitting ceremony or civic display.

It is needless on my part to point out the wonderful progress that has marked the 100 years that are drawing to a close. They have seen this country grow from its infancy into a world power, and its people become one of the greatest and most prosperous nations of the earth. To-day we are enjoying an era of un-equaled prosperity, and the people of Pittsburgh, together with the rest of the people of the United States, have much to be thankful for. It would be fitting for Pittsburgh to celebrate in some suitable manner the close of a century in which so much has been accomplished, and the beginning of a new one under such propitious circumstances. I think it is within the province of Councils to arrange for such suitable celebration, and therefore respectfully suggest the matter for your consideration and action.

Respectfully yours,

W. J. DIEHL,
Mayor.

PITTSBURGH, December 10, 1900.

To the Presidents and Members of Select and Common Councils.

GENTLEMEN:—Your committee appointed to consider the matter of arranging for a fitting celebration to usher in the Twentieth century, begs leave to report that it has met and organized by the election of Joseph G. Armstrong as chairman and W. C. Gearing as clerk. It was decided by the committee that a proper observance of the expiration of the old century and the birth of the new one would be by the holding of a watch meeting at Old City Hall, Market street, on the night of December 31, 1900, and in the early hours of the morning of January 1, 1901. Music and fitting addresses would constitute the programme for the meeting. It was decided to hold a reception on New Year's Day, 1901, at Municipal Hall, Smithfield street, the Hall and building to be appropriately decorated. All the city and county officials and judges of the Federal and State courts will be invited to assist in the celebration and reception. Chairman Armstrong has been authorized to appoint the necessary sub-committees to attend to the necessary details for the meeting and reception. The committee adjourned to

meet Saturday next at 3 P. M. at the office of the City Clerk.

Respectfully submitted,

JOS. G. ARMSTRONG,
Chairman.

Which was read.

Mr. **Bigham** moved

That the report be received and approved.

Which motion prevailed.

No. 931.

PITTSBURGH, November 26, 1900.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—I herewith transmit to your honorable bodies a communication received from the hands of Mr. Andrew Carnegie, under date of November 15, 1900. In this letter

Mr. Carnegie proposes that if the City of Pittsburgh will furnish a suitable site, he will provide all the money for a polytechnical institute. He will also endow it with \$1,000,000 five per cent. gold bonds, yielding a revenue of \$50,000 a year. The management of the school and its endowment, Mr. Carnegie desires, should be undertaken by the Board of Trustees now having charge of the Carnegie Institute, comprising the library, art gallery, museum and music hall. The proposition of Mr. Carnegie is hereby submitted for such action as Councils may deem proper.

In this connection I desire to say that the offer of Mr. Carnegie is one the value of which is beyond measure. We have continually before us the evidence of the great good that has and is being accomplished by the generous gift he has already made to this city, the Carnegie Institute. The means of enjoying art, music, science and literature, with their educating influences, have been brought within reach of every citizen of Pittsburgh. They have been a great benefit to the present generation, and it is beyond question that they will exert a powerful and beneficent influence over the generations to come.

A polytechnical institute, such as Mr. Carnegie proposes to establish in Pittsburgh, will be of unbounded benefit. To a manufacturing center such as this its worth cannot be estimated. The Central Board of Education has recognized the need of such an institute, and the magnificent proposition of Mr. Carnegie places within reach of the city at a bound what it would take a long time to obtain by the ordinary method of providing for the cost in the tax rate. Mr. Carnegie's only condition is that the city provide a suitable site, with ample room for future extension to meet the certain growth of Pittsburgh. I trust Councils will accept this splendid gift.

Respectfully yours,

W. J. DIEHL,

Mayor.

CARNEGIE STEEL COMPANY, }
General Offices, Carnegie Building, }
PITTSBURGH, PA., Nov. 15, 1900. }

HON. WM. J. DIEHL,

Mayor, City of Pittsburgh.

HONORED SIR:—I learned with deep interest that the Central Board of Education had asked the City of Pittsburgh for \$100,000 to begin a Technical School, no doubt to obtain for the bright youth of the High School the essential advantages which technical education in our day affords.

For many years I have nursed the pleasing thought that I might be the fortunate giver of a Technical Institute to our city fashioned upon the best models, for I know of no institution which Pittsburgh, as an industrial center, so much needs. I postponed moving in the matter because I wished the Carnegie Institute to be fairly launched upon its new developments before drawing the attention of Pittsburgh to the Technical Institute. The action of the Educational Board, however, impels me to step forward now and ask that I may be allowed to do what I have long wished to do for Pittsburgh.

I have given much attention to Technical Schools both in the United States and Great Britain during the past few years. The work now being done by the Technical Institutes in Boston and Worcester, the Drexel Institute in Philadelphia, the Pratt Institute in Brooklyn,

the Armour Institute in Chicago, is most encouraging.

In Great Britain the Keithley Institute and the Halifax Institute, which I visited in September last to distribute the prizes to the students, gave me quite a surprise; nearly one-half of the 1,100 students in the former, and fully one-half of the 1,400 in the latter were young men and women workers, during the day, improving themselves in various studies pertaining to their crafts in the evening classes of these institutions. I told these students that this fact impressed me more than any other. It recalled an essay written by my grandfather to Cobden's Register, which that great man pronounced the most valuable communication ever published in the Register. It was entitled "Handicraft versus Headcraft;" in that article my grandfather thanked God that in his youth he had learned to make and mend shoes.

It is really astonishing how many of the world's foremost men have begun as manual laborers. The greatest of all, Shakespeare, was a wool-carder; Burns, a plowman; Columbus, a sailor; Hannibal, a blacksmith; Lincoln, a rail-splitter; Grant, a tanner. I know of no better foundation from which to ascend than manual labor in youth.

We have two notable examples of this in our own community, whose fame is world wide. George Westinghouse was a mechanic; Prof. Brinsford a millwright.

I believe that a first-class technical school, probably as large as that of Worcester, would develop latent talent around us to such extent as to surprise the most sanguine.

If the City of Pittsburgh will furnish a site, which I hope will be of ample size for future extensions, I shall be delighted to provide the money for such a school, taking care to provide room for additions to the buildings, to meet the certain growth of Pittsburgh.

I would endow it with \$1,000,000 five per cent. gold bonds, yielding a revenue of \$50,000 per year.

The rare ability with which the Trustees of the Carnegie Institute have managed it, and the results which have so surprised and gratified me, naturally led me to beg these gentlemen to take charge of the Technical Institute and its endowment. I had only to read that their increased labor were for the good of Pittsburgh, to be assured by everyone that I have so far had an opportunity of consulting, that they would gladly assume the enlarged responsibility.

I propose, therefore, Mr. Mayor, to include the Technical School with the Institute, and have therefore made its endowment equal to the latter.

There are many questions to decide, involving investigation, careful study and much labor; among these, whether fees should be charged, as at the Armour, Drexel, Worcester and Boston Institutes, and, in fact, I might say all the technical schools, or whether we can take a new departure and arrange that the students of the High School, for instance, should have the doors of the Technical School open to them free. This and many other questions must be left to the Commission. But I am in a position to assure you that the Commission is prepared to face the problem, and that my heart is in the work.

Very respectfully yours,

ANDREW CARNEGIE.

Which was read, received and filed, and ordered spread in full and at length upon the minutes of the Councils of the city.

No. 880. The City of Pittsburgh having received from Andrew Carnegie his communication of date November 15th, 1900, containing his most generous proposition to erect and equip a technical institute within this city and for this city, and to endow the same as set forth in said communication:

Resolved, That the City of Pittsburgh does hereby tender to Mr. Carnegie the thanks of this municipality for his generosity, and his continued substantial interest in the progress and welfare of this community, and does also assure him that this city will gladly meet, consult and co-operate with him concerning every detail necessary to a most speedy completion of this school.

Resolved, Further, that the said communication of Mr. Andrew Carnegie be spread in full and at length upon the minutes of the councils of this city.

C. C. No. 781.

PITTSBURGH, PA., October 8, 1900.

CLARENCE BURLEIGH, Esq.,

City Attorney,

Pittsburgh, Pa.

DEAR SIR:—Our clients authorize us to offer, in settlement of the claims of the city arising out of the alleged defalcations of the late Superintendent of the Bureau of Highways and Sewers, to pay the full amount of defalcations as reported by the City Auditors since the first day of March, 1893, covering the whole period within the statute of limitations applicable to such cases, less the amount paid to the City Treasury by the said Superintendent on account of such shortage. This offer is made up in the following conditions:

First. That the City of Pittsburgh, upon the making of said payment, shall release the late Director of the Department of Public Works from all further or other liabilities of any kind.

Second. That such settlement with the city shall not, in any manner, affect the right of the late Director of the Department of Public Works to recover from the sureties of the said Superintendent of Highways and Sewers upon the several bonds given by him for the

faithful performance of duty; and, if necessary, the city shall assign its rights, if any, in the said bonds to E. M. Bigelow.

Yours very truly,

WATSON & MCCLEAVE,

Attorneys for E. M. Bigelow.

PITTSBURGH, PA., December 8, 1900.

CLARENCE BURLEIGH, Esq.,

City Attorney,

Pittsburgh, Pa.

DEAR SIR:—At your suggestion our proposition of October 8th, 1900, for the settlement of the city's claim against the late Director of the Department of Public Works is modified so as to limit the release by the City of Pittsburgh upon the payment of the sum proposed, to all liabilities of the late Director of the Department of Public Works arising out of any and all defalcations of Samuel T. Paisley or any liabilities in connection therewith.

Yours truly,

WATSON & MCCLEAVE,

Attorneys for E. M. Bigelow.

Which was read, received and filed.

No. 981.

Resolved, That the City of Pittsburgh accepts the proposition of E. M. Bigelow, late Director of the Department of Public Works of this city, made through his attorneys, Watson & McCleave, in their communication of October 8th, 1900, as modified by their subsequent communication of December 8th, 1900, (both of said letters being hereto attached and made part hereof), to wit: To settle the claims of the city arising out of the alleged defalcations of the late Superintendent of the Bureau of Highways and Sewers, by paying the full amount of defalcations as reported by the city auditors since the first day of March, 1893, covering the whole period within the statute of limitations applicable to such cases, less the amount paid into the city treasury by the said Superintendent on account of such shortage. The offer being made upon the following conditions:

1. That the City of Pittsburgh, upon the making of said payment shall release the late Director of the Department of Public Works from all liabilities arising out of any and all defalcations of Samuel T. Paisley, or any liabilities in connection therewith.

2. That such settlement with the city shall not in any manner affect the right of the late Director of the Department of Public Works to recover from the sureties of the said Superintendent of Highways and Sewers upon the several bonds given by him for the faithful performance of duty, and, if necessary, the city shall assign its rights, if any, in the said bonds to E. M. Bigelow.

Resolved, further, That the City Controller shall, upon the payment of the above amount to him for the City of Pittsburgh, certify that fact to the City Attorney, who shall discontinue of record, at the costs of the city, any and all actions instituted against the late Director of the Department of Public Works, and his bondsmen, and said Controller shall also in behalf of said city make execute and deliver to the said late Director the release mentioned in the first condition hereinabove quoted.

Which was read.

And the rule having been suspended, the resolution was read a second and third times and finally passed by the following vote:

WHEREAS, Center avenue, in the City of Pittsburgh, from Soho street to Highland avenue, was improved under An Ordinance of the Councils of the said City of Pittsburgh; and,

Whereas, The Court of Common Pleas No. 3 of Allegheny County appointed viewers to assess the damages and benefits to property by reason of such improvement, which viewers made report to the said Court; and,

Whereas, Certain of the owners of properties assessed with benefits for the said improvement made payment to the city of the amounts appearing to be assessed against them by the said report of viewers; and,

Whereas, The said report of viewers was afterwards, by the consent of the said city, set aside by the said Court, and the viewers were directed to make a new assessment of the damages and benefits, and the said viewers did make such new assessment and reported the same to the said Court, and the said second report of viewers was upon application of the said city, finally confirmed on February 24th, 1899; and,

Whereas, By the said final report of viewers a part of the cost of the said improvement is assessed against the City of Pittsburgh, and the assessments of benefits against the properties abutting upon the said improvement are reduced below the amounts assessed by said first report of viewers, and below the amounts paid into the City Treasury by certain of the owners of property assessed with benefits; and,

Whereas, It is just and proper that the amounts paid into the City Treasury, over and above the amounts of the said final assessments, should be refunded and repaid to the persons so paying the same; therefore, be it

Resolved, By the Select and Common Councils of the said City of Pittsburgh that the city repay and refund to all persons assessed with benefits for the improvement of Center avenue such amounts as they may have paid into the City Treasury on account of the said improvement over and above the amounts of benefits assessed against their respective properties by the final report of viewers of the said improvement, filed in the Court of

Common Pleas No. 3 of Allegheny County at No. 323 November Term, 1891, and confirmed by the said Court on February 24th, 1899; and that the Controller make a schedule of such over payments, and an appropriation for the payment of the same be made in the next annual appropriation ordinance.

C. C. No. 781.

WHEREAS, The Ritter-Conley Manufacturing Company, of Pittsburgh, entered into a contract with the City of Pittsburgh in October, 1885, for the construction of ten (10) boilers, complete, with foundations, steam piping and everything incident thereto, for the contract price of forty-four thousand dollars (\$44,000.00) and over; and,

Whereas, The said manufacturing company practically completed the said contract, and did actually and fully complete all the foundation work necessary and incident to the same, according to the plans and specifications therefor; and,

Whereas, Some months after all of the said foundation work was so completed, as aforesaid there was an extraordinary flood, freshet or rise in the Allegheny river, which caused the said Allegheny river to rise much higher than it had risen for years before that time, and to remain stationary at its highest point for a long period, namely, for three or four days; and,

Whereas, By reason of this act of God, without any fault whatever upon the part of the said manufacturing company, or because of the construction or workmanship upon said wall, but solely because of the extraordinary, extreme and unheard-of flood, as aforesaid, and the inevitable force of the water connected therewith, the said foundation work settled, and the said foundation walls, and all of the concrete work connected therewith or incident thereto cracked, rendering it necessary that the same be renewed; and,

Whereas, The said manufacturing company by reason thereof, and with the knowledge and consent of the said City of Pittsburgh, dismantled the entire boiler plant, took out all of the foundation work and the concrete work, the brick walls, stokers and all steam piping connected therewith, all of which was necessary and imperative, and did renew and rebuild all of the same in such manner as to prevent a repetition of said occurrence, even if the said locality was to be revisited by such extraordinary storms, freshets and rises, putting therein, in addition to everything called for by the said contract, twelve steel caissons, running twenty-eight feet, or thereabout, below the floor level, riveted ten steel girders crosswise and placed many rolled steel "I" beams lengthwise thereon, filling the said steel caissons inside and outside with concrete, and did also rebuild the said foundation walls, replace the said

concrete and the said stokers and the said steam pipe at a cost and outlay to the said manufacturing company, without any profit or gain whatever thereon, of the sum of thirteen thousand six hundred fifty-seven dollars sixteen cents (\$13,657.16), the same being the actual expenses incurred by the said company therefor, and a true and correct copy of which is hereto attached and made part hereof, and marked "Exhibit A;" and,

Whereas, The said manufacturing company regard this as happening through no fault whatever of the said manufacturing company and forming no part whatever of the original contract, or the work, labor and material embraced within the specifications therefor; and,

Whereas, The said manufacturing company is willing to accept in full satisfaction of their claim the said actual costs or expenses incurred by them in the doing of said work, as aforesaid; now, therefore, be it

Resolved, That the City Controller is hereby authorized and directed to issue the warrant of the City of Pittsburgh to the said Ritter-Conley Manufacturing Company for the said sum of thirteen thousand six hundred fifty-seven dollars sixteen cents (\$13,657.16) in full of all claims and demands of any kind whatsoever which the said manufacturing company may have, or might at any time hereafter have, against the City of Pittsburgh for and in consideration of the doing of said work and the furnishing of said materials, and everything whatever connected with the same or incident thereto, and pay the same to the said Ritter-Conley Manufacturing Company upon the execution by the said Ritter-Conley Manufacturing Company of the proper receipt and acquittance to the City of Pittsburgh, and charge the same to Appropriation No. —.

Which was read.

No. 986.

PITTSBURGH, December 28, 1900.

To the Presidents and Members of Select and Common Councils.

As the Twentieth century watch meeting proposed by City Councils has been declared off, I, on behalf of the American National Red Cross, desire to extend an invitation to all the members of Councils, to attend the Twentieth century watch meeting which will be held in Carnegie Music Hall on the eve of the dawning of the new century. The American National Red Cross has received greetings from some of the greatest minds of the old world as well as those of our own country. These greetings will be read at the monster watch meeting, and everything points to a wonderful celebration. It is expected that there will be greetings from Queen Victoria, Emperor William of Germany, the Czar of Russia, President Loubet of France, Paul Kruger, President McKinley, and other men and women of note.

The watch services will commence at 9 P. M. and last until midnight. An excellent program has been arranged in addition to the reading of the greetings. There will be the best of music, and the volunteers number among them Victor Herbert, Miss Etta Keil, and the Apollo Club, as well as local orators of note. It is the intention to make this meeting one that will be long remembered.

It is needless for us to tell the members of Councils of the great work the Red Cross has done. The history of any nation would be incomplete without a word of praise for the great work done by this organization. In order that Pittsburg may have a celebration that will be worthy of this great city, and commensurate with the position it holds among the other great municipalities of the country, we ask you to join with us in the celebration, and make it the greatest watch meeting ever held in this or any other city.

Very respectfully yours,

J. W. CONANT.

Managing Director Twentieth Century Red Cross Watch Meeting.

Which was read, received and filed, and invitation accepted.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—I hand you herewith, report of F. A. Kimball, C. A. P., Auditor, relative

to his examination and audit of the books and accounts of the City Gauger.

In reference to the accounting has received prompt attention, and the City Gauger has now installed a system of accounts which will, I believe, full meet the objectionable features referred to by the Auditor.

Respectfully submitted,

J. E. LEWIS,

Controller.

No. 988.

HON. JOS. E. LEWIS,

City Controller:

DEAR SIR:—Your communication in reply to my note of inquiry of 19th inst. is at hand, and in reply I beg to state that I have made such an examination of city gauging as existing conditions, hereinafter described, would admit.

The Gauger's records have not been preserved. All we have from February 1, 1883 to October 1, 1893, is the total number of barrels gauged.

At October 1, 1893 the reports begin to enumerate the firms for whom the gauging is done, but there is always inserted an additional item, "cash so much." This precludes the possibility of arriving at the correctness of the reports.

Of the ten firms so named, from October 1, 1893, to August 31, 1900, we concluded that at least eight of the number were in business at the present time, and by calling upon them and explaining to them what we want-

ed, and why, we secured from them statements from their books showing the amount of business done for them by the city in the way of gauging. In seven instances out of eight these statements verified the correctness of the gauger's reports. In the eighth instance the city gauger and the merchant interested made an investigation, and it developed that the city had no interest in the differences, but that they were due the said merchant.

The City Gauger erred occasionally in his reports, and in remitting to the city, from February 1, 1883, to August 31, 1900, these amount to \$50 91, for which please find treasurer's receipt attached. Also herewith is a statement showing Gauger's monthly returns to city from February 1, 1883, to August 31, 1900. Also summary showing the aggregate receipts for 1883, 1884, 1885, 1886 and 1887 to be \$40,468.18, of which the city received \$20,231.09 and the Gauger a like amount, or 50 per cent. thereof making a yearly average to each of \$4,046.82. From 1888 to 1890, both inclusive, twelve years, we have total receipt—\$88,947 10, of which the city gets 25 per cent., or \$22,236 77, and the Gauger gets 75 per cent., or \$66,710 33. This makes a yearly average to city of \$1,853.05, and to the gauger of \$5,559 19.

The verification of the Gauger's reports, as far as accomplished, was made possible by your assistance.

I am under the impression that you have installed a set of books in the gauger's office.

Respectfully submitted,

F. A. KIMBALL, C. P. A.,

Auditor

WHEREAS, The City of Pittsburgh, by an ordinance duly approved by Councils, has located and opened to public use for highway purposes, Stanwix street, from Virginia avenue to Halpin street, through, over and upon lands of William Halpin, Paul Kevelry, Richard C. Wrenshall, Mary Wrenshall and A. G. Barnett; and

Whereas, A certain unnamed alley, as laid out and shown upon Richard Cowan's plan of lots, recorded in the Recorder's Office of Allegheny County, in plan book volume 7, page 36, at a width of twenty (20) feet, has been rendered useless by the location and opening of said Stanwix street, between Virginia avenue and Halpin street; and

Whereas, The owners of all the property fronting and abutting on said unnamed alley, by their deed dated September 21st, 1882, and recorded in the Recorder's Office of Allegheny County, in deed book volume 449, page 356, conveyed to each other all their right, title, interest and claim of whatsoever kind, they may or have had, in the aforementioned alley, thereby declaring the said unnamed alley, as laid out in the aforesaid Richard Cowan's plan of lots, vacated so far as their own interests are concerned; now, therefore be it

Resolved, By the Select and Common Councils, assembled, that the consent of the City of Pittsburgh is hereby given to the vacation of all that portion of the aforementioned unnamed alley, as shown upon Richard Cowan's plan of lots, as not affected by the opening of said Stanwix street, from Virginia avenue to Halpin street.

DEPARTMENT OF PUBLIC SAFETY,
PITTSBURGH, PA., January 11, 1901.

To the Presidents of Select and Common Councils, City of Pittsburgh:

GENTLEMEN:—The City of Pittsburgh has entered into a contract with the Fire Extinguisher Manufacturing Company for the erection and completion of one electric automobile hose wagon and chemical engine. Said company respectfully ask that the City Councils and Finance Committee grant them an additional extension of ninety (90) days' time. Their letter making this request is hereto attached and made part hereof.

After an investigation I believe this to be a reasonable request, and respectfully ask that the communication be referred to the Finance Committee and that the extension prayed for be granted.

Yours truly,

J. O. BROWN,
Director Department of Public Safety.

FIRE EXTINGUISHER MFG CO.,
CHICAGO, January 2, 1901.

MR. J. O. BROWN,
Director Department of Public Safety,
Pittsburgh, Pa.:

DEAR SIR:—We wish to ask you for an extension of ninety (90) days' time from expiration of contract with your city for the construction of an automobile combination.

Our delay in this is caused through the backwardness of the battery manufacturers, who have had more business than they have had ability to turn out.

We are exceedingly anxious to make this delivery earliest moment possible, but, from what we see, are satisfied it will be fully ninety days from expiration of contract time. Therefore we ask for an extension of ninety days.

Very respectfully,

THE FIRE EXTINGUISHER MFG CO.,
By E. J. MITCHELL,
Manager.

Also.

No. 1043. *Resolved*. That the Fire Extinguisher Manufacturing Company, of Chicago, Ill., shall be and is hereby granted an extension of ninety (90) days' time beyond February 12, 1901, for the erection and completion of one electric automobile combination chemical engine and hose wagon under and by virtue of a contract entered into by and between the said Fire Extinguisher Manufacturing Company and the City of Pittsburgh, by J. O. Brown, Director Department of Public Safety, under date of October 15, 1900; and that the Director of the Department of Public Safety shall be and he is hereby authorized, empowered and directed not to enforce the liquidated damage clause provided in said contract prior to the expiration of the aforesaid ninety (90) days additional time.

Also.

No. 1044. *Resolved*. That the Director of the Department of Public Safety be and he is hereby authorized, empowered and directed to send the Superintendent and Bacteriologist of the Bureau of Health as delegates to meeting of the "Associated Health Authorities and Sanitarians of Pennsylvania," to be held in the city of Harrisburgh on February 6, 1901, and that the City Controller be

City Controller:

DEAR SIR:—We have the honor of reporting to you that we have audited the Mayor's Office from April 4, 1893, to April 7, 1896, and being for the term of his Honor, Mayor B. McKenna.

The data used consisted of City and County Dockets and City and County Cash Books.

We find that all money due the City was promptly converted into its Treasury, with the exception of a few inconsequential errors, easy of origin, in dealing with the weak and wicked of a great city.

The errors referred to were corrected as soon as pointed out, and hereto attached please find Treasurer's receipt for same as follows:

HON. JOS. E. LEWIS,
City Controller:

DEAR SIR:—I have the honor of reporting to you that we have compared the Treasurer's City receipt stub-books with his accounts current from February 1, 1882, to November 6, 1886, and from October 5, 1887, to October 26, 1900.

Attached hereto is a list of the differences. After each one is the explanation therefor, which in some instances required quite a little research to develop.

Where the explanation shows cash due city, cash has been returned to the treasury. These items amount to \$1.64, for which please find Treasurer's receipt attached.

Where the explanation involved no cash, the reasons for the differences are written near the stubs in question, and we think it makes these items clear for all time. These items amount to \$1,452.25, \$1,251.75 of which arises from the cancelling of a receipt for grading, paving and curbing without cancelling the stub.

These city receipt stub-books have often been called "Miscellaneous Receipts," because they show the sundry collections of the Treasurer, such as Ferrules, Markets, Wharves, Mayor, Gauger, Weigh Scales, Bureau of Police, Bureau of Health, &c., &c.

We are sorry to call your attention to the fact that there is a break in an original record as valuable as is "The City Receipt Books." It extends from November 6, 1886, to October 5, 1887.

In the meantime we are comparing the warrants with the Treasurer's account currents. We will soon submit a report thereon, which, like this, will cover a period of nineteen years.

Respectfully submitted,

F. A. KIMBALL,
Auditor.

S. C. No. 517.

WHEREAS, In assessing the costs for the construction of a sewer on Winterburn, Gertrude, Lydia and Acorn streets and Greenfield avenue, and through private property from Connor street to Sylvan avenue, there was assessed on the property of John B. Moore on the east side of Haldane street, the sum of forty-nine dollars and forty-four cents, as benefits; and

Whereas, Said property does not abut on the line of said improvement, and there was no reason to suppose that an assessment would be levied on it; and

Whereas, No notice was served on or received by said John B. Moore of any intention to levy an assessment, or that it had been levied, and its payment was due; and

Whereas, The first notice received by him that such an assessment had been levied was the service by the sheriff of notice that a lien had been filed; and

Whereas, The said John B. Moore was ready and is still ready and willing to pay said assessment, and should not be charged with interest and the costs incurred in the filing of said lien; therefore,

Resolved, That on the receipt of Forty-nine dollars and forty-four cents, in payment of said assessment, the City Attorney shall be and he is he is authorized and directed to satisfy said lien.

Which was read.

And the rule having been suspended the resolution was read a second and third times and finally passed by the following vote:

Also

S. C. No. 518.

WHEREAS, The City of Pittsburgh at M. L. D. No. 11, December Term, 1895, filed a municipal lien against a certain lot of ground situate in the Twenty-third ward of said city, in said lien described as follows: "Beginning on the northerly side of Hazelwood avenue at the corner of Metcalf's lot; thence along said avenue 221.30 feet and thence extending back 133.61 feet more or less," Emahlla Flower being named in said lien as the owner of said property and made the party defendant, said lien being filed for \$334 and interest, for the construction of a sewer on Hazelwood avenue; and

WHEREAS, The greater part of said described piece of ground was by virtue of writ of levam facias issued out of the Court of Common Pleas No. 2, of Allegheny County, at No. 206, October Term, 1895, seized in execution and sold as the property of said Emahlla Flower for the price of two thousand dollars (\$2,000); and

WHEREAS, The City Attorney apportioned the amount of the lien filed as aforesaid, charged upon the part of said property sold by virtue of said execution, the amount of \$251.50 and the balance of the same being \$79.50 upon the remaining part of the land described in said lien, which remaining part had prior to the filing of said municipal lien passed out of the ownership of the said Emahlla Flower into the hands of W. H. Gaskill receiver for the Order of Solon, and the same has by later conveyance come to John Miller, the present owner; and

WHEREAS, The said William H. Gaskill, although the registered owner of the part of said property conveyed to him as aforesaid, is omitted as a defendant in said lien, and had neither constructive or actual notice of the filing of said lien or of the writ of sale facias issued thereon, there is some doubt as to the legal right of the City to recover either the balance of \$79.50 or the interest accruing thereon from the date of filing; and

WHEREAS, The said John Miller has offered to pay in compromise and settlement of said lien the balance of the principal amount remaining unpaid, to wit, the said sum of \$79.50; therefore be it

Resolved, By the Select and Common Councils of the City of Pittsburgh, that the City Attorney is hereby authorized and empowered to receive as full payment of said municipal lien, City of Pittsburgh versus Emahlla Flower, No. 11, December Term, 1895, the sum of \$79.50, and upon receipt of the same or upon receipt of the certificate of the City Treasurer that he has received said amount of \$79.50, to enter satisfaction in full upon the margin of the record of said lien.

Which was read.

S. C. No. 475.

WHEREAS, Tax liens have been entered in the Prothonotary's Office of Allegheny County at No. 675, June Term, 1882, Delinquent Tax Docket, for \$10.80 and costs for the year 1881, at No. 389, December Term, 1885, Delinquent Tax Docket, for \$21.13 and costs for the year 1884, and at No. 920, December Term, 1884, Delinquent Tax Docket, for \$22.11 and costs for the year 1883, by Thomas H. Phelps, Delinquent Tax Collector for the City of Pittsburgh, against John Nusser as the owner of a certain lot of ground fronting 75 feet on Josephine street and averaging in depth 37½ feet between Eighteenth and Nineteenth streets, Twenty-sixth ward, Pittsburgh, Pa., and

WHEREAS, It appears that the said John Nusser, at the time the assessments were made upon which the liens before mentioned were entered and at the time of the entry of said liens, was not the owner of said property or the registered owner thereof, but had parted title to the same in the year 1876 as shown by deed of said John Nusser to H. M. Scott and Mary C. Hogl, dated September 29th, 1876, and recorded in the Recorder's Office of Allegheny County in Deed Book, Vol. 412, Page 324; and

WHEREAS, By reason of the defective assessment of said property, the liens entered thereon are worthless and if proceeded on against the property, could not be collected by law against the present owners of the same, the Pittsburg, Virginia and Charleston Railroad Company, but remain as a cloud upon the title to the same; therefore, be it

Resolved, By Council, that the Delinquent Tax Collector be authorized and directed, and he is hereby authorized and directed to satisfy and mark paid the said tax liens before mentioned, or any judgments on scire facias issued on the same, upon the payment of the taxes for which said liens were entered.

In Committee on Finance January 8, 1901. Amended by striking out the following words: "And the owners of the said property are hereby exonerated from," and inserting in lieu thereof the word "upon" before the words "the payment of the taxes," and by striking out the name "Thomas H. Phelps."

No. 1089. Resolved, That an ex-emption of taxes assessed against Lots No. 45 and 46 in Clarissa Herron's plan of lots in the Thirteenth ward, City of Pittsburgh, be and the same is hereby granted to Mr. J. R. Fricke for the years 1874, 1875, 1876 and 1877 on account of erroneous assessment as per statement attached.

By last will of John Herron, deed dated April 9th, 1882, he bequeathed to his wife

Clarissa all his estate, real and personal, 100 acres more or less on Herron Hill, including about 10 acres on the east side of Iowa street and bounded on the west by Iowa street, south by lands of S. Ewart, on the east by Alliquippa street and north by land of Real Estate Savings Bank, and conveyed by Real Estate Savings Bank and others to J. R. Fricke *et al.*, A. D. 1882, and a part, or lots 42 and 78, by R. A. Kennedy and wife to J. R. Fricke by deed dated October 13th, A. D. 1888. During the years or interval between the years of 1870 and 1880 there were various and divers assessments of taxes upon the Clarissa Herron estate which were and are inequitable, unjust and illegal for the following reasons: First. It was not assessed in the name of the last registered owners as the law requires. Second. It was assessed in the name of a non-existing person and who never did exist. Third. The last purchase (above two lots) should not properly be made a dumping ground for delinquent or uncollectable taxes upon a 100 acres, of which it was a small part. Fourth. This property was sold at Sheriff's sale July 4th, 1876, by R. H. Pife for \$5,000 to the Real Estate Savings Bank, also at No. 138, November Term, 1884, the last mentioned two lots by the Sheriff for \$149.46, and by Sheriff's sale at two other sales in the interim upon these small lots. Fifth. During and since said tax assessments the Clarissa Herron estate has been sold at numerous Sheriff's sales of different parcels of ground (aggregating \$30,000 to \$40,000) upon the foreclosure of mortgages given by Clarissa Herron, her heirs, executors or assigns, said sales leaving a large balance at different periods during the existence of said tax levies, which could and should be applied to the cancellation of said tax levies, and the presumption of law is that they are satisfied or divested of lien. Sixth. At the date of my above purchases the above mentioned old tax liens were all examined and looked into thoroughly by the best title examiners in the city, and were so adjusted and declared to be no lien or encumbrance upon this piece of ground. How this matter of taxes was adjusted your orator does not remember, as the papers in the case have been mislaid, and ask your honorable bodies for the passage of this resolution in the above case, as may seem just and right in your opinion.

Which was referred to the Committee on Finance.

Mr. W. A. Magee presented

No. 1090. An Ordinance establishing the grade of Moultrie street, from Fifth avenue to Center avenue.

Which was referred to the Committee on Surveys

Also

No. 1091. *Resolved*, By the Select and Common Councils of the City of Pittsburgh, That these bodies do hereby certify and declare that the present charter for cities of the second class in this Commonwealth has existed and been in uninterrupted operation since 1887; that it has during all that time been the organic law of this municipality, and has been found by experience to be suitable and excellent for the proper government of this city.

Resolved, further, That we declare that the proposed bill now before the Legislature of this Commonwealth is instigated only by factional politics, and that it is not introduced from any praiseworthy motives nor for the benefit of the citizens; and

Resolved, further, That we denounce and protest against the cause or portion of said bill known as the "ripper" clause—that it violates the Constitution of this Commonwealth; that it is intended to deprive the citizens of all voice or choice in the selection of officers for this city; that it suspends and destroys and is intended to suspend and destroy the ballot and the right of election by ballot in this city; that it creates and is intended to create a government by appointment for this municipality, one of the purposes of the bill being to oust from office our present Mayor, chosen by a majority of nearly 14,000, and substitute in his place and stead as our Chief Executive any man the Governor of this Commonwealth may at some future time appoint, and this not only in utter disregard of the wishes of the citizens of this municipality, but in complete defiance thereof.

Resolved, further, That copies of this resolution be mailed to the different members of the Senate and House of Representatives.

Which was read.

Mr. W. A. Magee moved

A suspension of the rule to allow the consideration of the resolution.

Which motion prevailed.

Mr. W. A. Magee moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended the resolution was read a second and third times.

And upon final passage Mr. Bigham demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken, and being taken were:

Which motion prevailed.

S. C. No. 589. WH REAS. There has been introduced in the State Legislature a bill known as Senate Bill No. 14, changing charters of cities of the second class of this

commonwealth, which bill radically affects the organic law of this city; therefore be it

Resolved, That a committee of eleven, five from Select Council and six from Common Council, be appointed by the Presidents of Select and Common Councils to meet, consult and confer with similar committees to be appointed by the Councils of the cities of Allegheny and Scranton, and also with such legislative committees as have been, or may be appointed relative to any and all charter legislation proposed for cities of the second class within this commonwealth; and

Resolved, Further, that the Mayor, the President of Select Council, the President of Common Council and the City Attorney be and they are hereby made ex-officio members of this committee; and it is further

Resolved, That this committee, when organized, shall have and is hereby given the power to invite such citizens as they deem proper, who shall also meet with and assist the said committee with reference to any and all charter legislation proposed for cities of the second class within this commonwealth."

Which was read.

Mr. Bigham moved

That Common Council concur in the action of Select Council.

Which motion prevailed by a unanimous vote.

WHEREAS The City of Pittsburgh, by an ordinance duly approved by Councils, has located and opened to public use for highway purposes, Stanwix street, from Virginia avenue to Halpin street, through, over and upon lands of William Halpin, Paul Revelry, Richard C. Wrenshall, Mary Wrenshall and A. G. Barnett; and

Whereas, A certain unnamed alley, as laid out and shown upon Richard Cowan's plan of lots, recorded in the Recorder's Office of Allegheny County, in plan book volume 7, page 36 at a width of twenty (20) feet, has been rendered useless by the location and opening of said Stanwix street, between Virginia avenue and Halpin street; and

Whereas, The owners of all the property fronting and abutting on said unnamed alley, by their deed dated September 21st, 1882, and recorded in the Recorder's Office of Allegheny County, in deed book volume 49, page 358, conveyed to each other all their right, title, interest and claim of whatsoever kind, they may or have had, in the aforementioned alley, thereby declaring the said unnamed alley, as laid out in the aforesaid Richard Cowan's plan of lots, vacated so far as their own interests are concerned; now, therefore be it

Resolved, By the Select and Common Councils, assembled, that the consent of the City of Pittsburgh is hereby given to the vacation of all that portion of the aforementioned unnamed alley, as shown upon Richard Cowan's plan of lots, as not affected by the opening of said Stanwix street, from Virginia avenue to Halpin street.

HON. JOS. E. LEWIS,

City Controller.

DEAR SIR:—I have the honor of reporting to you that we have audited the accounts of his Honor, Mayor H. P. Ford, for the term from April 6, 1898, to April 3, 1899, and with the following exceptions find those accounts to be correct.

Magistrate S. F. Kerr is entitled to a credit of \$3.35, for which he renders a bill now known as Voucher No. 33,436, Appropriation 43, year 1900.

Magistrate A. Mackrell has a debit of \$68.58, for which please find Treasurer's receipt attached.

Magistrate R. G. MacGonigle is entitled to a credit of \$1.83 (unclaimed).

Magistrate O. J. McGarey has a debit of \$14.17; for which please find Treasurer's receipt attached.

Magistrate B. McKenna is entitled to a credit of \$39.83, which he retains from his report to the Mayor for the month of November, 1900.

Magistrate Robert Ostermaier's accounts are correct.

A statement of account of each Magistrate accompanies this report and is a part thereof.

You will observe that all differences have been promptly adjusted.

Very Respectfully Submitted,

F. A. KIMBALL,

Auditor.

HON. JOS. E. LEWIS,

City Controller:

DEAR SIR:—I have the honor of reporting to you the examination of the stub-books of the various Weighmaster, as follows:

Duquesne Weigh Scales, from August 31, 1900, to December 31, 1900, Thos. B. Cook, Weighmaster.

Dyke Street Weigh Scales, from August 31, 1900, to December 31, 1900, W. H. Shaffer, Weighmaster.

Hazelwood Avenue Weigh Scales, from September 30, 1900, to December 31, 1900, S. M. Porter, Weighmaster.

Pittsburgh & Castle Shannon Railroad Company Weigh Scales, from August 31, 1900, to December 31, 1900, W. M. Negley Weighmaster.

Tenth Street Weigh Scales, from October 31, 1900, to December 31, 1900, Wm. Stoppel, Weighmaster.

Sixth Ward Weigh Scales, from August 31, 1900, to December 31, 1900, D. F. McCue, Weighmaster.

Fifth Ward Weigh Scales, from August 31, 1900, to December 31, 1900, S. H. Wilson, Weighmaster.

Seventeenth Ward Weigh Scales, from August 31, 1900, to January 8, 1901, H. Braun, Weighmaster. Died December.

Twentieth Ward Weigh Scales, from August 31, 1900, to December 31, 1900, R. H. Fife, Weighmaster.

Twenty-first Ward Weigh Scales, from August 31, 1900, to December 31, 1900, Wm. Suckop, Weighmaster.

Twenty-sixth Ward Weigh Scales, from August 31, 1900, to December 31, 1900, W. H. Shaffer, Weighmaster.

Thirty-first Ward Weigh Scales, from August 31, 1900, to December 31, 1900, Jno. Richter, Weighmaster.

Thirty-second Ward Weigh Scales, from August 31, 1900, to December 31, 1900, Thos. Grundy, Weighmaster.

Thirty-fourth Ward Weigh Scales, from August 31, 1900, to December 31, 1900, David Edwards, Weighmaster.

Thirty-seventh Ward Weigh Scales, from July 31, 1900, to December 31, 1900, Mowry Bonner, Weighmaster.

Thirty-eighth Ward Weigh Scales, from August 31, 1900, to December 31, 1900, P. Lempp, Weighmaster.

Twentieth Ward Weigh Scales, from August 31, 1900, to December 31, 1900. No reports.

Thirty-second Street Weigh Scales, from August 31, 1900, to December 31, 1900. No reports.

Of these 18 Weigh Scales

8 Weighmasters are correct,

7 Weighmasters owe 84 cents,

1 Weighmaster has a credit of \$5.00, and

2 Weigh Scales seem to be out of business.

A detailed statement of the above mentioned items of money accompanies this report, and a copy of said statement is furnished the Director of the Department of Public Works, who now takes charge of the Weighmasters.

Were it not for this change, these errors would not have been reported at this time, because the Weighmasters have had no notice thereof, and consequently have been afforded no opportunity to correct them.

Respectfully submitted,

F. A. KIMBALL,

Auditor.

To the Presidents and Members of Select and Common Councils.

GENTLEMEN:—I herewith transmit to your honorable bodies copies of letters received

from Mr. Andrew Carnegie by Mr. W. N. Frew, President of the Board of Trustees of the Carnegie Institute, in which Mr. Carnegie expresses his views concerning a site for the new Technical School and places the said School in charge of the Board of Trustees of the Carnegie Institute. The copies of these letters are attested by Mr. S. H. Church, Secretary of the Board of Trustees, who also certified that the Board has adopted a motion accepting the trust. These communications should be filed with the other papers submitted to your honorable bodies relating to the Technical School.

MY DEAR SIR:—At a meeting of the Board of Trustees of the Carnegie Institute held December 18, 1900, a letter from Mr. Andrew Carnegie to Mr. W. N. Frew, President, was read, in which Mr. Carnegie placed the new Technical School in charge of said Board of Trustees. On motion, the Board accepted the charge of the Technical School; and the Secretary was instructed to forward a certified copy of Mr. Carnegie's letter to you. According I enclose a copy of said letter, duly certified.

Will you be kind enough to acknowledge receipt?

DEAR MR. FREW:—I hereby place the Technical School under your Commission, glad indeed that I am privileged to do this, after having received assurance that your Board was willing to undertake the great responsibility involved. But I knew that you would do this; we are all for Pittsburgh, now and forever, and it is Pittsburgh which is to benefit by this new institution.

I know from the past management of the Board that it is in the best possible hands. Thank them once again.

Very truly yours,

W. N. FREW, ESQ.,
President Board of Trustees,
Carnegie Institute.

DEAR MR. FREW:—The ground fronting on Forbes street west of the ravine, if approved by the Board, would be highly satisfactory to me, as the site for the Technical School. I am sure that too much ground cannot be obtained in that connection, and since the City has authority to get this piece I hope it will do so.

Some day, however, not perhaps in our time, great will be the regret that these Carnegie institutions did not get even more ground around them. We build, my friend, for posterity. The situation of Pittsburgh in the Central West, between the Atlantic and the Mississippi valley, ensures its growth. The twentieth century is to see more than two millions of people around the Court House, known as Pittsburgh. The Carnegie institutions will have funds to spend sufficient to keep them abreast of the increasing population.

Very respectfully yours,
(Signed) ANDREW CARNEGIE.

No. 1138.

MAYOR'S OFFICE,
PITTSBURGH, PA., Feb. 9, 1901.
To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—I beg leave to return to your honorable bodies, without my approval, an ordinance (C. C. No. 1040) changing the name of Homewood avenue, between Dallas avenue and Schenley Park, to "Schenley avenue."

There is now a street in the Nineteenth ward bearing the name "Schenley avenue," and it would be confusing to have two streets of the same name. For this reason I decline to approve this ordinance.

Yours most respectfully,
W. J. DIEHL,
Mayor.

Which was read, received and filed.

Also

C. C. Bill No. 1040. An Ordinance entitled "An Ordinance changing the name of Homewood avenue, between Dallas avenue and Schenley Park, to 'Schenley avenue.'"

Which was read.

And on the question "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Armstrong Delaney Hogue
Beckert

NOES—Messrs.

Anderson Magee, W. A. Semmelrock
Bigham Magee, W. A. Jr. Sheehan
Cavett Mierzwa Stockdale
Crawford, C. S. Moore Stonerod
Douglas McLain Vaux
Dubarry McNeil Walls
Jones Rodgers Zacharias
Kramer Rusch Zeuger
Lewis Schwarzwaelder

McCandless, President.

Before the announcement of the vote Mr. Armstrong asked and obtained leave to change his vote from Aye to No.

And the AYES were 3.

NOES—28.

And the objections of the Mayor were sustained.

Mr. Bigham presented

From the Committee on Public Works with an affirmative recommendation.

C. C. Bill No. 1036. An Ordinance entitled "An Ordinance authorizing the grading, paving and curbing of Denniston avenue, from Homewood avenue to the north line of the Beechwood Park plan of lots."

Which was read.

Mr. Mierzwa moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

AYE—Messrs.

Anderson Jones Rusch
Armstrong Kramer Schwarzwaelder
Beckert Lewis Semmelrock
Bigham Magee, W. A. Sheehan
Cavett Magee, W. A. Jr. Stockdale
Crawford, C. S. Mierzwa Stonerod
Delaney Moore Vaux
Dieterle McLain Walls
Douglas McNeil Zacharias
Dubarry Rodgers Zeuger
Hogue

McCandless, President.

AYES—32.

NOES—None.

And a majority of the votes of Common Council being in the affirmative, the bill passed finally.

And the Clerk was directed to message the same to Select Council for concurrence.

Mr. W. A. Magee arose and said:

MR. PRESIDENT.—I was chosen Chairman of your special committee, which was sent to Harrisburg last week to state the views of Pittsburgh Councils on new charter legislation, and I wish to make report of our visit. At the hearing before the Senate Committee on Municipal Affairs, City Attorney Burleigh as spokesman for your committee, presented the views of the Councils of this City.

There were some statements made before the Senate Committee (not by members of the Councilmanic Committee) about which I wish to say something now. There was a committee present from the East End Board of Trade, and among its members were two gentlemen who belong to this body. They were not there to represent this body, but to state another case. Mr. Crawford, I believe, was spokesman of the Board of Trade committee. He made charges, some of which I believe are true. He charged me of being a brother of C. L. Magee. Well, I will have to plead guilty of that relationship. Chris. will admit that, too. He also charged that W. A. Magee, Jr., was a nephew. I will have to admit that also. He also charged me with being chairman of the Finance Committee of Councils. And again I must plead guilty. These are simply a sample of some of the things said, which I regard as impertinent.

He entered into an arraignment of the City's administration, which I would like to answer now, as the opportunity was not presented then.

It was charged that millions of dollars were lying idle in the City depositories of Pittsburgh, as the result of the sale of bonds. Now I will have to admit that, too; if the money was not in the depositories, where should it be? The people of this great City voted for the issue of the bonds, by which these millions were raised. The gentleman arraigned the City government for acts at the time of the bond issue. At that time it was necessary for Councils to pass certain ordinances, and certain duties devolved upon the Finance Committee, and Councils were compelled to pass ordinances in accordance with the will of the people in that respect. Those bonds were issued and sold at the best figure ever received for bonds in this City. To meet

the expenses of new improvements in the City, and in order that the government might not be impeded in its work, funds were necessary. We issued bonds, sold them, got the money and deposited it where it has been drawing interest ever since—three per cent. until the first of December and two per cent. from that time. And now the City government is arraigned for so doing. It is the first time I ever heard of the officers of a corporation being so arraigned for doing a wise and judicious act.

Another speaker at Harrisburg brought forth a mass of figures relating to the growth and advancement of our City in the past twenty years. These same figures were used by the same speaker during the campaign when H. I. Gourley was a candidate for City Controller, and they were used in the next campaign, when Gourley was again a candidate. The difference was that the first time they were used for Gourley, and the second time against him. I myself have some of those figures, which I secured from our City Controller, covering the progress of the City from 1880 until 1900.

In 1880 the assessed valuation of the City was about \$90,000,000, and in round numbers the net debt amounted to \$14,000,000. I have noticed that the assessed valuation has increased ever since triennially. This year the assessed valuation of this City is about \$300,000,000. The net debt, which twenty years ago was about \$14,000,000, is practically the same now, in spite of the increase in assessed values. And if the money now lying in depositories was applied to the debt it would be less now than twenty years ago, in spite of increased values. I have never before known a community to be so arraigned for growing rich in twenty years.

I do not think that an assessment of \$300,000,000 on this city is an excessive one. From my own knowledge I do not find the appraised value of land nearly the value put upon it by purchase and sale. Ten years ago my business associates and myself bought property on the street where we do business, and paid about \$2,000 a foot for it. A short time ago property on the same street and almost adjoining sold for \$4,000 a foot. I find the same thing true out where I live. And if the City wants to buy a piece of land the owners put double, triple and even five times the assessed value on it.

They say that the City money is being squandered and that our town is badly governed. People from all over the country are sending their money here for investment.

They are buying our City bonds and our manufacturing, and are establishing great corporations here. We have had a marvelous increase in industries during the past 20 years; our population has increased wonderfully; we have practically rebuilt our City, until now we have a fairly decent first-class community.

The men who stood in the background during this advancement and never helped it along in any way are the people who have arraigned the City government. The way wealth has accumulated here is like the story of Aladdin's Lamp. Money has been made in real estate here from simple investment and sale. I am surprised to hear, in the face of all this, that we are living in a city poorly governed, and among a den of thieves.

Mr. C. S. Crawford:

Mr. President, by what procedure does this matter come up?

The Chair:

Mr. Magee, as chairman of the Committee sent to Harrisburg, was making his report.

Mr. C. S. Crawford:

Then, **Mr. President,** I move that the report be received and filed.

Mr. Bigham:

Mr. President, "The motion is ridiculous." A verbal report cannot be received and filed.

The Chair:

The Clerk has taken **Mr. Magee's** report and it can be received and filed.

And the question being put the motion of **Mr. Crawford** prevailed.

The Chair (for **Mr. Sparr**) presented

No. 1145. Petition for the vacation of the northern half of Phelan street (formerly Topaz street) as laid out in the J. W. Williams revised plan of Denny lots, Thirteenth ward.

Also

No. 1146. An Ordinance authorizing the vacation of the northern half of Phelan street (formerly Topaz street), as laid out in the J. W. Williams revised plan of Denny lots, Thirteenth ward.

Which were referred to the Committee on Surveys.

And on motion

The Chair presented

No. 1154.

PITTSBURGH, Feb. 18, 1901.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN:—I herewith transmit to you, in compliance with law, the annual reports of the various city departments for the past year, together with the estimates of the directors as to what appropriations they deem necessary for properly conducting their respective departments during the current year. I also submit the annual report of the Board of Assessors showing the valuation of taxable property as per the triennial assessment.

I do not consider it necessary to discuss in detail the estimates of the directors, as they speak for themselves. I would respectfully suggest, however, that in the interest of economy it would be well to pare the appropriations closely wherever this can be done without crippling the efficiency of the departments.

The citizens of Pittsburgh to-day have much of which, justly, they can be proud. Great strides have been made in the matter of improvements, and few cities have as clean and well paved streets, fine parks, complete sewerage systems or as efficient fire and police departments. The Bureau of Fire, in particular, has become one of the best equipped in the country. In every respect the city is enjoying an era of material prosperity. As to the morality of the city, there is little can be said that is not known to every citizen. There is not a public gambling house in the city, the selling of pools has been entirely suppressed, vice and crime of all sorts are at a minimum. Sunday is observed as in few municipalities, and Pittsburgh, on the whole, can be favorably compared with any large city.

With all the improvements that have been secured and the advantages that are enjoyed, the rate of taxation in Pittsburgh is not as high as in many of the large cities and it is by no means excessive. I would respectfully urge, however, that with the completion of the improvements now in progress, it would be well to rest for a few years in the matter of undertaking any more extensive improvements. This would afford an opportunity for gradually reducing the debt of the city and the millage.

It is with pleasure that I respectfully call attention to the harmony that exists between all departments of the city government and the uniform courtesy with which every citizen is received in any office in which he may have business to transact. Complaints, which at one time were not infrequent, are almost unheard of, and any citizen is assured of the considerate treatment at the hands of city official or employee to which he is entitled.

I would respectfully call the attention of Councils to recommendations made by the National Board of Fire Underwriters as follows: (1) "The present ordinance regulating fire limits and the construction of frame buildings should be amended so as to include territory that is rapidly becoming a central and important part of the city. (2) There is

a necessity for additional legislation relative to the storage of oils, dynamite combustibles and dangerous explosives in the congested sections of the city; the quantity should be limited and to that extent the possible damages to life and property be measurably decreased. (3) At least 45 additional fire hydrants should be located within the district bounded by the Allegheny river, to Ohio and Monongahela rivers, Fourteenth street to Liberty avenue, Liberty avenue to New Grant street, New Grant street to Seventh avenue, Seventh avenue to Grant street, Grant street to Fifth avenue, Fifth avenue to Ross street, Ross street to Diamond street, Diamond street to Try street to Water street. (4) The 4-inch and 6-inch diameter mains now laid in the principal streets within the business section should be replaced by pipe of not less than 8 inches in diameter."

I would respectfully suggest that Councils give consideration to the matter of assisting in furnishing summer playgrounds for children. By virtue of an Act of Assembly approved June 26th, 1895, school boards are authorized to permit the use of school grounds for park or recreation purposes by the public, and city authorities are empowered to make arrangements with corporations, individuals, etc., for the enlargement, improvement and care of properties which they are willing to donate or lease for public park or recreation purposes, and to make all necessary expenditures for the same. The city possesses several small parks which could be utilized for this purpose and afford pleasure to many children. Snyder's Park in the Twelfth ward is now used by the city for the storage of pipe, etc., and I would suggest that it be placed in proper condition and utilized for recreation purposes. An expenditure of probably \$50 would place a part of the Bedford avenue basin property in good condition for a playground. I would respectfully recommend that a small appropriation be made to cover the necessary repairs and any damage that might result from the use of these properties for playgrounds for the children.

I would again respectfully call the attention of Councils to the importance of establishing one or more free baths along our rivers. They would certainly tend to reduce the loss of life by drowning, which alone should be sufficient cause to warrant their construction.

The passage of an ordinance prohibiting expectorating on the sidewalks is a measure I would most heartily urge as an important step in the way of cleanliness and preserving health. An ordinance is in force prohibiting expectorating in street cars and public conveyances, and while it is not as rigidly enforced by the traction companies and their employees as it should be, some good has been accomplished and the prohibition should be extended to the sidewalks.

As Councils will probably be called upon this year to name some new streets or change the names of old ones, I would respectfully call to the attention of your honorable bodies the fact that there is not a street or square in Pittsburgh bearing the name of Pitt, the English statesman after whom the city is named, nor has there ever been a statue erected in this city in his honor. In Charleston, S. C., there is a statue erected as a tribute to his memory in recognition of his dealings with the American colonies, including securing the repeal of the Stamp Act, etc. It would be appropriate to have at least a street

or square in Pittsburgh bear the name of Pitt.

I would again respectfully suggest that the passage of ordinances now pending in Councils, making better provisions for enforcing certain ordinances, as recommended by the General Ordinance Officer, would make the work of the ordinance officers more effective, afford better protection to the merchants of the city and increase the revenues of the city.

Desiring to express my gratification at the cordial relations existing between this office and all those who are connected with the administration of public affairs, I am,

Yours most respectfully,

W. J. DIEHL,

Mayor.

PITTSBURGH, PA., December 31, 1900.

HON. W. J. DIEHL,

Mayor of the City of Pittsburgh.

MY DEAR SIR:—In compliance with the Charter Ordinance, I have the honor to transmit to you a detailed statement of the expenditures of the Department of Public Safety for the twelve months preceding December 1, 1900, and a carefully prepared estimate of the amount required for the Department of Public Safety for the coming financial year. All of which I respectfully submit.

Yours truly,

J. O. BROWN,

Director Department of Public Safety.

December 28, 1900.

HON. WM. J. DIEHL,

Mayor of the City of Pittsburgh.

DEAR SIR:—I herewith submit annual report of the Department of Public Works for the year 1900, showing the receipts and expenditures for the ten months ending November 30, an approximate estimate for December, 1900, and January, 1901, based upon the expenditures of December, 1899, and January, 1900, and estimate of the amount required to maintain the Department for the year 1901.

In this estimate I ask for \$31,625.74 less than the expenditures of 1900.

For the Bureau of Public Light I estimate it will require \$25,000.00, which is \$50,000 over appropriation for 1900, but only about \$21,000.00 more than was expended during this year. This additional amount is required to provide for the lighting of fourteen and one quarter miles of streets improved during the present year, and also to erect lights in many outlying districts that the Department so far has been unable to properly care for.

An increase of \$50,000.00 in appropriation for pipe line extensions is asked for, that we may be able to provide a supply of water to the districts of the city which are being rapidly built up. In fact, the Department could economically expend three times this amount were the city's finances in condition to warrant the appropriation, as every dollar expended in this direction yields good return on the investment.

I have asked for \$35,000 for an additional engine at the Herron Hill pumping station, and this is an imperative necessity, as the engines at this station are being worked twenty-four hours every day to their full capacity; should an accident occur to any of them it is liable to make a scarcity of water in the districts supplied by Herron Hill station, which would be a very serious matter. When a new engine is installed at this station the old engines in the first house built could be sold to good advantage, which would reduce the cost of new engine very materially.

Should you desire any further information relative to the estimates of this Department, I shall be glad to furnish you with same.

Very respectfully,

GEO. W. WILSON,

Director of Department of Public Works,
DEPARTMENT OF PUBLIC WORKS.

PITTSBURGH, December 26, 1900.

HON. WILLIAM J. DIEHL,
Mayor of the City of Pittsburgh.

SIR:—I have the honor to submit the report of the Department of Charities for the year ending November 30, 1900.

You will also find a complete itemized statement showing in detail the receipts and disbursements for the fiscal year ending November 30th, 1900, together with the estimate receipts and requirements for the fiscal year beginning February 1, 1901.

The Department furnished out-door relief for the past year as follows: 21,475 bushels of coal, 719 pairs of shoes, 599 railroad tickets, and 75 burial orders, and our ambulance made 319 trips.

The district physicians for the same period attended 1,503 patients, prescribing and compounding for the same 5,404 prescriptions, making 3,965 home visits, and receiving 2,046 office calls.

November 30, 1900, the Department had under its care and maintained 909 persons, (this is 9½ per cent. increase over last year) as follows: Ten at Dixmont Insane Asylum; 4 at State Asylum for the Chronic Insane Wernersville; 23 at State Institution for Feeble-minded, Polk; 3 at Home for Colored Children; 8 at Concordia Orphans' Home; 343 at the City Home and Hospitals, (this is 8½ per cent. increase over last year), and 518 at the Insane Department of the City Home, (this is 10 per cent. increase over last year).

We estimate the receipts for the coming fiscal year at forty-three thousand eight hundred fifty dollars (\$43,850.00).

We estimate the necessary running expenses at one hundred seventy-six thousand seven hundred dollars (\$176,700.00). Deducting the estimated receipts of \$43,850.00 there is left but one hundred thirty-two thousand eight hundred fifty dollars (\$132,850.00) to be furnished by Councils.

We also estimate the cost of "ordinary" improvements will be twenty-two thousand seven hundred dollars (\$22,700.00), and the "extraordinary" improvements will be sixty-nine thousand dollars (\$69,000.00).

In the ordinary improvements we have estimated new ambulance (1 in 12 years) \$1,200.00; granolithic walks about new buildings and grounds, \$6,000.00; water plugs and pipe about grounds, \$3,000.00; new fence, \$5,000.00; trees and shrubbery, \$2,500.00; extra labor, \$5,000.00.

Since there is a new Insane building under contract which will be complete during this year, we have for extraordinary improvements estimated furniture for new building and kitchen, thirty thousand dollars (\$30,000.00); new dynamo (150 kilo watt), six thousand dollars; storage batteries (60 cells) six thousand dollars; ice plant (10 tons a day), twenty thousand dollars (\$20,000.00); building for the same, five thousand dollars (\$5,000.00); water heater and purifier for boilers, two thousand dollars (\$2,000.00).

We find no provision in the bond issue for furniture for new buildings. Our electric light plant at present is inadequate for the present buildings.

It is impossible to have electric lights about tunnels, halls and cellars of buildings in day time, during dark and gloomy weather, when dynamo and engine are not running. There are but three ways of lighting these tunnels, halls and cellars at such times, either gas, oil or electricity by storage batteries. Gas and oil are extremely dangerous; they necessitate the carrying of matches through the building, which is against the rules of our institution. There is but one way left to us—storage batteries.

The ice plant is being run to its utmost capacity and cannot accommodate all our wants under the smallest accident to ice machine, makes it most embarrassing to the morgue and storehouses.

We find the water in use in our boilers (notwithstanding the filter) is full of foreign matter in solution. We can only reduce the matter in the water to the minimum by the use of a water heater and purifier. The water heater in use is guaranteed for two to three years on condition that no accident happens to it. What a serious matter it would be if we were deprived of the use of our boilers at any time, if but for a single day. So we have to be prepared for all emergencies in connection with our boilers.

Sincerely yours,

JOHN M. ANDERSON,

Director of Department of Charities.

BOARD OF ASSESSORS,
PITTSBURGH, PA., December 31, 1900. }
HON. WM. J. DIEHL,
Mayor:

DEAR SIR:—The Board of Assessors estimate that it will require twenty-five thousand dollars (\$25,000) of an appropriation for the payment of clerks and draughtsmen employed in our office during the ensuing year. Trusting that the amount named will meet with your approval, we are,
Very respectfully,

ANDREW FULTON,
Chief Assessor.

BOARD OF ASSESSORS,
PITTSBURGH, PA., February 21, 1901. }
HON. W. J. DIEHL,
Mayor:

MY DEAR SIR:—The estimated valuation for 1901 for taxable purposes will be \$288,000,000 approximately.

This amount, however, will be subject to many changes by reason of appeals, decisions of court, corrections, etc.

Very respectfully yours,

BOARD OF ASSESSORS,
Per A. FULTON.

PITTSBURGH, PA., December, 27, 1901.
HON. WILLIAM J. DIEHL,
Mayor of the City of Pittsburgh:

DEAR SIR—I am directed to notify you that at a meeting of the Board of Trustees of the Carnegie Library of Pittsburgh, held Wednes-

day, December 26th, it was resolved to request the Councils of the City of Pittsburgh to appropriate for the maintenance of the Carnegie Library system, for the fiscal year beginning February 1, 1901, the sum of \$126,000.00. This amount the Board proposes to apportion as follows:

Library—	
Purchase of books, payment of salaries, etc., main branches.....	\$89,000 00
Buildings—	
Operating labor, supplies, etc., main and branches.....	\$32,800 00
Music Hall—	
Emergency fund.....	\$ 1,000 00
Contingent fund.....	3,200 00

The estimates have been carefully prepared with an eye to economy by the heads of the departments, supervised by the appropriate committees, passed on by the Executive Committee, and approved by the Board. No increase over the appropriation of the present year has been found necessary, but it is the belief of the Board that no decrease can be effected without materially impairing the efficiency of the library system. Five branches in addition to the main library are now in full operation, and the success noted last year has continued. That the work of the library is rapidly growing is shown by the item of circulation, which for the year ending November 30, 1899, was 309,660, and for the year ending November 30, 1900, was 404,800, an increase over the preceding year of more than 30 per cent.

I hand you herewith the itemized estimates showing in detail how the total of \$126,000.00 has been arrived at. I will be very glad to furnish you or the Councils any additional information desired.

Very respectfully yours,
W. N. FREW,

President Board of Trustees Carnegie Library of Pittsburgh.

CARNEGIE BUILDING,
PITTSBURGH, December 14, 1900. }
MR. W. A. MAGEE,
Chairman Committee on Music Hall,
Carnegie Library,
Pittsburgh, Pa.

MY DEAR SIR:—Regarding the cost of operating the Music Hall for the next fiscal year, beginning February 1, 1901, I would say that it is not likely to vary in any particular respect from that of the past year. The fixed expenses are as follows:

Music Director.....	\$4,000 00
Manager.....	1,200 00
Clerk to Manager.....	540 00
Office boy in Manager's office.....	50 00
Care of organ.....	500 00
Cost of printing organ recital programs, two weekly, nine months.....	400 00
Office expenses, including telephone use, estimated.....	125 00
	\$6,515 00

The other expenses are the salaries of ushers, doorkeepers and police attendants, which, of course, vary as the hall is used. With these expenses estimated I should say the total budget for the year would be about \$8,000.

As to the income of the hall, the promise for next year is that all the societies renting the hall regularly, the Pittsburgh Orchestra, the Art Society, the Mozart Club, the Apollo Club and the Ringwalt Choir, will continue to do so, and I think we may count on a gain

from miscellaneous sources, but I think the total income of the year will exceed that of the current year.

There are several pending engagements for the hall for the current year which make it impossible for me to state now the exact income for this year, but I should say that we are not likely to call on the \$1,500 emergency appropriation for a larger amount than \$400 or \$500, if at all, to meet the total expenses of operation.

But as a matter of caution I would recommend that this fixed amount of \$1,500 emergency appropriation be continued for the fiscal year beginning February 1, 1901.

Very respectfully,

G. H. WILSON,
Manager.

PITT-BURGH, PA., December 18, 1900.

HON. WILLIAM J. DIEHL,
Mayor.

SIR—I have the honor to herewith submit the report of the Bureau of Ordinances for the fiscal year 1900.

Yours respectfully,
R. H. LINDSAY,
General Ordinance Officer.

Amount produce license six thousand dollars (\$6,000) paid into City Treasurer's Office from December 4, 1899, to December 24, 1900. Increase over the year 1899, six hundred dollars (\$600).

Amount of venders' license paid into City Treasurer's Office thirteen thousand three hundred twenty-nine dollars (\$13,329.00); increase of \$2,492 over year 1899.

Amount of vehicle license paid into City Treasurer's Office forty-nine thousand one

hundred fifty three dollars and seventy-five cents (\$49,153.75). Increase over year 1899, \$1,553.75.

Large amount of license remain unpaid, as the proper ordinances have not been passed by Councils giving ordinance officers power to enforce the same. The revenue to city could be increased thousands and thousands of dollars annually if proper ordinances were passed. The increase over year 1899 from produce, venders and vehicles was \$4,645.75.

Which were read, received and filed and referred to the Committee on Finance.

C. C. No. 1089. *Resolved*, That an ex-
operation of taxes assessed against Lots No.
45 and 46 in Clarissa Herron's plan of lots in
the Thirteenth ward, City of Pittsburgh, be
and the same is hereby granted to Mr. J. R.
Fricke for the years 1874, 1875, 1876 and 1877 on
account of erroneous assessment as per state-
ment attached.

By last will of John Herron, deed dated
April 9th, 1862, he bequeathed to his wife
Clarissa all his estate, real and personal, 100
acres more or less on Herron Hill, including
about 10 acres on the east side of Iowa street
and bounded on the west by Iowa street,
south by lands of S. Ewart, on the east by
Allequippa street and north by land of Real
Estate Savings Bank, and conveyed by Real
Estate Savings Bank and others to J. R.
Fricke *et al.*, A. D. 1882, and a part, or lots 42
and 78, by R. A. Kennedy and wife to J. R.
Fricke by deed dated October 13th, A. D. 1888.
During the years or interval between the
years of 1870 and 1880 there were various and
divers assessments of taxes upon the Clarissa
Herron estate which were and are inequitable,
unjust and illegal for the following reasons:
First. It was not assessed in the name of the
last registered owners as the law requires.
Second. It was assessed in the name of a non-
existing person and who never did exist.
Third. The last purchase (above two lots)
should not properly be made a dumping
ground for delinquent or uncollectable taxes
upon a 100 acres, of which it was a small part.
Fourth. This property was sold at Sheriff's
sale July 4th, 1876, by R. H. Fife for \$5,000 to
the Real Estate Savings Bank, also at No. 138,
November Term, 1894, the last mentioned
two lots by the Sheriff for \$199.46, and by Sher-
iff's sale at two other sales in the interim upon
these small lots. Fifth. During and since said
tax assessments the Clarissa Herron estate
has been sold at numerous Sheriff's sales of
different parcels of ground (aggregating \$31,-
000 to \$10,000) upon the foreclosure of mortgages
given by Clarissa Herron, her heirs, executors
or assigns, said sales leaving a large balance
at different periods during the existence of
said tax levies, which could and should be
applied to the cancellation of said tax levies,
and the presumption of law is that they are
satisfied or divested of lien. Sixth. At the
date of my above purchases the above men-
tioned old tax liens were all examined and
looked into thoroughly by the best title ex-
aminers in the city, and were so adjusted and
declare to be no lien or encumbrance upon
this piece of ground. How this matter of
taxes was adjusted your orator does not re-
member, as the papers in the case have been
misplaced, and ask your honorable bodies for
the passage of this resolution in the above
opinion, as may seem just and right in your
opinion.

Lang by mistake; and,

WHEREAS, The taxes not having been paid

DEPARTMENT OF PUBLIC SAFETY, }
PITTSBURGH, PA., January 11, 1901.

To the Presidents of Select and Common Coun-
cils, City of Pittsburgh:

GENTLEMEN:—The City of Pittsburgh has
entered into a contract with the Fire Exting-
uisher Manufacturing Company for the erection
and completion of one electric automa-

bile hose wagon and chemical engine. Said company respectfully ask that the City Councils and Finance Committee grant them an additional extension of ninety (90) days' time. Their letter making this request is hereto attached and made part hereof.

After an investigation I believe this to be a reasonable request, and respectfully ask that the communication be referred to the Finance Committee and that the extension prayed for be granted.

Yours truly,
J. O. BROWN,
Director Department of Public Safety.
FIRE EXTINGUISHER M'FG CO.,
CHICAGO, January 2, 1901.

MR. J. O. BROWN,
Director Department of Public Safety,
Pittsburgh, Pa.:

DEAR SIR:—We wish to ask you for an extension of ninety (90) days' time from expiration of contract with your city for the construction of an automobile combination.

Our delay in this is caused through the backwardness of the battery manufacturers, who have had more business than they have had ability to turn out.

We are exceedingly anxious to make this delivery earliest moment possible, but, from what we see, are satisfied it will be fully ninety days from expiration of contract time. Therefore we ask for an extension of ninety days.

Very respectfully,
THE FIRE EXTINGUISHER M'FG CO.,
By E. J. MITCHELL,
Manager.

Which was read, received and filed.

Also.
C. C. No. 1043. *Resolved* That the Fire Extinguisher Manufacturing Company, of Chicago, Ill., shall be and is hereby granted an extension of ninety (90) days' time beyond February 12, 1901, for the erection and completion of one electric automobile combination chemical engine and hose wagon under and by virtue of a contract entered into by and between the said Fire Extinguisher Manufacturing Company and the City of Pittsburgh, by J. O. Brown, Director Department of Public Safety, under date of October 15, 1900; and that the Director of the Department of Public Safety shall be and he is hereby authorized, empowered and directed not to enforce the liquidated damage clause provided in said contract prior to the expiration of the aforesaid ninety (90) days additional time.

Which was read.

S. C. No. 583.

PITTSBURGH, January 28, 1901.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—The City of Pittsburgh is about to secure by purchase a lot of ground on Tunnel street for the uses and purposes of the Bureau of Fire, and it is deemed to be to the best interests of the Bureau of Fire that more land should be secured for the purposes thereof, and the only available lot or piece of ground that is obtainable is a certain lot or piece of ground fully described in a copy of a lease hereto attached by and between the Central Traction Company of the City of Pittsburgh and the Hon. Christopher Magee, of the Twenty-second ward of the City of Pittsburgh. This lease has a term of more than 35 years yet to run, and the rents and compensation for the uses of said land are low and it would be of great advantage to the Department of Public Safety and the Bureau of Fire to secure an assignment and transfer of the unexpired portion of this lease held by the said Central Traction Company for the City of Pittsburgh, and I would therefore ask your honorable bodies to pass a resolution authorizing, empowering and directing the Director of the Department of Public Safety to secure the transfer of this lease by proper papers hereafter to be executed and drawn up by the City Attorney.

Trusting that this will meet with your approval, I remain,

Yours very truly,

J. O. BROWN,

Director Department of Public Safety.

Which was read, received and filed.

Also

S. C. No. 584. *Resolved*, That the Director of the Department of Public Safety shall be and he is hereby authorized, empowered and directed to purchase and secure the assignment and transfer of the unexpired portion of a lease held by the Central Traction Company of the City of Pittsburgh for a certain lot or piece of ground situate on Tunnel street between Wylie avenue and Fifth avenue, City of Pittsburgh, more fully bounded and described in a copy of said lease hereto attached and made part hereof, the same to be for the uses and purposes of the Bureau of Fire, the consideration therefor being the prices stipulated and set forth in said copy of agreement hereto attached:

This lease made the 29th day of January, A. D. 1889, between Christopher Magee, of the Twenty-second ward, of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, party of the first part, and the Central Traction Company, of said City of Pittsburgh, party of the second part, witnesseth, that the said party of the first part doth hereby lease and demise unto the said party of the second part, all that certain lot or piece of ground situate in the Fifth ward of said City of Pittsburgh and bounded and described as follows, viz.:

Beginning at a point on the western side of Tunnel street eighty-six feet southwardly from Wylie avenue; thence southwardly along Tunnel street thirty-four feet; thence westwardly and parallel with Wylie avenue one hundred and forty feet; thence northwardly and parallel with Tunnel street thirty-four feet; thence eastwardly and parallel with Wylie avenue one hundred and forty feet to Tunnel street at the place of beginning.

To have and to hold the same to the said party of the second part, its successors, for and during the term of fifty (50) years from the first (1st) day of April, A. D. one thousand eight hundred and eighty-nine.

Yielding and paying therefor the yearly rent of \$408.00 for the first ten years of said term, said rent being equal to six per centum of the sum at which said lot is assessed for the purpose of taxation by said City of Pittsburgh; yielding and paying therefor for the second ten years of said term a sum equal to six per centum of the sum at which said lot shall have been assessed for the purpose of taxation by said City of Pittsburgh at the last assessment preceding the termination of said first period of ten years, for each year of said period of ten years provided said sum shall not be less than the annual rent for said first period of ten years; yielding and paying therefor for the third ten years of said term an annual rent equal to six per centum of the sum at which said lot shall have been assessed for the purpose of taxation by said City of Pittsburgh at the last assessment preceding the termination of said period of ten years, provided the rent for said third period of ten years shall not be less than the rent for said second period of ten years; yielding and paying therefor for the fourth ten years of said term an annual rent equal to six per centum of the sum at which said lot shall have been assessed for the purpose of taxation by said City of Pittsburgh at the last assessment preceding the expiration of said third period of ten years, provided the rent for said fourth period of ten years shall not be less than the rent for said third period of ten years; yielding and paying therefor for the fifth ten years of said term an annual rent equal to six per centum of the sum at which said lot shall

have been assessed for the purpose of taxation by said City of Pittsburgh at the last assessment preceding the expiration of said fourth period of ten years, provided the rent for said fifth period of ten years shall not be less than the rent for said fourth period of ten years. If at any time said assessment shall be lower at the end of any period of ten years as aforesaid than it was at the end of the preceding period of ten years, the rent for the ten years immediately following that time shall be the same as it was for the ten years immediately preceding that time.

All of said rent to be paid quarterly from first day of April, A. D. 1889.

In consideration whereof the said party of the second part covenants and agrees for itself, its successors and assigns, that the hereinbefore reserved rent shall be truly paid to the said party of the first part in the manner above appointed; that all taxes, assessments and municipal charges of whatsoever kind assessed or charged during the said term on the premises herein leased, on the buildings thereon erected or to be erected, and on the rent herein reserved shall be paid and discharged by said party of the second part, and said premises shall be kept clear and free of any liens or claims that may encumber or charge the title to the fee of said premises; that at any time said rent shall fall in arrear for the period of six months or any valid lien shall be entered against said premises that shall charge or encumber the title to the fee of the same, the said party of the first part may at his option then consider the party of the second part as tenant at will, and may, after thirty days' notice in writing left on the premises, re-enter and re-possess himself of the said premises, using such and so much force as may be necessary to that end.

And it is further agreed between the parties that all buildings erected on the premises shall be permitted to remain thereon and shall become the property of the party of the first part upon the determination of the tenancy under this lease, whether by the expiration of the term or by any other means. And the said party of the second part for itself, its successors and assigns, hereby waives in any landlord's warrant for the collection of rent, or in any suit or proceedings instituted for a breach of any of the covenants of this lease, the benefits and privileges granted and conferred by virtue of the Act of Assembly of the Commonwealth of Pennsylvania, approved the 9th day of April, A. D. 1849, entitled "An act to exempt property to the value of \$300.00 from levy and sale on execution or distress for rent," or any other law now in force or hereafter to be passed exempting property from levy and sale on execution and distress for rent.

In witness whereof the party of the first part has hereunto set his hand and seal and the party of the second part has hereunto affixed its corporate seal and caused the same to be attested by its president and secretary the day and year first above written.

CHRIST. MAGEE. [Seal.]

GEO. I. WHITNEY, President, [Seal.]

The Central Traction Company.

Attest: J. R. MCGINLEY, Secretary.

Signed, sealed and delivered in presence of L. D. LIE GLONINGER.

C. C. No. 1093. *Resolved*, By Select and Common Councils of the City of Pittsburgh, that the Director of the Department of Public Works is hereby authorized and directed, for and in behalf of the City of Pittsburgh, to enter into a contract or agreement between the City of Pittsburgh and the Pittsburgh & Birmingham Traction Company, by which the Pittsburgh & Birmingham Traction Company shall agree and bind itself to pay to the City of Pittsburgh the sum of five thousand dollars (\$5,000) per year, for the period of twenty (20) years from this date, for the privilege of moving, propelling or operating the passenger cars of the said Traction Company over and across the new bridge to be built and erected across the Monongahela river, at the foot of South Tenth street, in said City; no money, however, to be paid under the said agreement until the said new bridge is finished and ready for travel; and

Resolved, Further, that when said agreement or contract is made, executed and delivered, according to law, and also approved by both branches of the City Councils, the said Traction Company shall be relieved from the payment of any money now due and unpaid for the use of the old bridge at that location, prior to the date of the said agreement or contract.

Which was read.

Mr. Semmelrock moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the resolution was read a second time.

Mr. Douglas moved to amend

By striking out the following:

"The said Traction Company shall be relieved from the payment of any money now due and unpaid for the use of the old bridge at that location, prior to the date of the said agreement or contract."

And inserting in lieu thereof

"Without prejudice to the rights of the City of Pittsburgh with relation to its claim in reference to the Smithfield street bridge."

Mr. Righam,

Mr. President: As this motion to amend has given rise to some debate, I would suggest, as it is getting late, that the matter be laid over until our next meeting.

The Chair:

I think the suggestion a good one, and if there is no objections, the matter will lay over until our next meeting.

And there being no objections, the matter was laid over.

C. C. No. 1079.

PITTSBURGH, PA., January 11, 1901.

To the Presidents of Select and Common Councils, City of Pittsburgh:

GENTLEMEN:—At the last meeting of Councils I introduced an ordinance authorizing the purchase of a lot or piece of ground situated in the Twenty-second ward, at the corner of Shady and Homewood avenues, from Roger O'Mara, for the sum of twelve thousand five hundred dollars (\$12,500). Mr. O'Mara has withdrawn the proposition to sell said lot to the city, as per letter hereto attached. I would respectfully request that the ordinance affirmatively recommended by the Finance Committee be returned to said Finance Committee for further consideration.

Yours truly,

J. O. BROWN,

Director Department of Public Safety.

PITTSBURGH, PA., January 11, 1901.

MR. J. O. BROWN,

Director Department of Public Safety.

DEAR SIR:—You are hereby notified that I have withdrawn my proposition to sell to the city, a lot or piece of ground situated at the corner of Shady and Homewood avenues, in the Twenty-second ward, and will not dispose of the same to the City of Pittsburgh.

Yours truly,

ROGER O'MARA.

McCandless, President.

AYES—40.

NOES—None.

And the Clerk was directed to message the same to Common Council for concurrence.

Also

C. C. Bill No. 977. An Ordinance entitled "An Ordinance making appropriations for the fiscal year beginning February 1st, 1901, and authorizing the expenditure thereof."

Which was read.

Mr. Leslie moved

A suspension of the rule to allow the second and third reading and final passage of the bill.

Mr. Douglas arose to a point of order, stating there is before Councils a tax-levying ordinance, and it should be considered before the ordinance making appropriations.

The Chair ruled the point of order "not well taken." The Chairman of the Finance Committee has made his report, and this ordinance being a part of that report, its consideration is

now in order. The ordinance levying taxes is unfinished business of this Council, and will come up under that order of business.

And the question being on the motion of Mr. Bigham to suspend the rule, a vote was taken, and, upon a division of the vote the Ayes were 20, Noes 15, so the motion did not prevail.

Mr. Bigham presented

From the Committee on Public Works with an affirmative recommendation

S. C. Bill No. 486. An Ordinance entitled "An Ordinance authorizing the opening of Dithridge street (formerly Bellefield avenue), from Centre avenue to the Grant boulevard, and the assessment of damages caused by the grade of the same."

Which was read.

Also

C. C. Bill No. 930. An Ordinance entitled "An Ordinance authorizing the grading, paving and curbing of Post street from Forty-second street to Forty-fourth street."

Which was read.

Also

C. C. Bill No. 478. An Ordinance entitled "An Ordinance authorizing the opening of Hale street, from Alsace street to Tigra street, and the assessment of damages caused by the grade of the same."

Which was read.

Mr. Bigham moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Mr. Douglas moved

That Council adjourn to meet on Friday, March 1, 1901, at 2 o'clock P. M.

Upon which motion Mr. Douglas demanded a call of the ayes and noes, and the demand having been sustained the ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

Beckert	Douglas	McLain
Cavett	Douthett	McNeill
Crawford, C. S.	Dubarry	Siebert
Culbertson	Hedderich	Sterrett
Delaney	Hughes	Wightman

Jones	Rodgers	Walls
Kramer	Rusch	Zacharias
Leslie	Schwarzwaelder	Zollinger
Lewis		

McCandless, President.

AYES—18.

NOES—23.

So the motion did not prevail.

Mr. Bigham, with the consent of the member seconding, asked and obtained leave to withdraw his motion to suspend the rule.

UNFINISHED BUSINESS OF COMMON COUNCIL.

Mr. W. A. Magee called up

C. C. Bill No. 976. An Ordinance entitled "An Ordinance levying taxes and assessing water rents for the fiscal year beginning February 1, 1901."

Which in Common Council, February 21, 1901, read, rule suspended to allow second reading, and read a second time.

Messrs. W. A. Magee, Douglas, Leslie, Bigham, C. S. Crawford, Lang and Sterrett spoke upon the bill.

Mr. Douglas having the floor,

Mr. Bigham arose to a point of order, stating that the member had spoken twice upon the bill.

The Chair ruled the point of order "well taken," and read Section 2 of Rule III., of the Rules of Councils.

Mr. Douglas—

Mr. Chairman: I have spoken but once on the subject; the other was interrogating a member.

The Chair ruled that if a member interrogate or be interrogated it should not be taken as speaking on the matter.

Mr. Douglas moved

That Council do now adjourn.

Mr. McLain moved

That Council adjourn to meet on Friday, March 1, 1901, at 2 o'clock P. M.

Upon which motion Mr. Bigham demanded a call of the ayes and noes, and the demand having been sustained the ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

Beckert	Dubarry	Siebert
Crawford, C. S.	Hedderich	Sterrett

AYES—17.

NOES—25.

So the motion did not prevail.

Mr. Siebert moved

To amend the bill under title "Sub-School Districts" by striking out in item "72, Mt. Albion, Eighteenth ward, 8.2 mills," the amount "8.2 mills," and insert in lieu thereof "2.5 mills," stating that the levy made was too high a rate and unlawful.

Mr. Siebert asked the unanimous consent of Council for the privilege of the floor for a member on the Eighteenth Ward Citizens' Committee to address Councils on the subject.

Which was granted.

And Mr. Archibald Miller addressed Councils and read portions of Acts of Assembly of the Commonwealth of Pennsylvania of March 22, 1877, June 12, 1878, and February 12, 1880, and claimed that under these Acts the levy made for school purposes in the Mt. Albion District (Eighteenth ward) was unlawful.

Mr. W. A. Magee moved

To fix the hour of 3 o'clock P. M., Friday, March 1, 1901, to take a final vote on the bill.

Mr. C. S. Crawford moved

To amend that further action upon the bill be postponed until 3 o'clock next Friday

The **Chair** said:

That if the bill is amended it will have to lay over for reprinting.

Mr. Douglas moved

That Council adjourn to meet on Friday, March 1, 1901, at 2 o'clock P. M.

The **Chair** ruled the motion out of order that the motion had been voted down and that there had been no business transacted since.

The motion of **Mr. C. S. Crawford** was put, and lost.

Mr. Bigham moved

That Council adjourn.

Which motion prevailed.

And Council adjourned.

UNFINISHED BUSINESS OF COMMON COUNCIL.

C. C. Bill No. 976. An Ordinance entitled
"An Ordinance levying taxes and assessing
water rents for the fiscal year beginning Feb-
ruary 1, 1901."

In Common Council February 25, 1901.
Bill on second reading. Motion pending to
strike out under title, "Sub-School Districts,"
item "72, Mt. Albion, Eighteenth ward, 8.2
mills." the amount "8.2 mills" and insert in
lieu thereof "2.5 mills" when Council ad-
journed.

The Chair:

The question before Councils is on the mo-
tion to strike out on page 5, in item "72, Mt.
Albion, Eighteenth ward, 8.2 mills." the
amount "8.2 mills" and insert in lieu thereof
"2.5 mills."

Mr. W. A. Magee asked and obtained leave
to present
No. 1168.

PITTSBURGH, PA., Feb. 28th, 1901.

To W. A. MAGEE,

Chairman Finance Committee, City.

DEAR SIR:—You have asked me for an opion
upon the question of whether or not a
sub-school district within the City of Pitts-
burgh, has the right, as such sub-school dis-
trict, to estimate and determine the amount
of the annual school tax for such school dis-
trict, and certify the same to the City Coun-
cils, to be included in the tax levy.

I am utterly unable to find any law which
gives any such power to any sub-school dis-
trict within this city.

Yours very truly,

CLARENCE BURLFISH,

City Attorney.

Which was read, received and filed.

Mr. Siebert with the consent of the member
seconding, asked and obtained leave to with-
draw the motion to amend the bill.

Mr. Siebert moved

To amend the bill on page 5, item "72,
Mt. Albion, Eighteenth ward, 8.2 mills," by
striking out the amount "8.2 mills."

Mr. Bigham moved

To amend by striking out all under title of "Sub-School District" on pages 4, 5 and 6.

Mr. Douglas moved

That Council do now adjourn to meet on Friday, March 8, 1901, at 2 o'clock P. M.

Mr. Bigham, with the consent of the member seconding, asked leave to withdraw his motion to strike out all under title of "Sub-School Districts."

Mr. Douglas arose to a point of order, stating that as there was a motion to adjourn nothing else was in order.

The Chair: The point of order is "well taken."

And the question being on the motion to adjourn, it was decided in the negative by the following vote:

AYES—Messrs.

Beckert	Hedderich	Sterrett
Crawford, C. S.	Jack	Walls
Crawford, J. L.	Lang	Wightman
Dieterle	McLain	Zeuger
Douglas	McNeil	Zollinger

Jones	McTighe	Zacharias

McCandless, President.

AYES—17.

NOES—25.

Mr. Bigham asked and obtained leave to withdraw his motion to amend by striking out all under title of "Sub-School Districts."

And the question being on the motion of Mr. Siebert to strike out "8.2 mills," it was decided in the affirmative.

Mr. Cavett moved

To amend the bill under title of "Estimated receipts of sub-school districts" in item "Thad. Stevens, Thirty-sixth ward, \$8,000.00," by striking out the sum \$8,000.00 and inserting in lieu thereof \$7,000.00, and that the millage on page 6 be adjusted to meet the same.

Which motion prevailed.

Mr. Douglas moved

To amend the bill under title Pittsburgh water rates, 1901, by reducing the schedule of water rates 25 per cent.

Mr. Lang moved

That Council do now adjourn.

Upon which motion Mr. Leslie demanded a call of the ayes and noes, and the demand having been sustained the ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

McCandless, President.

AYES—16.

NOES—26.

So the motion did not prevail.

Mr. Douglas, with the consent of the member seconding, asked and obtained leave to withdraw his motion to amend the water rate schedule.

Mr. Vaux moved

To amend the bill on page 2 under title "City Tax," by striking out 17 mills and inserting in lieu thereof 16 mills.

Mr. Siebert moved

To amend by striking out 17 mills and inserting in lieu thereof 15½ mills.

Mr. W. A. Magee, Jr., moved

To amend by striking out 17 mills and inserting in lieu thereof 15 mills.

The Chair ruled the motion of Mr. Magee out of order.

Mr. Douglas arose to a point of order, stating that the consideration of the tax levying bill before the appropriation bill was out of order and illegal.

The Chair ruled the point of order not well taken, that the bills came from the Committee on Finance and are now unfinished business of this Council and that it was in order for Council to consider either of the bills.

Mr. Douglas appealed from the decision of the Chair, seconded by Mr. McNeil.

The President called Mr. Bigham to the chair.

The Chair (Mr. Bigham).

The question before Council is, "Shall the decision of the Chair be sustained?"

Mr. Douglas said he based his point of order upon a section of the Act of Assembly of March 22, 1877, and read the section as follows:

"36. The Finance Committee of the Councils of the cities of the class aforesaid, shall be and are hereby directed, in lieu of any existing authority in relation thereto, to make and agree upon an estimate of the various sums of money which in their discretion will be required to defray all the various expenses necessary for conducting the various departments, whether legislative, executive or administrative (including schools or boards of education or poor boards) of the city government, which estimate shall be founded upon reports obtained from said departments, and also for paying the interest upon the city debt, and the principal of such debt falling due; which amounts, when so established by said committee, shall be certified by them on or before the second Monday of January in each year in detail to the City Councils, to be by them accepted or modified as the aggregate expenses of the city; and said Councils are hereby empowered and directed, annually, to cause a tax sufficient for all purposes to be levied and collected of the estates, real and personal, subject to taxation within such cities."

And that it was clear to his mind that consideration of the appropriation bill should precede the one levying taxes.

President McCandless said that he would leave his decision to rest with Council.

And on the question, "Shall the decision of the **Chair** be sustained?" Mr. **W. A. Magee** demanded a call of the ayes and noes, and the demand having been sustained the ayes and noes were ordered to be taken, and being taken were:

AYES—Messrs.

Anderson	Leslie	Schwarzwaelder
Bigham	Magee, W. A.	Spurr
Cavett	Magee, W. A. Jr.	Stockdale
Culbertson	Moore	Stonerod
Douthett	McTighe	Vaux
Hogue	Rodgers	Zacharias
Kramer	Rusch	

NOES—Messrs.

Beckert	Hughes	McNeill
Crawford, C. S.	Jack	Sibert
Crawford, J. L.	Jones	Sterrett
Dieterle	Lang	Walls
Douglas	Lewis	Wightman
Dubarry	Mierzwa	Zollinger
Hedderich	McLain	

AYES—20.

NOES—20.

The **Chair** (Mr. **Bigham**) decided the decision of the **Chair** sustained.

And on President **McCandless** taking the chair

Mr. **Culbertson** moved

That further consideration of the bill be postponed for the present.

Which motion prevailed.

Mr. **Douglas** moved

That Council do now adjourn.

Which motion did not prevail upon a division of the vote—the Ayes were 19, Noes 21.

The **President** called Mr. **W. A. Magee** to the chair.

The **Chair** took up

C. C. Bill No. 977. An Ordinance entitled "An Ordinance making appropriations for the fiscal year beginning February 1st, 1901, and authorizing the expenditure thereof."

In Common Council February 25, 1901. Read a first time.

Which was read a second time.

Mr. **McCandless** moved

That the bill just read making appropriations for the fiscal year beginning February 1, 1901, together with the bill levying taxes for the fiscal year beginning February 1, 1901, be recommitted to the Committee on Finance with instructions to prepare the same to meet a 15-mill tax levy.

Which motion prevailed.

Mr. **Bigham** moved

That the Clerk be directed to notify each of the Sub-District School Boards to certify the tax levy of their districts to the Central Board of Education, and request said Board to immediately certify the same to Councils in accordance with Act of Assembly of June 12, 1878 (Thomson's Digest, 1897, P. P. 276-277.)

Which motion prevailed.

President **McCandless** took the chair.

The **Chair** presented

No. 1169.

February 28, 1901.

To the Presidents and Members of Select and Common Councils:

GENTLEMEN—I beg leave to return to your honorable bodies, without my approval, a resolution (C. C. No. 1147) authorizing and directing the City Controller to furnish each member of Councils with three copies of Thomson's Digest, series 1897, also to the Directors of Departments, public libraries and public institutions within the city applying for the same.

I can see no necessity for supplying each member of Councils with three copies of the Digest. At most one copy would be sufficient for each member, although that is not necessary, as the Digest can be consulted in any of the city offices whenever desired. It is a needless expense, and for that reason I decline to approve this resolution.

Yours most respectfully,

W. J. DIEHL,

Mayor.

Which was read, received and filed.

Also

C. C. No. 1147. *Resolved*, That the City Controller shall be and he is hereby authorized and directed to furnish each member of Councils with three (3) copies of Thomson's Digest, series 1897, also to the Directors of Departments, Public Libraries and Public Institutions within the city applying for same.

Which was read.

And on the question, "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Anderson	Jack	Rusch
Beckert	Jones	Schwarzwaelder
Bigham	Kramer	Sibert
Cavett	Lang	Spurr
Crawford, C. S.	Leslie	Sterrett

McCandless, President.

AYES—42.

NOES—None.

And three-fifths of the votes of Common Council being in the affirmative the resolution was passed over the veto of the Mayor.

And the Clerk was directed to message the same to Select Council for concurrence.

Mr. **Leslie** moved

That Council do now adjourn.

Which motion prevailed.

Also

C. C. Bill No. 976. An Ordinance levying taxes and assessing water rents for the fiscal year beginning February 1, 1901.

In Common Council February 21, 1901. Read, rule suspended to allow second reading of the bill, and the bill read a second time.

In Common Council February 25, 1901. Bill on second reading, and motion pending to strike out under title of "Sub-School Districts" item "72 Mt. Albion, Eighteenth ward, 8.2 mills" the amount "8.2 mills" and insert in lieu thereof "2.5 mills," when Council adjourned.

In Common Council March 1, 1901, amended by striking out under title "Sub-School Districts" item "72 Mt. Albion, Eighteenth ward, 8.2 mills" the amount "8.2 mills," and under title "Estimated Receipts of Sub-School Districts" item "Thad. Stevens, Thirty-sixth ward, \$8,000.00," the sum "8,000.00" in inserting in lieu thereof "7,000.00," and fixing the millage of said "Sub-School District" to

meet the same, and bill recommitted to the Committee on Finance with instructions to prepare same to meet a 15-mill tax levy.

In Committee on Finance, March 4, 1901, amended.

Which was read as amended, as follows:

C. C. Bill No. 976. An Ordinance levying taxes and assessing water rents for the fiscal year beginning February 1, 1901.

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled and it is hereby ordained and enacted by the authority of the same, That for the purpose of providing sufficient revenue for the payment of the interest on the funded debt and to provide sinking funds as required by law for the retirement of said debt at maturity, for the payment of the salaries of City officers and to pay the ordinary current expenses of the City and for the discharge of other liabilities now due, or which may become due and payable during the said year beginning February 1, 1901, taxes shall be and are hereby levied and assessed upon all property and other objects of taxation as follows:*

CITY TAX.—Upon all property taxable for State or County purposes 15 mills upon each dollar of valuation, except the property in said City designated as rural, upon which the tax shall be assessed at two-thirds of said rate, and upon all property designated as agricultural the tax shall be assessed at one-third of said rate.

SOUTH SIDE SPECIAL TAX.—Upon all property taxable for State or County purposes within the limits of the former Borough of East Birmingham 5-10 mills.

BELTZHOOVER BOROUGH SPECIAL TAX.—Upon all property taxable for State or County purposes within the limits of the former Borough of Beltzhoover 2 mills.

The balance of receipts from said special taxes (after paying interest) shall be paid into a sinking fund for the district from which it is collected and shall be used for the payment of the special debt of said district.

For the purpose of defraying the interests on bonds and for sinking funds and miscellaneous purposes of the sub-school districts in the several wards of the City of Pittsburgh there shall be levied upon all property taxable for State or County purposes upon each dollar of said valuation in said several wards the tax rate affixed to each designated sub-school district named herein except the property in said wards designated rural, upon which the tax shall be assessed at two-thirds of said rate, and upon all property designated in said wards as agricultural, the tax shall be assessed at one-third of said rate as follows:

Mr. C. S. Crawford arose to a point of order, stating that the bill was not properly before Council; that in the motion to recommit the appropriation bill to the Committee on Finance the bill levying taxes was not included in the motion, and asked that that portion of the minutes of Council of March 1, 1901, be read.

The Chair directed the Clerk to read that portion of the minutes of March 1, 1901, in reference to the motion to recommit the bill.

The Clerk read as follows:

"Mr. W. A. Magee in the Chair. Mr. McCandless moved that the bill just read making appropriations for the fiscal year begin-

ning February 1, 1901, together with the bill levying taxes for the fiscal year beginning February 1, 1901, be recommitteed to the Committee on Finance with instructions to prepare the same to meet a 15-mill tax levy."

The Chair decided the point of order not well taken, that he made the motion to recommit, and the minute as read by the Clerk were the very words he used in making the motion.

Mr. Douglas:

Mr. President—Is it customary in parliamentary law for two bills, one of which was being discussed and the other of which was not before Council, to be included in the same motion?

The Chair: It could be.

Mr. W. A. Magee said

That he was presiding at the time, and that the minute read was the motion as he understood it, and which he put before Council. "And, Mr. President, could not Council refer any and all bills on the desk at any time, by a majority vote, to whatever committee it saw fit?"

Chair. Council can by a majority vote.

Mr. W. A. Magee moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

Mr. W. A. Magee called up

C. C. No. 1171. Tax levy of the Sub-District School Boards which was this day presented and read,

And moved to amend the bill by striking out all under titles of "Sub-School Districts" and "Estimated Receipts of Sub-School Districts," as follows:

Mr. Siebert moved

To amend in item "72, Mt. Albion, 18th ward, 8.2 mills" by striking out "8.2 mills" and inserting in lieu thereof "2.5 mills."

The Chair ruled the motion out of order, that from what he understood of the law in the matter, it was compulsory upon Councils to place in the tax levy bill the levy as made by the Sub-District School Boards and certified to Councils by the Central Board of Education.

Mr. C. S. Crawford moved

To strike out all under title of Sub-School Districts.

The Chair ruled the motion out of order for the same reason given on the motion of Mr. Siebert.

Mr. Siebert asked that the City Attorney be sent for.

Which was done, and on the messenger returning stated that the City Attorney was not in the city.

Mr. Siebert: Then, Mr. Chairman, I insist upon my motion. The figures are made a part of the general ordinance, and I contend we have a right to amend.

The Chair: The motion is out of order.

Mr. Siebert: I appeal from the decision of the Chair.

The appeal being seconded,

The Chairman called Mr. Douglas to the Chair, and, upon the member declining, called Mr. Leslie.

Mr. Leslie in the Chair.

The Chair: The question before Council is, "Shall the decision of the Chair be sustained?"

Mr. Siebert declined to address Council.

President McCandless said: I ruled as I did for the reason that, as I understand the law, I do not believe that Councils have any jurisdiction in the matter, and that the Courts only have the power to settle it.

The question being put, "Shall the decision of the Chair be sustained?"

The ayes and noes were taken agreeably to law, and were:

AYES—Messrs.

Anderson	Magee, W. A.	Sheehan
Bigham	Magee, W. A. Jr	Sparr
Delaney	Moore	Stonerod
Hogue	Rusch	Vaux
Jones	Schwarzwaelder	Wellinger

Crawford, J. L.	Hughes	Splane
Culbertson	Jack	Sterrett
Dieterle	Kramer	Zeuger
Douglas	McLain	

AYES—19.

NOES—17.

And the decision of the Chair was sustained.

And the question being on the motion of Mr. W. A. Magee to amend by striking out all under title of Sub-School Districts and inserting in lieu thereof the tax levy of the Sub-District School Boards as certified by the Central Board of Education, it was decided in the affirmative.

Mr. C. S. Crawford moved

To amend the bill under title of Pittsburgh Water Rates—"Meter Rates, Item First, 500,000 or less at 20 cents per 1,000 gallons," by striking out the amount "20 cents," and inserting in lieu thereof "10 cents," and in "Item Third, 1,000,000 or less at 10 cents per 1,000 gallons," by striking out the amount "10 cents" and insert "5 cents."

And Mr. C. S. Crawford having spoken twice on the amendment, he was called to order by the Chair.

Mr. McNeil moved

That the member be allowed the floor.

Which motion prevailed.

And the question being on the motion to amend it was decided in the negative.

And the bill as read a second time and amended was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Which motion prevailed.

UNFINISHED BUSINESS OF COMMON COUNCIL.

C. C. No. 1093. *Resolved*, By Select and Common Councils of the City of Pittsburgh, that the Director of the Department of Public Works is hereby authorized and directed, for and in behalf of the City of Pittsburgh, to enter into a contract or agreement between the City of Pittsburgh and the Pittsburgh & Birmingham Traction Company, by which the Pittsburgh & Birmingham Traction Company shall agree and bind itself to pay to the City of Pittsburgh the sum of five thousand dollars (\$5,000) per year, for the period of twenty (20) years from this date, for the privilege of moving, propelling or operating the passenger cars of the said Traction Company over and across the new bridge to be built and erected across the Monongahela river, at the foot of South Tenth street, in said City; no money, however, to be paid under the said agreement until the said new bridge is finished and ready for travel; and

Resolved, Further, that when said agreement or contract is made, executed and delivered, according to law, and also approved by both branches of the City Councils, the said Traction Company shall be relieved from the payment of any money now due and unpaid for the use of the old bridge at that location, prior to the date of the said agreement or contract.

In Common Council February 21, 1901 Rule suspended, read a first and second times, motion made to amend to strike out the following: "The said Traction Company shall be relieved from the payment of any money now due and unpaid for the use of the old bridge at that location prior to the date of the said agreement or contract," and insert in lieu thereof the following: "Without prejudice to the rights of the City of Pittsburgh with relation to its claim in reference to the Smithfield street bridge," and by agreement further action postponed until the next meeting.

Which was read.

And the question being on the motion to amend, it was decided in the negative.

Mr. **Kramer** moved

That further action upon the resolution be indefinitely postponed.

Which motion did not prevail.

And the resolution as read a second time was agreed to.

On motion of Mr. Beckert, the reading of the minutes of the previous meeting was dispensed with.

Mr. Leslie moved

That the Clerk be directed to notify Select Council that Common Council desired to immediately meet with that body in joint session.

And Select Council was so notified.

And the Clerk of Select Council having been introduced, announced that that body was now ready to meet with Common Council in joint session as requested.

And Select Council having appeared and being introduced, and being so met in

JOINT SESSION,

Chairman Thorn, of Select Council, called the joint session to order, and said: "President McCandless, of Common Council, will state the object of this meeting."

President McCandless:

"GENTLEMEN:—It becomes my painful duty to announce to these Councils the death of our most prominent citizen, one for whom the city mourns—the Honorable Christopher Lyman Magee. What action do you desire to take?"

Mr. Upperman, of Select Council, moved

That a committee be appointed to draw up a suitable resolution.

Which motion prevailed.

And Messrs. Upperman, McLeary, Platt, Paul, Barry, Rublandt and Lambie were appointed on behalf of Select Council.

And Messrs. Beckert, Rusch, Leslie, Donley, Bigham, McLain, Wightman and Zeuger were appointed on behalf of Common Council.

The Committee retired from the Chamber to draft the resolution.

After a short wait the Committee returned and Chairman Upperman said:

"Your Committee appointed to draft a suitable resolution on the death of Honorable Christopher Lyman Magee, begs leave to submit the following:

No. 1186.

As the chosen representatives of the whole body of the people of Pittsburgh, we feel it a mournful duty to officially record the deep regret of this great community at the passing from all earthly activity of its foremost and best-beloved citizen, Christopher Lyman Magee.

Mr. Magee had faithfully served his native city in so many public capacities, and in his private life had so furthered its growth, prosperity and general welfare, that his loss will long be deeply felt in every branch of its corporate and individual life. He drew his first breath upon its soil, and his last efforts were directed to the preservation and advancement of its best interests.

Coming of an ancestry which was associated with the city's earliest beginnings, he imbibed with his natal breath a local patriotism which grew with every year and which dominated his every action. He was filled with a great and honest ambition to succeed, himself, but there was nothing selfish about that ambition. Coupled with it was the desire, ever present, to have his fellow-citizens advance and prosper with him, to the end that their efforts, united with his own, might make Pittsburgh no mean city. And this ambition reached a rich fruition without an

act on his part that in any degree tarnished the great result or the character of him who achieved it.

From the time he, with unselfish sacrifice, gave up opportunities for personal educational improvement and entered, at the age of 15, the service of the city as clerk to the City Controller, until he laid aside, at his lamented decease, the mantle of a State Senator, which had been unanimously conferred upon him by his fellow-citizens, and which he had most worthily worn, he ever kept in view his city's good. The faithfulness and ability he displayed in his first public position speedily led to his promotion to that of City Cashier, and then, at the early age of 23, to the important and responsible post of City Treasurer, which he received directly from the hands of the people by a flattering vote. This last position he occupied with such fidelity and efficiency for two terms as to win for himself the highest confidence of the people and to the great advantage of the city's finances. Then he gave long, valuable and voluntary service as a member and President of the Board of Fire Commissioners, and also as a member and Treasurer of the Sinking Fund Commission.

When Mr. Magee's influence first became potent in affairs of the municipality its finances were in bad shape, but owing to his wise and prudent course and counsel Pittsburgh years ago attained a position in the very first rank of American cities financially, so that its obligations, which once had almost gone begging at a high rate of interest and a discount, have been and are now eagerly sought after at a high premium and a phenomenally low interest rate. His influence upon the Fire Department and upon that of the police was also such as to transform the whole character of these services and to make safety and order reign where there had been insecurity and disorder. In every other branch of the city's affairs the same great improvement followed the touch of his master mind, which overlooked no detail and which insisted that nothing was too good for Pittsburgh and its people.

When Mr. Magee first entered public life the city contained a population of about 50,000, confined within a narrow area and separated by distance and difficulties of transportation, communication and other barriers from communities which were closely akin and naturally belonged with it. Both the city itself and these neighboring communities were suffering from the resulting division and from the lack of needed public improvements. Mr. Magee clearly grasped the situation, and by his enlightened and far-reaching private enterprise, supplementing the public acts he initiated or performed, welded all the hitherto separated and insignificant communities into one great city, now having a population of a third of a million itself, while its immediate tributary territory possesses as much more, thus rearing for himself a monument which shall last as long as Pittsburgh or its memory shall endure.

The consolidation of the city and much of its marvelous growth were made possible by the greatly improved transit facilities of which Mr. Magee was the prime mover, and which not only helped make Pittsburgh what it is to-day, but brought prosperity to many of its people. The great public improvements wrought under the auspices of the city authorities, which have transformed its topography and increased the means of free communication between its various parts,

were also very largely due to his initiative and support. The provisions made for the recreation and amusement of the city's people always found in him a persistent and influential advocate. Childless himself, he loved all children, and every movement to increase and improve their educational facilities and their opportunities for rational enjoyment commanded his approval and assistance. He was not content to see Pittsburgh great only in population and its material prosperity; he desired it to be the home of literature, science, music and the arts. As he himself once declared: "The character rather than the numbers of the population of a city makes it great;" and he was ever desirous of uplifting the character of Pittsburgh.

While speaking of his public official services and of his private acts which resulted to the public advantage, the record of things done by him who was lovingly best known to all as "Chris" Magee would be incomplete without allusion to his remarkably genial personality, which made him loved by all who knew him; his broad and munificent charity, which embraced all classes and conditions of men; his unflinching sympathy with those in trouble; his ideal domestic life, and his unwavering belief in the beneficent fatherhood of God and the actual brotherhood of man, which prompted his heart to deeds of kindness, even to those who had injured him.

But when paying this last tribute, and expressing on behalf of this community the deep sorrow which every citizen of Pittsburgh feels for his death, we are irresistibly impelled to once more recur to his affection for his native city. It is said of Queen Mary of England that when she was about to die she addressed her weeping attendants, saying: "Women, when I am dead, open my heart, and there you will find written two names—Philip and Calais." And so it cannot be doubted that if a similar office could be performed upon him who was this city's greatest and most fondly cherished citizen, there would be found emblazoned upon his heart of hearts, along with the name of her whom he loved best, and to whom the whole city tenders its sincerest condolence, that of his ever beloved Pittsburgh.

Mr. Upperman said:

Mr. Chairman:

"In rising to move the adoption of the resolution I desire to say but a few words. Mr. Christopher Lyman Magee was one of the few

men who, early in life, saw the possibility of building at the confluence of the Allegheny, Monongahela and Ohio rivers one of the greatest cities the earth could hold. Being so far from the seaboard, Pittsburgh could not have the advantages of New York, Philadelphia, Baltimore, Boston and other seaport cities. Nevertheless he saw its opportunities and spent great energy and gave his time and work to make the city as grand as those.

"He said to me recently that a man who would live for 20 years would see Pittsburgh a city of 1,000,000 inhabitants. Had he lived he would have seen his prophecy realized. What this city is and what it owes to Christopher Lyman Magee more than to any other man.

"As a friend I know of none who equaled him. He was my friend and I tried to be his friend. He was a man of big, noble heart. I remember one case of a man who had abused him, who had proclaimed that the office he had just vacated was rotten; that it should be investigated. This man often said that Mr. Magee did not administer the office honestly. I was present when that man who had lost the office he then held, called to see Mr. Magee, saying to him, 'I am ruined. I have not a dollar between myself and heaven.' Chris opened his big heart and said: 'What can I do for you?' The man replied: 'If I had \$2,000 I could enter into business and support myself and family. Chris Magee sat down and wrote a check not for \$2,000, but for \$3,000. When the man had gone, I, knowing how he had abused Mr. Magee, said, 'Chris, I don't think that you should have favored him. He has said the worst things of you any man could possibly say.' He turned to me, and when I saw his face I knew that I was wrong. He said: 'John, this man is now without office, he is poor and needs help. Never abuse a fallen foe. Help him to take care of himself.' That was one of the noblest acts I ever heard coming from a living man.

"And now, Mr. Chairman, I move the adoption of the resolution."

Mr. Bigham said:

MR. CHAIRMAN:—In seconding the adoption of the resolution, I want to add my small tribute to the worth of our deceased friend. It has been my privilege to be somewhat intimately acquainted with Christopher Lyman Magee ever since we were boys together. In all that time I never knew "Chris" Magee to do a mean or a small thing. He was a big man in every sense of the word. It is rare indeed to find such a combination of gifts in any one character as was embodied in him. Quickness of perception, indomitable energy and perseverance, he had the longest head and most far-seeing mind of any man I ever knew. I think I can say that during the whole course of his life I never knew "Chris" Magee to make a mistake when guided solely by his own judgment.

His only weaknesses were those for which we loved him. They grew from his good heart. Far-seeing as he was in all other matters, in looking after the welfare of his old friends, where their interests were at stake, it became a matter of heart, a matter of himself. Possibly the things that he did for them were not always good policy, but the question with him was, "What can we do to help him?"

I feel, Mr. President, that the community has suffered an irreparable loss. We have lost our counsellor, our friend. Politically

speaking, we have lost our balance wheel. "Chris" Magee was the one man who could bring everybody together. He was our counsellor in difficulties. If there was trouble any place he would call the contending parties together, talk over the difficulty in a brotherly manner and bring them together so that they would go out harmoniously.

This community will miss him; we will all miss him personally. I feel that one and all of us have lost a friend—I might say a brother. I might talk for a long time and not be able to express a tithe of the feeling which is in my mind at the present time. I feel as though a great calamity had fallen upon us all. We have suffered a loss which it will take a long time to make us forget.

Mr. Leslie moved

That the city officials present be invited to participate in these proceedings.

Which motion prevailed.

And City Attorney Clarence Burleigh arose and said:

MR. CHAIRMAN AND MEMBERS OF COUNCIL:—Senator Christopher Lyman Magee is dead. A strong, brave man has fallen. One who lived like a man, creating for himself a glorious and a magnificent career. One who died like a man, facing the Destroyer without a tremor, and falling into that "sleep which knows no waking," without a single pang or fear.

But, oh, the pity of it all is this—yesterday he was, to-day he is not. But yesterday he lived and breathed, and was one of us. To-day he is gone forever. Never again will his form be seen; his voice be heard; his counsel sought; his aid be given. He is and will be but a memory, sweet and pure 'tis true, but always savored with the vain regret that one so useful, good and truly great should be taken in his very prime.

We shall and will remember him as one who but a few short months ago was the very personification of health and strength and manly beauty—with elastic step and winning smile, and cheery word and cheerful salutation for all. Life seemed to stretch far out in unbroken lines for him, and none other seemed to have such brilliant promise for extreme old age.

Nearly perfection as a business man, he reaped to the full the harvest justly due to him and to his efforts, and with a lavish hand disbursed his bounty near and far. Of his large philanthropies I do not speak. Hundreds of thousands of dollars bestowed by him upon many institutions here, made possible the giving of benefits to multitudes. But I do speak of the daily and hourly benefactions to the poor and the lowly—the countless charities to countless hundreds of our needy young and old, who otherwise would have never known the comforts, and, perhaps, the actual necessities of life, and also of the helping and constantly outstretched hand to aid the weak, unfortunate and obscure in their struggle to win the dreadful battle of life. Most sympathetic, kind and manly was he, whose orders were that none should be sent away empty-handed—most beautiful and sincere was the religion of him whose motto it was to resolve each morning of his life to do as many kindly acts as possible during the entire day, and who kept this resolution sacredly. Into what better hands could wealth and power have been placed?

As a citizen of this city he stood supreme. In his short life he saw his native town rise from a village to a great metropolis, and had

the consciousness that to his individual efforts was its rise and progress largely due. No enterprise nor institution exists to-day but what to some extent acknowledges his wisdom, efforts and fostering care, and proudly points to him as one to whom all credit is largely due.

With the masses he was an idol, and I speak but the words of soberness and truth when I say that more sincere and universal sympathy was felt for him in his long brave struggle, and more sincere and universal sorrow and anguish is occasioned by his death, than was ever yet accorded to any human being within this state.

No sculptured bust nor marble urn is needed to perpetuate his memory—he still lives—he will always live in the hearts of those who knew him and of those who followed him, loved, honored and esteemed for what he was—for what he did.

He was a leader in deed and in truth; men followed him—they were not driven. Not only in municipal affairs, but in the greatest actions of the state, yea, in the nation itself, his voice and help was always asked and always given. The Chief Executives of this Commonwealth have all bowed to his wisdom, strength and sagacity, and more than our President of this great country has sought him for his personal friend. The highest of this land have boasted of his friendship, and he has been their counsellor, friend and guide.

In our own municipal affairs he was progressive, believing that progress is always for the benefit of the citizens. During his life all the great improvements in our city, and about which all parties and factions boast, were inaugurated and finished. More than thirty years ago he conceived the idea of a paid fire department in this city, and constantly labored in its behalf from that time to his death. For years we have had a most efficient fire department, resulting almost solely from his efforts, and to-morrow, instead of by the great and mighty, all that is mortal of Christopher L. Magee will be borne tenderly to its last resting place by the hands of the fire laddies whom he loved so well.

He was an ardent advocate of good government, municipal improvements, public parks, the library project, the proposed institute, and was the founder and donor of our present zoo. Rapid transit, which has so developed our city, was the child of his thought and financiering.

He was also one of the foremost journalists of this country, and his newspapers rank among the first even in this great newspaper age. Closely allied with this was his well known affection for the newsboys, all of whom knew and loved their true friend "Chris," and the Newsboys' Home of this city stands not only as a monument to extol his generosity, but also as a testimonial of the deep sympathy he had for these sturdy little fellows.

Time will not permit the recounting in detail of his many other virtues, and of his many other sterling qualities, but if it can be truly said of any one that he has been a true friend and an honest, upright man, benevolent and charitable, generous to the extreme, a splendid citizen, a great statesman, a real leader, and has so ordered his life that he had the sincere affection of all and the enmity of none—that man has not lived in vain, and whether he be stricken in his prime or lives to more than three score years and ten, he has

accomplished, and well accomplished, his life's work, and merits and will receive the longed-for verdict of "well done."

Towards the last, tossing upon his bed of sickness, he had but one wish—to go home. To return to his beautiful house and be again among the friends of his boyhood and manhood, and there to abide and rest.

Upon an occasion such as this we pause a moment from the distracting and absorbing duties of life and take a short cut back to the lessons we learned at our mother's knee. If you will allow one of your own number to say without cant or hypocrisy what is in his mind, I will say that all intelligent men believe in the doctrine of the resurrection and life everlasting beyond the grave. The book of books tells us that in that undiscovered country there are houses beautiful beyond imagination. If deeds done in the body count for aught, is it not surely true that when in the grey of the early evening of Friday last the messenger came and beckoned him away, your friend and mine—Christopher Lyman Magee, released at once from all suffering and pain and anguish, had his last wish gratified—and simply, went home?

Mr. Leslie said

MR. PRESIDENT:—In paying tribute to the memory of our late friend, Christopher Lyman Magee, I hesitate, appreciating my inability at this time to appropriately express the true sentiments of my heart. Though he be dead, he still lives, and will long live in the memory of those who knew him. His keen judgment, his apt conception, his words of wisdom, his forcible nature made him a leader of men. The indelible impressions he made in the hearts and minds of those with whom he associated will live to guide the acts and deeds of their future lives. His life and character stand as an example for the rising generation to follow. His very existence was so much different, so much greater and broader from every point of view than that of any other public man in this country.

His acts of kindness, his deeds of charity, his love of wife, home and mother, his loyalty to friends, his devotion to his native city, his philanthropy to public institutions, won for him a place in the hearts of all the people.

Many eloquent eulogies have been delivered and great minds have written expressions of sorrow and exaltations about him, but in paying this last tribute to our departed friend I feel that no voice can express nor pen can write a eulogy that will clearly express the true sentiments and motives that were inspired in the heart of that great man—our friend and leader—Christopher Lyman Magee.

Mr. Semmelrock said

MR. PRESIDENT AND COUNCIL:—At this meeting we have heard many kind expressions of sympathy upon the death of our friend, Senator C. L. Magee. The public press has demonstrated his value by giving unlimited space to the finest tributes ever given to man in the Pittsburgh newspapers.

In his death the city of Pittsburgh and County of Allegheny have lost their foremost representative, the State an able Senator, and his immediate family a kind and loving husband and a generous brother.

And the question being upon the motion of Mr. Upperman to adopt the resolution, it was carried by a unanimous rising vote.

Mr. McCleary presented

No. 1187. *Resolved*, That the City Clerk be and is hereby authorized and directed to order a suitable floral tribute, on the part of the city, to the memory of the Honorable C. L. Magee, deceased.

Resolved, That the Controller shall be and he is hereby directed to issue his certificate upon the Mayor for a warrant in payment of the cost, and charge the same to Contingent Fund, Appropriation No. 42.

Which was read and passed by a unanimous vote.

Mr. Leslie moved

That the members of Councils and the City officials meet on Tuesday, March 12, 1901, at 1:30 o'clock P. M., at the City Clerk's Office, to attend the funeral services at Trinity Church, Sixth avenue.

Which motion prevailed.

Mr. Ruhlandt moved

That the Joint Session do now adjourn.

Which motion prevailed.

And Select Council returned to its own chamber.

And upon motion of Mr. Leslie

Council adjourned.

No. 1165.

Whereas, The City of Pittsburgh has recovered judgment against Henry H. Kohne at No. 750 April Term, 1896, in the sum of \$279.05 with interest from June 22, 1896, for the cost of

laying sidewalks on Hazelwood avenue in front of property owned by said Henry H. Kohne; and,

Whereas, The City of Pittsburgh has also recovered a judgment against Charles C. Kohne at No. 754 April Term, 1896, in the sum of \$446.23 with interest from June 22, 1890, for the cost of laying sidewalks on Hazelwood avenue in front of property owned by the said Charles C. Kohne; and,

Whereas, Much of the property in front of which the said sidewalks are laid is of little value, in some places the property not being worth the cost of the sidewalks; and,

Whereas, There are liens held by the City of Pittsburgh for unpaid taxes against a part of the property which formerly stood in the name of Jacob Paul, as follows:

At No. 758 March Term, 1882, in Docket 3, for \$22.72; at No. 651 June Term, 1882, Docket 4, for \$6.89; at No. 864 December Term, 1883, Docket 5, for \$5.40; at No. 465 December Term, 1885, Docket 8, for \$7.67; at No. 726 December Term, 1884, Docket 7, for \$5.54; at No. 539 December Term, 1886, Docket 11, for \$7.21; at No. 1088 June Term, 1887, Docket 13, for \$7.29.

Also, an old lien for grading Hazelwood avenue under the Penn Avenue Act, the same being against this property and amounting to \$281.91.

Whereas, The said Charles C. Kohne and Henry H. Kohne are willing to pay the sum of \$400.00 in compromise and in full satisfaction of the above judgments, liens, debts, interest and costs thereon, upon the condition that the City of Pittsburgh will cause the judgments aforesaid to be satisfied of record in full and pay the costs thereon, and also satisfy and discharge of record the tax liens aforesaid held by the City of Pittsburgh; therefore, be it

Resolved, That the City Attorney be and he is hereby authorized and directed, upon the payment by the said parties of the sum of four hundred dollars (\$400.00) unto the City of Pittsburgh to satisfy the said judgment against Henry H. Kohne at No. 750 April Term, 1896, and against the said Charles C. Kohne at No. 754 April Term, 1896, and also to satisfy and discharge the said lien for grading Hazelwood avenue and charge the costs in each of the said cases to the City of Pittsburgh; and also

The Collector of Delinquent Taxes is authorized and directed to satisfy and discharge of record the liens for taxes aforesaid held by the City of Pittsburgh and charge the costs thereon to the City of Pittsburgh, namely, the following:

At No. 758, March Term, 1882, in Docket 3, for \$22.72; at No. 651, June Term, 1882, Docket 4, for \$6.89; at No. 864, December Term, 1883, Docket 5, for \$5.40; at No. 465, December Term, 1885, Docket 8, for \$7.67; at No. 726, December Term, 1884, Docket 7, for \$5.54; at No. 539, December Term, 1886, Docket 11, for \$7.21; at No. 1088, June Term, 1887, Docket 13, for \$7.29.

Whereas, The Director-General of the Pan-American Exposition, to be held in the City of Buffalo in 1901, has requested the Bureau of Health of the City of Pittsburgh to make a contribution of photographs, reports, books, blanks, apparatus and other sanitary appliances, etc., to the exhibit of sanitation in said Exposition; and,

Whereas, It is fitting and proper that said bureau should make a creditable display in keeping with those to be made by similar organizations in other cities; therefore,

Resolved, That the Director of the Department of Public Safety be and he is hereby authorized, empowered and directed to cause a suitable exhibit to be prepared and displayed in said Exposition as requested, and to detail a proper person or persons from among the employees of the Bureau of Health to have charge and care of said exhibit during the continuance of said Exposition, and return the same to this city.

Resolved, That the City Controller be and he is hereby authorized, empowered and directed to issue his certificate upon the Mayor for the expenses attendant upon the preparation, transportation and care of said exhibit, to an amount not exceeding four hundred dollars (\$400.00), and charge the same to Appropriation No. 24.

In Common Council February 21, 1901. Passed.

In Select Council February 25, 1901. Passed.

In Select Council March 6, 1901. Recalled from the Mayor and votes by which the resolution was agreed to, on the three readings and final passage reconsidered and then referred to the Committee on Finance.

In Committee on Finance March 25, 1901. Amended by inserting in the last line after the word "exhibit" the following: "To an amount not exceeding four hundred dollars (\$400.00)," and as amended ordered to be returned to Councils with an affirmative recommendation.

AN ORDINANCE—Authorizing, empowering and directing the Director of the Department of Public Safety to purchase two (2) lots of ground, in the Second ward of the City of Pittsburgh, for the uses and purposes of the Bureau of Fire, at and for a consideration of the sum of fifty-eight thousand dollars (\$58,000).

Whereas, By an ordinance approved the 24th day of March, 1900, and recorded in ordinance book volume 12, page 136 the Director of the Department of Public Safety was au-

thorized, empowered and directed to purchase two (2) lots of ground, in the Second ward of the City of Pittsburgh, fronting on First and Second avenues, respectively, for the uses and purposes of the Bureau of Fire; and,

Whereas, An examination of the title disclosed, that by a Declaration of Trust, recorded in deed book volume 87, page 597, there was an apparent outstanding title in Anthony Shorb, which apparent break in the chain of title is occasioned by the fact that William M. Lyon took title to the premises in question by a deed dated in 1845, and made the Declaration of Trust above referred to, in 1850, in which he declared that he held the premises in question, in trust, for the firm of Lyon, Shorb & Company; and,

Whereas, In 1870, he made a deed, personally, by which he conveyed said premises out of himself, without referring to the trust; and,

Whereas, The said William M. Lyon was the senior member of the firm of William M. Lyon & Company; and,

Whereas, The present owners of the ground claim to and have had actual possession of the property for more than twenty-one (21) years, and under such circumstances as gives them a perfect title to the ground, notwithstanding the break in the chain of title, as disclosed by the record; and,

Whereas, Joshua Rhodes has filed his bond in the sum of one hundred thousand dollars (\$100,000), to protect and hold the city harmless from any and all claims which may arise by reason of said apparent defect in the title. Now, therefore,

SECTION 1. Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That the Director of the Department of Public Safety shall be and he is hereby authorized, empowered and directed to purchase and take said title, for the uses and purposes of the Bureau of Fire.

All those two (2) certain lots of ground, situate in the Second ward of the City of Pittsburgh, in the County of Allegheny and State of Pennsylvania, bounded and described as follows, to wit:

Beginning on Second avenue (formerly Second street), distant seventy-seven (77) feet six (6) inches west of Smithfield street; thence running parallel with Smithfield street southerly towards First avenue (formerly Front street), a distance of eighty (80) feet; thence parallel with Second avenue (formerly Second street) towards Wood street a distance of thirty (30) feet; thence northerly, parallel with Smithfield street, a distance of eighty (80) feet to Second avenue (formerly Second street); thence easterly along Second avenue (formerly Second street), a distance of thirty (30) feet to the place of beginning; also,

Beginning on First avenue (formerly Front street) distant seventy-seven (77) feet ten and one-half (1½) inches west of Smithfield street; thence parallel with First avenue (formerly Front street) westwardly, a distance of thirty (30) feet; thence northerly parallel with Smithfield street a distance of eighty (80) feet; thence easterly running parallel with First avenue (formerly Front street) a distance of thirty (30) feet; thence southerly running parallel with Smithfield street, a distance of eighty (80) feet, to the place of beginning. Being the same premises which was conveyed

to the Crescent Tube Company by John Graft and C. B. Herron, by their deed dated the eleventh day of February, A. D. 1878, and recorded in the office for the recording of deeds, etc., in and for the County of Allegheny, in deed book volume 381, page 71. The consideration thereof being the sum of fifty-eight thousand dollars (\$58,000).

SEC. 2. That the said sum of fifty-eight thousand dollars (\$58,000), shall be paid out of the proceeds arising from the sale of bonds, in pursuance of an ordinance entitled, "An Ordinance authorizing the issuing of bonds for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply and providing and furnishing meters to be used in connection therewith; paying the assessments against the City now or hereafter made for the cost of constructing main sewers in said City; the acquisition and purchase of real estate within the City of Pittsburgh for the uses of the Department of Public Safety; the erection and repair of buildings and improvements for said Department; the purchase of the necessary machinery, apparatus, equipment and furniture therefor, and for the erection and construction of the necessary buildings, improvements, equipments, furnishings, supplies and all other matters and things necessary for the completion, requirements and needs of municipal hospitals for isolated and contagious diseases; erecting new buildings, additions to buildings, renewing, changing and altering parts of building, purchase of additional lands, constructing reservoirs, erection of fences, erection of lightning rods and lightning arrestors, extension of boilers and boiler house, and construction of exercise yards at the City Home and Hospital, Department of Charities; acquiring property for park purposes, uses or extension, and the improvement of the parks, the extension and improvement of the supply and distribution of water and the laying of pipe therefor; the erection, renewal and repair of bridges, the completion of the boulevards, and the purchase and throwing open of toll roads within the city limits, and providing for the redemption thereof," approved the 18th day of November A. D. 1899, shall be and the same is hereby set apart and appropriated for the purpose of the purchase of the aforesaid described lots of ground.

SEC. 3. That any ordinance or part of ordinance conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance.

AN ORDINANCE—Amending an ordinance entitled "An Ordinance relating to contracts for public work and public supplies."

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That an ordinance entitled "An Ordinance relating to contracts for public work and public supplies," approved March 5, 1900, as follows, to wit:*

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That, from and after the passage of this ordinance, in the event of any disagreement or controversy arising between any contractor and the director of any department of the City of Pittsburgh, or the City of Pittsburgh, as to the interpretation of any specifications, or the interpretation or proper execution of any contract for work, or furnishing supplies, or as to the settlement thereunder, in or under any contract hereafter made by or with the City of Pittsburgh for such public work or public supplies, or in the event of any disagreement as to any question or matter whatever, which may arise or be in dispute under such contract or specifications, or of the terms or conditions thereof, such disagreement, controversy or dispute shall in the first instance be immediately inquired into and decided by the director of the proper department of said city, in which department such work is being done or such supplies are being furnished, which decision shall be final and conclusive, unless the contractor shall, within ten (10) days appeal from the decision of such director to the Mayor of said city, filing with the said Mayor a written statement of all matters in dispute, and also a stipulation in and by which such appellant agrees to be bound absolutely by the decision of said Mayor,*

thereof, such disagreement, controversy or dispute shall in the first instance be immediately inquired into and decided by the director of the proper department of said city, in which department such work is being done or such supplies are being furnished, which decision shall be final and conclusive, unless the contractor shall within ten (10) days appeal from the decision of such director to the Mayor of said city, filing with the said Mayor a written statement of all matters in dispute, and also a stipulation in and by which such appellant agrees to be bound absolutely by the decision of said Mayor, without exception or appeal, whereupon the said Mayor shall proceed without delay, after notice to both the appellant and the director, to hear and determine all matters in dispute according to such written statement, and render a decision thereon in writing, which decision shall be final and conclusive as to all matters in controversy, as aforesaid, without exception or appeal.

SEC. 2. All contracts hereafter made and entered into by the said City of Pittsburgh for the doing of work or the furnishing of supplies, shall contain an express covenant embodying the provisions of this ordinance.

SEC. 3. The form of all contracts shall be submitted to the City Attorney for his approval.

SEC. 4. That hereafter neither the Mayor of the City of Pittsburgh, nor any director of any department of said city, nor all of said officials, shall waive, or pretend to waive, any penalties which may accrue to the said city by virtue of any of the terms or provisions of any contract made and entered into between the said city and any contractor or because of the violation of any of the terms or conditions of such contract.

SEC. 5. That any ordinance or part of ordinance conflicting with the provisions of this ordinance be and the same is hereby repealed so far as the same affects this ordinance."

Shall be and the same is hereby amended to read as follows, to wit:

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That, from and after the passage of this ordinance, in the event of any disagreement or controversy arising between any contractor and the director of any department of the City of Pittsburgh, or the City of Pittsburgh, as to the interpretation of any specifications, or the interpretation or proper execution of any contract for work, or furnishing supplies, or as to the settlement thereunder, in or under any contract hereafter made by or with the City of Pittsburgh for such public work or public supplies, or in the event of any disagreement as to any question or matter whatever, which may arise or be in dispute under such contract or specifications, or of the terms or conditions thereof, such disagreement, controversy or dispute shall in the first instance be immediately inquired into and decided by the director of the proper department of said city, in which department such work is being done or such supplies are being furnished, which decision shall be final and conclusive, unless the contractor shall, within ten (10) days appeal from the decision of such director to the Mayor of said city, filing with the said Mayor a written statement of all matters in dispute, and also a stipulation in and by which such appellant agrees to be bound absolutely by the decision of said Mayor,*

without exception or appeal, whereupon the said Mayor shall proceed without delay, after notice to both the appellant and the director, to hear and determine all matters in dispute according to such written statement, and render a decision thereon in writing, which decision shall be final and conclusive as to all matters in controversy, as aforesaid, without exception or appeal.

SEC. 2. All contracts hereafter made and entered into by the said City of Pittsburgh for the doing of work or the furnishing of supplies, shall contain an express covenant embodying the provisions of this ordinance.

SEC. 3. The form of all contracts shall be submitted to the City Attorney for his approval.

SEC. 4. That hereafter neither the Mayor of the City of Pittsburgh, nor any director of any department of said city, nor all of said officials, shall waive, or pretend to waive, any penalties which may accrue to the said city by virtue of any of the terms or provisions of any contract made and entered into between the said city and any contractor or because of the violation of any of the terms or conditions of such contract.

SEC. 5. That the provisions of this ordinance shall not extend to or apply to any contract or contracts now in process of completion, or which may have been awarded or entered into prior to the date of the passage of this ordinance when or where, by reason of the failure or neglect of any contractor or contractors to comply with and carry out the provisions and specifications of any contract entered into by or with the City of Pittsburgh, or the failure or neglect of such contractor or contractors to complete the work as therein agreed to be done and completed, it has become or shall become necessary for the director of any department of the City of Pittsburgh to revoke, cancel or forfeit such contract and to re-advertise for proposals and re-let a contract for the completion of the work as therein contemplated to be done.

SEC. 6. That any ordinance or part of ordinance conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance.

DEDICATION—Of Stratford avenue, from Penn avenue to Coral street.

To the City of Pittsburgh:

The City of Pittsburgh, by Ordinance approved January 29, 1892, of record in Ordinance Book volume 8, page 195, located a street called Onyx street forty (40) feet wide through my property, situated in the Twentieth ward, Pittsburgh, Pa., from Penn avenue to Coral street, as by reference to said records will more fully appear. I am the sole owner of all the property on both sides of said street between said points. Subsequently, I widened said street by adding ten (10) feet of my own property on the westerly side thereof, so as to make said street conform to Stratford avenue, by which name the said street has been and

is now known. I also, at my own expense, graded said street to the width of fifty (50) feet, paved and curbed the same, and constructed a sewer therein—all under the supervision and agreeable to the requirements of the said Engineer's Office.

Now, therefore, I, Priscilla S. Hugus (widow lady), do hereby dedicate the said street of the width of fifty (50) feet, with all the improvements therein as aforesaid to said City of Pittsburgh, as a public highway and said sewer as a public sewer, and, further, I do hereby release the said city from all damages by reason of the widening of said street as aforesaid. I hereby request the said city to accept said avenue as improved and to take charge of the same as a public highway and said sewer as a public sewer.

Witness my hand and seal this 19th day of April, 1900.

DEDICATION—Of that part or portion of Bellefield avenue, as shown upon a plan entitled "Bellefield avenue, Thirteenth and Fourteenth wards," and approved by Councils August 30, 1899.

That I, John Fay, being the owner of all that certain part or portion of Bellefield avenue as shown upon a plan entitled "Bellefield avenue, Thirteenth and Fourteenth wards," and on file in the office of the Bureau of Engineering and Surveys, and approved by Councils August 30, 1899, and lying east of the centre line of said avenue, do hereby dedicate and appropriate to the City of Pittsburgh for public use as a public highway, all the following described piece of ground lying in the Thirteenth ward, of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, to wit:

Beginning at the intersection of the centre line of Bellefield avenue with the southern building line of Craig street; thence extending southeastwardly and along the centre line of Bellefield avenue a distance of 403.00 feet,

more or less, to the division line of property of John Fay and that of a plan of lots laid out by W. A. Edeburn; thence northeastwardly and along the said line a distance of about 26.00 feet to the eastern building line, northwestwardly a distance of about 388.00 feet to the southerly building line of Craig street, and thence along the said line westwardly a distance of 37.43 feet to the place of beginning.

Said piece of ground herein dedicated to public use for highway purposes being marked and shown upon a plan hereto attached and made a part of this dedication.

And I do hereby waive and release any and all claims which I have or may accrue to me for damages by reason of the taking and appropriating of said piece of ground for public highway purposes by the City of Pittsburgh.

And I do hereby authorize the proper authorities of the City of Pittsburgh to take possession of said piece of ground and treat it as a public highway, thus making it a part of Bellefield avenue, as though it had been opened and acquired by and under an ordinance duly approved by Councils.

DEDICATION—Of that part or portion of Beacon street as shown upon the Beacon Heights plan of lots, as laid out by the Forbes Land Company, and approved December 29, 1899, and south of the center line of said street.

That I, D. H. Wallace, being the owner of all that certain part or portion of Beacon street as shown upon the Beacon Heights plan of lots, as laid out by the Forbes Land Company, and approved December 29, 1899, and

south of the center line of said street, do hereby dedicate and appropriate to the City of Pittsburgh for public use as a public highway all the following described piece of ground lying in the Twenty-second (22) ward of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, to wit:

Beginning at the intersection of the center line of Beacon street with the south building; line of the said street, it being a curved line; thence extending eastwardly and along the centre line of said Beacon street as shown upon the said plan, and being also the division line of property of D. H. Wallace and that of the Forbes Land Company, a distance of 1095.37 feet to a point on the eastern line of the said street where it curves to the north, and thence southwestwardly and by the arc of a curve of a radius of 80 feet a distance of 71.65 feet to a point of tangent; thence westwardly and parallel to and thirty (30) feet south from the said centre line of Beacon street; or the aforesaid division line of property of D. H. Wallace and that of the Forbes Land Company, a distance of 888.82 feet to a point of curve; thence deflecting to the right and by the arc of a curve of a radius of 459.35 feet a distance of 166.38 feet to the place of beginning.

Said piece of ground dedicated to public use for highway purposes, being marked and shown upon a plan hereto attached, and made a part of this dedication.

And I do hereby waive and release any and all claims which I have or may accrue to me for damages by reason of the taking, appropriating of said piece of ground for public highway purposes by the City of Pittsburgh; and I do hereby authorize the proper authorities of the City of Pittsburgh to take possession of said piece of ground, and treat it as a public highway (thus making it a part of Beacon street as shown upon the aforesaid plan of lots as laid out by the Forbes Land Company and by them dedicated to public use for highway purposes), as though it had been opened and acquired by and under an ordinance duly approved by Councils.

AN ORDINANCE—Authorizing and permitting itinerant musicians to play musical instruments upon the public streets and highways of the City of Pittsburgh.

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled and it is hereby ordained and enacted by the authority of the same,* That no person shall play on any musical instrument in the streets or public places of the City of Pittsburgh, except as part of a funeral or military parade, authorized by Ordinance No. 241, approved December 15, 1897, regulating street parades, processions and street assemblages, or a concert, parade, or celebration given by or under the direction of the Commonwealth of Pennsylvania or the City of Pittsburgh, unless licensed so to do by the Director of the Department of Public Safety, in accordance with the following provisions:

FIRST. The Director of the Department of Public Safety shall grant itinerant musicians' licenses to persons over fifteen years of age to play on musical instruments in the streets and public places of the city; but no such licensed itinerant musician shall perform as part of any procession or parade (except a funeral or military parade as above recited) in the streets or public places of the city, unless licensed so to do under the provisions of section two of this ordinance.

SECOND. Applications for licenses to act as itinerant musicians shall be filed at the office

of the Superintendent of the Bureau of Police prior to the first day of October, and shall be examined and reported on by the inspectors of the police districts in which the applicants reside. The applicant shall state his name and address in full, and, if licensed, shall, during the year, notify the Superintendent or the Bureau of Police at once of any change of his address. Such licenses shall expire on October first next succeeding their date.

THIRD. No licensed itinerant musician shall perform in the streets or public places of the city before 9 A. M. nor after 10 P. M., nor on Sunday, not within five hundred feet of any school, hospital or church, nor within three hundred feet of any other building, after a police officer or the occupant of the building has notified him or them to desist, nor in, or in front of, any licensed saloon. The provisions of this section shall not apply to musicians accompanying processions.

FOURTH. Licensed itinerant musicians shall, when performing in a public place, except when accompanying processions, wear upon their hat, cap, head-dress, belt, or in case of street piano or hand-organ, in the right hand upper outside corner, the number of their license in bright metal Arabic figures of not less than one inch in length.

FIFTH. Licensed itinerant musicians are forbidden to ring door-bells, knock at doors, or enter stores or public buildings for the purpose of soliciting money.

SECTION 2. The Director of the Department of Public Safety shall grant collective licenses to bands of persons over fifteen years of age, whether licensed as itinerant musicians or not, to play on musical instruments, at times to be designated in the license, in the streets and public places of the city, in company with designated processions, other than funeral or military processions as exempted in section one. The name of the leader and the number of musicians shall be given in the application.

SEC. 3. Every licensee provided for by this ordinance shall at all times have his license with him, and shall exhibit the same at the request of any police officer. The police shall require itinerant musicians who are unknown to them to exhibit their licenses, and will promptly prosecute all unlicensed persons.

SEC. 4. Any persons violating any of the provisions of this ordinance shall be liable to a fine not exceeding ten dollars (\$10.00) for each and every offense, to be recovered in conformity with the provisions of an ordinance in relation to fines and forfeitures, approved December 7, 1876, and in default of payment thereof shall be committed to the Allegheny County Jail or Workhouse for a period not exceeding thirty (30) days.

SEC. 5. All licenses provided for in this ordinance may be revoked by the Director of the Department of Public Safety without stated cause or notice, and may be suspended by any inspector of police without notice, pending any written charges to said Superintendent of the Bureau of Police against the licensee.

SEC. 6. That any ordinance or part of ordinance conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance.

A N ORDINANCE—Ratifying, approving and accepting the relocation and reconstruction by the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company, at its own expense, of a part of Sycamore street, in the Thirtieth ward of the City of Pittsburgh, in lieu of a portion of the said Sycamore street occupied by said company for the construction of additional tracks on the southern side of its present or former tracks.

Whereas, The Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company, for the construction of additional tracks on the southern side of its present or former tracks in the Thirtieth ward of the City of Pittsburgh, has found it necessary to use and occupy a part of Sycamore street as heretofore and now in use upon the ground, the part to be so occupied being described as follows, to wit: Being all that portion of the present street lying east of the prolongation of the line of the east abutment of bridge No. 3 of said railway company and a line twenty (20) feet of and parallel to the following described

line (which is the center line between curbs of proposed street): Beginning at a point in the prolongation of said line of the east abutment (said line bearing south thirty-one degrees thirty-four minutes west), distant southwardly sixty-six and fifty-seven hundredths (66.57) feet from the center of the south main tracks of said railway company; thence south sixty degrees and twenty-nine minutes east, two hundred and forty and fourteen hundredths feet (south 60 degrees 29 minutes, east 240.14 feet); thence south fifty-eight degrees and twenty-six minutes east, ninety-nine and sixty-six hundredths feet (south 58 degrees 26 minutes east, 99.66 feet) to its intersection with the present center line between curbs.

And Whereas, Said railway company, in recognition of its obligation to reconstruct the said street at its own expense, on the most favorable location, and in as perfect a manner as the present or former street, proposes to relocate and reconstruct the same in lieu of the part so occupied upon the following location: Being all that certain piece or parcel of ground bounded as follows: On the west by the prolongation of the line of the proposed west abutment of bridge No. 3 of said railway company (said line being parallel to and distant forty (40) feet from the east abutment of said bridge No. 3); on the north by the southerly line of the present street, and on the south by a line parallel to and distant twelve (12) feet south of the following described line (which is the center line between curbs of the proposed street): Beginning at a point in said prolongation of the line of proposed west abutment (said line bearing south thirty-one degrees and thirty-four minutes west), distant southwardly sixty-eight (68) feet from the center of the south main track of said railway company; thence south sixty degrees and twenty-nine minutes east, two hundred and eighty and eighteen hundredths feet (south 60 degrees 29 minutes east, 218.18 feet); thence south 58 degrees and 26 minutes east, ninety-nine and sixty-six hundredths feet (south 58 degrees 26 minutes east, 99.66 feet) to its intersection with the present center line between curbs; and also proposes to widen that portion of Sycamore street lying between the new location above defined and Carson street to a uniform width of forty (40) feet by dedicating and including as a part of said street so much of the land of said company on the western side of the present street as shall be necessary to make the width aforesaid between the said newly located street and Carson street; and also proposes to construct and maintain at its own expense upon the northern side of the said street in so far as newly located, and upon the eastern side thereof between the said new location and Carson street, so far as may be necessary, a good and sufficient stone retaining wall.

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled and it is hereby ordained and enacted by the authority of the same, That the relocation and reconstruction of a part of Sycamore street and the widening of a portion thereof in the Thirtieth ward, as above recited, as proposed by the said railway company in place and stead of a part of Sycamore street occupied in the widening, enlargement and improvement of the said railway of said company, be and the same is hereby ratified, approved and accepted; provided, however, that the work of relocation, reconstruction or widening, subject to the terms and provisions hereof, shall be performed and completed subject to the approval and acceptance*

by the Director of the Department of Public Works.

DEDICATION—Of certain property by the Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company, in the Thirty-fourth ward of the City of Pittsburgh, to public use as a portion of Steuben street.

To the Select and Common Councils of the City of Pittsburgh:

The Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company, in consideration of the legal vacation of the portion of Steuben street below mentioned in the Thirty-fourth ward, and of the assent of the city to the relocation and reconstruction of the railway of said company upon a line south of its present railway, so as to cross the valley of Saw Mill Run upon an embankment through which Main street, Saw Mill Run and Steuben street shall be carried by means of masonry arches, hereby proposes to dedicate to public use as a street or highway (to become and be a part of Steuben street) so much of its land on the southern side of Carson street as shall be required to avoid or dispense with the present turn or deflection in the line of said street, which occurs at a point about two hundred and fifty-one hundredths (200.51) feet south of the south line of Carson street, and to prolong or extend Steuben street to an intersection with Carson street by a straight line, being the line of Steuben street as it at present exists immediately south of the point of deflection above referred to; this dedication to be effective upon the acceptance of the same by the city and upon the legal vacation of so much of the present Steuben street for a distance of two hundred and fifty-one hundredths (200.51) feet south of the south line of Carson street as lies outside of the prolongation or extension of the eastern line of Steuben street as it exists immediately south of said point of deflection.

And the Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company does hereby waive and release any and all claims which it has or may accrue to it for damages by reason of the taking and appropriating of said piece of ground for public highway purposes by the City of Pittsburgh.

And it does hereby authorize the proper authorities of the City of Pittsburgh to take possession of said piece of ground and treat it as a public highway.

DEDICATION—By the Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company of certain land in the Thirty-fourth ward of the City of Pittsburgh, to public use, as portions of Greenleaf and Independence streets.

To the Select and Common Councils of the City of Pittsburgh:

The Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company, in consideration of the legal vacation of the portions of Greenleaf and Independence streets in the Thirty-fourth ward, extending from the northerly line of the parcels of land below described to the south line of Carson street, and of the assent of the city to the relocation and reconstruction of the railway of said company upon a line south of its present railway so as to cross the valley of Saw Mill Run and Steuben street, shall be carried by means of masonry arches, hereby proposes to dedicate to public use as streets or highways, two parcels of land owned by said company of the width of fifty (50) feet and one hundred (100) feet, respectively, measured at right angles to the side lines thereof, which parcels of land are bounded as follows, to wit:

Parcel 1. Bounded on the east by the westerly line of Greenleaf street; on the west by the easterly line of Independence street; on the north by a line which, when prolonged easterly, passes through a point on the easterly line of Greenleaf street, distant two hundred and eighty (280) feet southwardly from the southerly line of Carson street, and when prolonged westwardly passes through a point in the easterly line of Main street, distant one hundred and fifty-eight (158) feet, more or less, southwardly from said southerly line of Carson street (said point in the easterly line of Main street being the intersection of the face of the southeasterly wing wall of a stone arch, shown on plan attached, with the face of said arch), and the southerly boundary of

said parcel being a line parallel to and distant fifty (50) feet at right angles from aforesaid north boundary line.

Parcel 2. Bounded on the east by the westerly line of Independence street; on the west by the easterly line of Main street; on the north by the prolongation of the northern boundary of parcel No. 1; and on the south by a line parallel to and distant one hundred (100) feet at right angles from said north boundary line.

And the Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company does hereby waive and release any and all claims which it has or may accrue to it for damages by reason of the taking and appropriating of said piece of ground for public highway purposes by the City of Pittsburgh.

And it does hereby authorize the proper authorities of the City of Pittsburgh to take possession of said pieces of ground and treat it as a public highway.

This dedication to be effective upon acceptance of the same by the said city and upon the legal vacation of the portions of Greenleaf and Independence streets above referred to and upon the enactment of an ordinance granting the assent of the city to the relocation and reconstruction of the railway of said company above referred to.

AN ORDINANCE—Granting the assent of the city to the relocation and reconstruction of the railway of the Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company

in the Thirty-fourth ward, so as to cross the valley of Saw Mill Run upon an embankment through which Main street, Saw Mill Run and Steuben street shall be carried by masonry arches to be constructed and maintained by said railway company.

Whereas, The Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company desires to relocate and reconstruct its railway near and across the valley of Saw Mill Run in the Thirty-fourth ward, upon a line south of the present railway by means of an embankment through or under which Main street, Saw Mill Run, and Steuben street shall be carried by masonry arches; and

Whereas, The proposed relocation and reconstruction in the vicinity of Saw Mill Run will remove said railway farther from Carson street and will dispense with the present bridge crossing Saw Mill Run and the valley thereof, both of which changes are deemed to be to the public interest:

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled and it is hereby ordained and enacted by the authority of the same.* That the assent of the City of Pittsburgh is hereby granted to the relocation and reconstruction of the railway of the Pittsburgh, Cincinnati, Chicago & St. Louis Railway Company in the Thirty-fourth ward, near and across the valley of Saw Mill Run; said relocation to be upon a line on the southerly side of the existing railway near and across said valley, and said reconstruction to be at a greater elevation than the existing railway, upon a solid embankment of earth, with provision for Main street, Saw Mill Run and Steuben street as herein-after set forth; it being understood that said assent is granted subject to the further terms and provisions hereof, as follows, to wit:

First. Said relocation and reconstruction shall be in accordance with the plan thereof presented with this ordinance and filed in the office of the Director of the Department of Public Works.

Second. Said company, in lieu of the portions of Greenleaf and Independence streets closed up by said embankment and to be legally vacated by the city, shall dedicate to public use as streets or highways two parcels of land of said company lying between said streets and Main street, as shown upon said plan; and said company shall assume and pay any damages arising from the vacation of the said portions of Greenleaf and Independence streets, and shall and will indemnify and save harmless the said city in respect thereto.

Third. Main street, at its present grade and with a clear width of fifty (50) feet, shall be carried through said embankment by means of an arch of brick and stone. The clear height or distance between the crown of the arch and the present grade of said street beneath the same shall be not less than thirty-three (33) feet.

Fourth. A five-foot sewer shall be built along Main street by said railway company, as per plans and according to grades of the City Engineer, from the southern line of Carson street southwardly one hundred and seventy (170) feet to the south end of the southwest wing of the arch.

Fifth. Saw Mill Run in its present location shall be carried through said embankment by means of a stone arch, with allowance of thirty-five (35) feet in width at the ordinary level of the stream and with a clear height or

distance between the crown of the arch and the ordinary level of the stream of not less than twenty (20) feet.

Sixth. Steuben street to be straightened by vacation of a part thereof by the city and dedication of land by said company at its present grade and with a clear width of fifty (50) feet, shall be carried through said embankment by means of a stone arch. The clear height or distance between the crown of the arch and the present grade of said street beneath the same shall be not less than thirty-three (33) feet.

Seventh. Said company shall construct along the southern line of Carson street, for such distance as shall be necessary, a stone wall of height and strength sufficient to maintain said embankment and to prevent the slipping or encroachment thereof upon Carson street.

Eighth. The arches and wall aforesaid shall be constructed and maintained by the said railway company at its own cost and expense.

Ninth. All the work aforesaid shall be performed by said company in a good and workmanlike manner, subject to the approval and acceptance of the Director of the Department of Public Works.

Tenth. This ordinance shall not become operative unless within 90 days from the date of approval thereof the said company shall file with the Clerk of Councils a duly certified copy of a resolution of its Board of Directors accepting the same.

A N ORDINANCE—Authorizing and directing the Director of the Department

of Public Works to institute legal proceedings for the condemnation of property in the Fifteenth ward, for pipe line purposes, from John Trunzer, appropriating same for such purposes and providing for the payment of damages.

Whereas, It is deemed necessary that the City of Pittsburgh should obtain possession of the real estate hereinafter described, for the purpose of constructing thereon a water pipe line, which is necessary for the proper and convenient use and maintenance of the water works system of the said city and the furnishing of a general water supply and distribution thereof; and

Whereas, The city has been, and is now, unable to agree with the owner of said real estate upon the compensation to be paid therefor; now, therefore,

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That the real estate and property belonging to John Trunzer, situate in the Fifteenth ward of the City of Pittsburgh, Pa., which is hereinafter bounded and described and is shown upon a plan attached hereto and made a part hereof, is hereby taken, appropriated and set apart by the said City of Pittsburgh, in virtue of its power of eminent domain, for the use and maintenance thereon of a water pipe line, which is necessary for the proper and convenient use and maintenance of the water works, system of said city and the furnishing of a general water supply and distribution thereof; said real estate being described as follows, to wit:*

Beginning on the southwest side of Thirty-eighth street, at the corner of lot No. 135 in William B. Foster's plan; thence extending in front along said Thirty-eighth street northwest 8 feet to a point; thence extending back from said Thirty-eighth street, preserving the same width of 8 feet throughout 110 feet to the original line. Being a part of lot No. 186 in William B. Foster's plan of Lawrenceville Borough,

Being part of the same which Anthony Hohman et ux., by deed dated July 16, 1886, recorded in D. B. V. 542, P. 418, revised, released and quit claimed in pursuance of an amicable partition to Elizabeth A. Schillo, and same which Anthony Schillo et ux., by deed dated June 27, 1896, conveyed to John Trunzer.

SEC. 2. The Director of the Department of Public Works is hereby authorized and directed to institute and prosecute in the name of the City of Pittsburgh, such legal proceedings as may be necessary and proper in order that the city may acquire title to possession and control of said above described real estate for the purposes aforesaid.

SEC. 3. The compensation therefor shall be paid out of the proceeds of sale of bonds in pursuance of an ordinance entitled "An Ordinance authorizing the issuing of bonds for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply and providing and furnishing meters to be used in connection therewith; paying the assessments against the city now or hereafter made for the cost of constructing main sewers in said city; the acquisition and purchase of real estate within the City of Pittsburgh for the uses of the Department of Public Safety; the erection and repair of buildings and improvement for said department; the purchase

JOINT RESOLUTION—Relating to the employment of an architect for preparing plans and specifications, and superintending the erection of new or additional insane asylums on the City Poor Farm, at Marshalsea, Allegheny County, Pa., for the purpose of maintaining, accommodating and sheltering the indigent insane of said city; also to replace the foul air ducts in the present buildings on the said Poor Farm with fire-proof foul air ducts.

Resolved, That the Director of the Department of Charities shall be and he is hereby authorized, empowered and directed to secure the service of F. J. Osterling, architect, for preparing plans and specifications for the erection of buildings for the Department of Charities, at Marshalsea, and superintending the erection thereof (his compensation for all said employment to be five (5) per centum of the amount of the contract prices of the erection of said buildings) as provided for by bond issue as authorized by an election held on September 19, A. D. 1899, notwithstanding the fact that the said F. J. Osterling is not a resident of the City of Pittsburgh; and that the provisions of Section 31 of an ordinance entitled "An Ordinance to carry into effect an Act of Assembly entitled 'An Act in relation to the government of cities of the second class,' approved January 14, 1887, establishing the Departments of Public Safety, Public Works, Charities, Awards and of Law; creating and fixing bureaus and the titles thereof, and subordinate offices and officers, prescribing the number of officers in the various departments and bureaus, the mode of their election and appointment, defining the duties and powers of all such, fixing the amount of bonds to be given, allotting the various bureaus and other officers to the proper department, fixing salaries and compensation to be paid, defining the duties of the Board of Assessors, fixing the salaries thereof, and also that of the City Clerks," approved December 17, 1887, which said provisions require that employes be residents of the City of Pittsburgh, shall be and is hereby abrogated and revoked so far as it relates to the employment of the aforesaid F. J. Osterling for the purpose of preparing plans and specifications and superintending the erection of the aforesaid buildings for the Department of Charities, at Marshalsea.

In Councils October 29, 1900. Rule suspended, read three times and finally passed.

Approved November 7, 1900.

Mellon's plan of lots, in the Nineteenth ward, and recorded in the Recorder's office of Allegheny County in Plan Book, volume 3, page 16, do hereby dedicate and appropriate to the City of Pittsburgh, for public use, as a public highway and to be known as Mildred alley, all the following described lot or piece of ground lying in the Nineteenth ward of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, to wit:

Beginning on the southern line of Bryant street (formerly Broadway), at the division line of lots Nos. 11 and 12 in the aforementioned plan of lots; thence eastwardly along the said southern line of Bryant street, a distance of sixteen (16) feet to a point; thence extending in a southerly direction, parallel to and distant nine (9) feet west from the western line of Ulster alley, shown in said plan, a distance of 124 feet to Albree alley; thence westwardly along the northern line of the said Albree alley a distance of sixteen (16) feet to the division line of lots Nos. 11 and 12 in the aforementioned plan; thence northwardly and along the said line a distance of 124 feet, to the place of beginning.

Said piece or parcel of ground hereby dedicated to public use, for highway purposes, and to be known as Mildred alley, being marked and shown upon a plan hereto attached and being made part of this dedication.

And I do further hereby waive and release any and all claims which I have or may accrue to me for damages by reason of the taking, appropriating of said piece of ground for public highway purposes by the City of Pittsburgh; and I do hereby authorize the proper authorities of the City of Pittsburgh to take possession of said piece or parcel of ground and treat it as a public highway, and to be known as Mildred alley; thus making the part of the system of highways of the City of Pittsburgh as though it had been opened and acquired by and under an ordinance duly approved by Councils.

The consideration therefor being the vacation, by the Councils of the City of Pittsburgh, of Ulster alley, from Bryant street to the southern line of Albree alley, as shown upon a plan hereto attached and made a part of this dedication.

Witness my hand and seal this 8th day of October, A. D. 1900.

DEDICATION—Of all that certain part or portion of Whitfield street not already opened to public use, between Penn avenue and Baum avenue.

To the Select and Common Councils of the City of Pittsburgh:

GENTLEMEN:—We, the undersigned, owners of all the property abutting upon and embraced within all that certain part or portion of Whitfield street not already opened to public use, between Penn avenue and Baum avenue, as located at a width of fifty (50) feet by an ordinance of Councils approved December 14, 1889, and recorded in Ordinance Book Volume 12, page 615 of Municipal Records, do hereby dedicate, set apart and appropriate to the City of Pittsburgh for public use as a highway, all of the property embraced between the lines of said Whitfield street between Penn avenue and Baum avenue, as located by the ordinance above referred to, and which has not already been opened or dedicated to public use, as shown upon the plan hereto attached and made a part of this dedication, viz.:

All those two certain lots or pieces of ground situate in the Twentieth ward of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, separately bounded and described as follows, to wit:

First—Beginning at a point where the southerly line of Penn avenue is intersected by the westerly line of Whitfield street, as now opened at a width of 30 feet as shown upon Mrs. Barbara Negley's plan of lots recorded in the office of the Recorder in and for Allegheny County in Plan Book Volume 3, pages 194 and 195; thence along said line of Penn avenue westwardly a distance of twenty (20); thence extending southerly between the westerly line of Whitfield street, as now opened, at a width of thirty (30) feet and the westerly line of said street, as located, at a width of 50 feet by the ordinance above mentioned, preserving equal width of twenty (20) feet throughout, a distance of two hundred (200) feet to the northerly line of Mignonette street, formerly Marietta street.

Second—Beginning at the intersection of the easterly line of Whitfield street with the southerly line of Mignonette street; thence westwardly along said line of Mignonette street a distance of fifty (50) feet; thence southwardly along the westerly line of Whitfield street, as located, at a width of fifty feet by ordinance above referred to, a distance of one hundred eighty-eight and 77/100 (188.77) feet to the northerly line of Baum street; thence eastwardly along said line of Baum street a distance of seventy-two and 27/100 (72.27) feet to the easterly line of Whitfield street as located by said ordinance (being a continuation of said line of said street as shown upon the aforesaid Mrs. Barbara Negley's plan); thence along said line of Whitfield street a distance of one hundred thirty-six and 49/100 (136.49) feet to the place of beginning.

And we do hereby waive and release the City of Pittsburgh from any and all claims for damages which we may have or which may accrue to our several properties by reason of the acceptance and appropriation of said ground for highway purposes by the City of Pittsburgh, and we do hereby authorize the proper authorities of said city to take possession of the said street and the ground embraced therein and treat and make the same a part of the system of public highways of the City of Pittsburgh as though the same had been opened and acquired by and under an ordinance duly approved by the Councils of said city. This dedication shall be binding upon our heirs and assigns forever.

AN ORDINANCE — Authorizing the Director of the Department of Public Works to institute legal proceedings for condemnation of property in the Seventeenth ward, City of Pittsburgh, County of Allegheny, Pennsylvania, for park purposes, from the Trustees of the John Shoenberger estate; appropriating the same for such purposes and providing for the payment of damages.

Whereas, It is deemed necessary that the City of Pittsburgh, Pennsylvania, should obtain possession of the real estate hereinafter described for the use and purpose of public park; and

Whereas, The city has been and is now unable to agree with the owner or owners of said real estate upon the compensation to be paid therefor; now, therefore,

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same.* That the real estate and property of the Trustees of the John Shoenberger estate, situate in the Seventeenth ward of the City of Pittsburgh, County of Allegheny, Pa., which is hereinafter bounded and described, is hereby taken, appropriated and set apart by the said City of Pittsburgh in virtue of its power of eminent domain, for the use and purpose of a public park, said real estate being described as follows, to wit:

Beginning on the southeasterly corner formed by the intersection of Butler and Forty-sixth streets; thence along the southeasterly side of Butler street north 32° 18' 20", east a distance of three hundred and seventy-one and fifty-five hundredths (371.55) feet to a point; thence continuing along said line of Butler street north 35° 45', east a distance of forty three and sixty-five hundredths (43.65) feet to the point of Butler and Forty-seventh streets; thence along the southwesterly line of said Forty-seventh street and parallel with Forty-sixth street south 46° 15', east a distance of five hundred and forty-two and thirty-eight hundredths (542.38) feet to a line of St. Margaret's Memorial Hospital property; thence along the northwesterly line of said hospital property south 43° 40' 30", west a distance of four hundred and seven and thirty-eight hundredths (407.38) feet to Forty-sixth street; thence along the northeasterly side of Forty-sixth street and parallel with said Forty-seventh street four hundred and sixty-three and twelve hundredths (463.12) feet to Butler street, at the place of beginning. Containing four and seventy-one hundredths (4.71) acres, more or less.

SEC. 2. The Director of the Department of Public Works of the City of Pittsburgh, Pa., is hereby authorized and directed to institute

and prosecute, in the name of the City of Pittsburgh, such legal proceedings as may be necessary and proper in order that the city may acquire title to the possession and control of said above described real estate for the purposes aforesaid.

SEC. 3. The compensation therefor shall be paid out of the proceeds of sale of bonds in pursuance of an ordinance entitled "An Ordinance authorizing the issuing of bonds for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply, and providing and furnishing meters to be used in connection therewith; paying the assessments against the City, now or hereafter made for the cost of constructing main sewers in said City; the acquisition and purchase of real estate within the City of Pittsburgh for the uses of the Department of Public Safety; the erection and repair of buildings and improvements for said Department; the purchase of the necessary machinery, apparatus, equipment and furniture therefor; and for the erection and construction of the necessary buildings, improvements, equipments, furnishings, supplies and all other matters and things necessary for the completion, requirements and needs of municipal hospitals for isolated and contagious diseases; erecting new buildings, additions to buildings, renewing, changing and altering parts of building, purchase of additional lands, constructing reservoir, erection of fences, erection of lightning rods and lightning arrestors, extension of boilers and boiler house, and construction of exercise yards at the City Home and Hospitals, Department of Charities; acquiring property for park purposes, uses or extension, and the improvement of the parks; the extension and improvement of the supply and distribution of water, and the laying of pipe therefor; the erection, renewal and repair of bridges; the completion of the boulevards, and the purchase and throwing open of toll roads within the City limits, and providing for the redemption thereof," approved November 16, 1899, and so much of said proceeds as may be found necessary for the payment of said compensation is hereby appropriated.

SEC. 4. That any ordinance or part of ordinance conflicting with the provisions of this ordinance be and the same is hereby repealed so far as the same affects this ordinance.

SEC. 2. The schedules herein named, to wit: Schedule "A," street repaving; Schedule "B," judgments; Schedule "C," Center avenue G. & P. refunding; Schedule "D," assessments against the city; Schedule "E," boardwalks and steps, and Schedule "F," erection, renewal and repair of bridges, are hereby made a part of this ordinance.

SEC. 3. The amount necessary to pay the interest on the separate indebtedness of the Borough of East Birmingham and the Borough of Beltzhoover shall be taken from the receipts from the special taxes of the districts aforesaid and placed in appropriation No. 1, on which warrants shall be drawn for all interest accruing or accrued on the debts of said districts respectively.

SEC. 4. All officers and employes of the Department of Public Safety and Public Works shall be paid out of the appropriate appropriation made for those departments, and the Board of Assessors shall be paid from Appropriation No. 2—salaries of city officers.

SEC. 5. All balances lawfully remaining to the credit of appropriations made for the year 1900 on the books of the City Controller, including those remaining to meet payments on contracts already made, shall be transferred to the appropriate appropriation made in this Ordinance, and all outstanding warrants shall be paid from balances in the City Treasury at close of fiscal year 1900 and from revenue collected during the present fiscal year.

SEC. 6. The cost of advertising ordinances for opening, grading, paving, macadamizing and curbing of streets, highways, lanes and alleys, and construction of sewers and all viewers' reports as to damages and benefits and costs for opening, grading, paving, macadamizing and curbing streets, highways, lanes and alleys and sewers, shall be paid from Appropriation No. 30—Highways and Sewers.

SEC. 7. That the revenues for the said city for the year 1901 arising from the taxes, loans and all other sources, together with any moneys in the treasury and otherwise appropriated, are hereby appropriated for the purpose herein set forth, provided that no part of the proceeds arising from the sale of bonds shall be used for any purpose other than that for which the bonds were authorized.

SEC. 8. The City Controller and Directors of the several departments of the city are hereby authorized and empowered to provide supplies for their respective departments, to advertise for bids and let contracts for the same in the manner now provided by law and the ordinances of the said city, not, however, exceeding in any case the amounts appropriated for said purpose.

SEC. 9. That any ordinance or part of ordinance, conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance.

No. 362.

AN ORDINANCE—Authorizing the Director of the Department of Public Works to institute legal proceedings for the condemnation of property at corner of Bouquet and Forbes streets, Fourteenth ward, City of Pittsburgh, from Oakland M. E. Church, for park purposes, and providing for the payment of damages.

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That the City of Pittsburgh deem it proper and expedient that it exercise the power of eminent domain vested in said corporation for the acquisition by it of the real estate hereinafter described, to be used for public park purposes.*

Therefore the Director of the Department of Public Works of the City of Pittsburgh is hereby authorized and directed to proceed in the name and on behalf of said city to have taken, appropriated and condemned for park purposes, in the manner described by law, the real estate and property of Oakland M. E. Church, situate at the corner of Bouquet and Forbes streets, Fourteenth ward, City of Pittsburgh, Pa., bounded and described as follows, to wit:

Beginning at the southeast corner of Forbes and Bouquet streets; thence extending eastwardly along Forbes street 123.81 feet to a point; thence southwardly at right angles with Forbes street 200 feet to a point; thence westwardly and parallel with Forbes street 85.03 feet to Bouquet street; and thence along Bouquet street northwardly 212.51 feet to the place of beginning.

And the said city does hereby elect and resolve to take, use and appropriate the said real estate and land for the purposes aforesaid, the damages therefor not having been agreed upon between said city and the said owner, and the said parties being unable to agree upon the same.

SEC. 2. The compensation therefor shall be paid out of the proceeds for sale of bonds issued for the purpose of acquiring property for park purposes under and by virtue of an ordinance entitled "An Ordinance authorizing the issuing of bonds for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply and providing and furnishing meters to be used in connection therewith; paying the assessments against the city now or hereafter made for the cost of constructing main sewers in said city; the acquisition and purchase of real estate within the City of Pittsburgh for the uses of the Department of Public Safety; the erection and repair of buildings and improvement for said department; the purchase of the necessary machinery, apparatus, equipment and furniture therefor, and for the erection and construction of the necessary buildings, improvements, equipments, furnishings, supplies and all other matters and things necessary for the completion, requirements and needs of municipal hospitals for isolated and contagious diseases; erecting new buildings, additions to buildings, renewing, changing and altering parts of building, purchase of additional land, constructing reservoir, erection of fences, erection of lightning rods and lightning arrestors, extension of boilers and boiler house, and construction of exercise

yards at the City Home and Hospitals, Department of Charities; acquiring property for park purposes, use or extension, and the improvement of the parks; the extension and improvement of the supply and distribution of water and the laying of pipe therefor; the erection, renewal and repair of bridges; the completion of the boulevards; and the purchase and throwing open of toll roads within the city limits; and providing for the redemption thereof," approved November 16, 1899, and so much of said process as may be found necessary for the payment of said compensation is hereby appropriated.

SEC. 3. That any ordinance or part of ordinance conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance.

AN ORDINANCE—Authorizing the Director of the Department of Public Works to institute legal proceedings for the condemnation of property fronting on Forbes street and adjoining lands at entrance to Schenley Park, Fourteenth ward, City of Pittsburgh, from Mrs. Mary E. Schenley, for park purposes, and providing for the payment of damages.

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That the City of Pittsburgh deem it proper and expedient that it exercise the power of eminent domain vested in said corporation for the acquisition by it of the real estate hereinafter described, to be used for public park purposes.*

Therefore, the Director of the Department of Public Works of the City of Pittsburgh is hereby authorized and directed to proceed in the name and on behalf of said city to have taken, appropriated and condemned for park purposes, in the manner described by law, the real estate and property of Mrs. Mary E. Schenley, situate in the Fourteenth ward, City of Pittsburgh, Pa., and bounded and described as follows, to wit:

Beginning on the south curb of Forbes street at a point 123.81 feet eastwardly from the southeast corner of Forbes and Bouquet streets; thence eastwardly along Forbes street 765.39 feet, more or less, to west property line of City of Pittsburgh; thence along said property line southwardly 125 feet, more or less, to the property line of Marie M. Harnack; thence southwestwardly along said line 15 feet, more or less, to Bouquet street; thence northwestwardly along Bouquet street 1154 feet, more or less, to property line of Oakland M. E. Church; thence eastwardly and parallel with Forbes street 85.03 feet to a point; thence northwestwardly along a line at right angles with Forbes street 200 feet to Forbes street, the place of beginning; excepting therefrom Johncare street, 50 feet wide.

And the said city does hereby elect and resolve to take, use and appropriate the said real estate and land for the purposes aforesaid, the damages therefor not having been agreed upon between said city and the said owner, and the said parties being unable to agree upon the same.

SEC. 2. The compensation therefor shall be paid out of the proceeds from sale of bonds issued for the purpose of acquiring property for park purposes, under and by virtue of an ordinance entitled "An Ordinance authorizing the issuing of bonds for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply, and providing and furnishing meters to be used in connection therewith; paying the assessments against the city now or hereafter made for the cost of constructing main sewers in said city; the acquisition and purchase of real estate within the City of Pittsburgh for the uses of the Department of Public Safety; the erection and repair of buildings and improvement for said Department; the purchase of the necessary machinery, apparatus, equipment and furniture therefor; and for the erection and construction of the necessary buildings, improvements, equipments, furnishings, supplies and all other matters and things necessary for the completion, requirements and needs of municipal hospitals for isolated and contagious diseases; erecting new buildings, additions to buildings, renewing, changing and altering parts of building, purchase of additional land, constructing reservoir, erection of fences, erection of lightning rods and lightning arrestors, extension of boilers and boiler house, and construction of exercise yards at the City Home and Hospitals, Department of Charities; acquiring property for park purposes, uses or extension, and the improvement of the parks, the extension and improvement of the supply and distribution of water and the laying of pipe therefor; the erection, renewal and repair of bridges, the completion of the boulevards, and the purchase and throwing open of toll roads within the city limits, and providing for the redemption thereof," approved November 16, 1899; and so much of said proceeds as may be found necessary for the payment of said compensation is hereby appropriated.

AN ORDINANCE—Authorizing the Director of the Department of Public Works to institute legal proceedings for the condemnation of lots Nos. 1 and 17 in David Hutchison and Mathew Mawhinney's plan, situate in the Fourteenth ward, City of Pittsburgh, belonging to Joseph W. Stenger, for park purposes, and providing for the payment of damages.

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh, in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That the City of Pittsburgh deem it proper and expedient that it exercise the power of eminent domain vested in said corporation for the acquisition by it of the real estate hereinafter described, to be used for public park purposes.*

Therefore, the Director of the Department of Public Works of the City of Pittsburgh is hereby authorized and directed to proceed in the name and on behalf of said city to have taken, appropriated and condemned for park purposes, in the manner described by law, the real estate and property of Joseph W. Stenger, situate in the Fourteenth ward of said city, bounded and described as follows, to wit:

Being lots 1 and 17 in plan laid out by David Hutchison and Mathew Mawhinney, and recorded in Recorder's Office of Allegheny County, in Plan Book vol. 8, page 246.

And the said city does hereby elect and resolve to take, use and appropriate the said real estate and land for the purposes aforesaid; the damages therefor not having been agreed upon between said city and the said owner, and the said parties being unable to agree upon the same.

SEC. 2. The compensation therefor shall be paid out of the proceeds from sale of bonds issued for the purpose of acquiring property for park purposes, under and by virtue of an ordinance entitled "An Ordinance authorizing the issuing of bonds for the purpose of the extension and improvement of water supply and distribution, including the filtration of such water supply, and providing and furnishing meters to be used in connection therewith; paying the assessments against the city now or hereafter made for the cost of constructing main sewers in said city; the acquisition and purchase of real estate within the City of Pittsburgh for the uses of the Department of Public Safety; the erection and repair of buildings and improvement for said Department; the purchase of the

necessary machinery, apparatus, equipment and furniture therefor; and for the erection and construction of the necessary buildings, improvements, equipments, furnishings, supplies and all other matters and things necessary for the completion, requirements and needs of municipal hospitals for isolated and contagious diseases; erecting new buildings, additions to buildings, renewing, changing and altering parts of building, purchase of additional land, constructing reservoir, erection of fences, erection of lightning rods and lightning arrestors, extension of boilers and boiler house, and construction of exercise yards at the City Home and Hospitals, Department of Charities; acquiring property for park purposes, uses or extension, and the improvement of the parks, the extension and improvement of the supply and distribution of water and the laying of pipe therefor; the erection, renewal and repair of bridges, the completion of the boulevards, and the purchase and throwing open of toll roads within the city limits, and providing for the redemption thereof," approved November 16, 1899; and so much of said proceeds as may be found necessary for the payment of said compensation is hereby appropriated.

SEC. 3. That any ordinance or part of ordinance conflicting with the provisions of this ordinance be and the same is hereby repealed so far as the same affects this ordinance.

AN ORDINANCE—Giving the right of way to animal ambulances and vehicles carrying sick, injured and disabled animals.

WHEREAS, It is of vital importance to the saving of life in many cases of injury or accident to animals within the city that they be conveyed quickly home or to some hospital in order to secure proper attention; therefore,

SECTION 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled and it is hereby ordained and enacted by the authority of the same.* That animal ambulances and vehicles carrying sick, injured or disabled animals shall have and are hereby granted a preference over other vehicles on the streets, alleys and highways of the city (fire department excepted). The said animal ambulance shall have, during daylight, displayed on the front thereof in plain letters, the word "Ambulance" and after dark there shall be displayed on the front a red lamp.

SEC. 2. Any person or persons offending against the provisions of this ordinance shall pay a fine of not less than one (\$1.00) dollar nor more than ten (\$10) dollars, and in default of payment thereof shall be imprisoned in the jail of Allegheny County for a period not exceeding thirty (30) days.

SEC. 3. That any ordinance or part of ordinance conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance.
